Gentlemen:

I have read and reviewed your program and want to give my endorsement to your program and planning efforts. The Law Students Civil Rights Research Council has sponsored projects which are comprehensive and imaginative for minority law students.

The myriad of services provided by the Council in the Western Region to poor or underprivileged people in the areas of landlord/tenant disputes, social security, employment discrimination, community legal education programs, etc. is testimony to its effectiveness as a viable necessary program.

I am pleased to add my voice of approval and to express my confidence in the Council. Be assured of my continued interest in your programs and if I can be of any further assistance, do not hesitate to call upon me.

Sincerely,

GEORGE R. MOSCONE
