No doubt you have heard about and probably have been watching the new buildings which are starting on the east and west sides of our project. This increase in our facilities means that we shall have, at Tulelake, the largest of the War Relocation Authority cities.

To operate a city larger than Klamath Falls is no small responsibility. This operation can only be successful with your cooperation.

We expect to begin plans with you for a system of self-government within the project. I hope you are thinking of such a plan because your internal government must be your own responsibility.

We, as your staff, stand ready to help but the plan and execution must be yours. It seems every day that I ask the same thing—help from you.

Welcome, NEW ARRIVALS! A dance is being sponsored in your honor Saturday night from 8:00 to 10:30 at Recreation Hall #408. Boys and girls, both experienced and untrained, are urged to attend.

DANCE

Dance practice is scheduled for Thursday evening from 8:00 to 9:30 p.m. in Recreation Hall #408. Beginners as well as experienced dancers are urged to attend.

Mrs. Louise R. Halle, assistant community worker and Mr. Harold Jacoby, Chief of Internal Security are available at all times to any colonist who is in need of friendly advice. Personal problems or problems regarding the home situation, which the colonists themselves are not able to cope with, may also be discussed. Many situations will undoubtedly arise out of the new community as the population increases, and it is hoped that the colonists will feel free to avail themselves of the services of either Mr. Jacoby or Mrs. Halle at the administration building.

Outstanding among her numerous duties has been work as field representative for Michigan and California. Mrs. Halle has to her credit, fourteen years of experience in the line of social work.

Miss Robinson Nursery
Supervisor

With 24 children enrolled, the Nursery, Bldg. 1417, is a scene of great activity. Boys and girls between 6 and 9 are busily sandpapering blocks, sandboxes, benches and ladders. Each is intent on his occupation and causes no trouble to his supervisor.

As each block becomes occupied by new arrivals, nursery workers will visit each home to make necessary arrangements for enrollment. Mothers wishing to consult Miss Robinson will find her in 1417.

At present, makeshift furniture is being used, but carpenters are constructing chairs, tables and sandboxes.

Miss Mary Ann Robinson, former teacher of mills College, Oakland, California is in charge of the nursery and is assisted by your nursery workers.

Voluntary financial donations to obtain towels, Kleenex and other articles will be greatly appreciated as the nursery lacks all these facilities.

Mrs. Halle, a graduate major in sociology and economics from the University of California and Michigan has had her credit, fourteen years of experience in the line of social work. To Puyallup Pete

Camp Harmony

Dear Pete,

Hi! And how are things in Puyallup. Luckily, it is wonderful here so hurry down hundreds are arriving each day, and will continue to do so during the week. I'll have more fun making new acquaintances.

I talked to some Salem girls who came yesterday, and they liked the camp very much. When you stop to think that they come directly from their own homes with cut out being in an organized center, Tulelake may be truly a good place to merit such a praise. Be seeing you.

People of Salem

When the nation is at war, the individual must sacrifice for the good of the whole nation. Some go to the front; others work in factories; still others keep the home fires burning, but all willingly cooperate with the government for the successful prosecution of war.

We, the citizens and residents of Japanese descent, too, wish to show our loyalty to this country of our birth and adoption by wholeheartedly cooperating with the government program of the national defense.

Now along with this program, we must leave this fair city of Salem, but we love America more. Wherever we go and what we do, we may be engaged in our wish is, "Long live America and democracy!"

In the absence of Chi Aoki, chairman, R. Soyeyama presided at the last meeting of the Handicraft Club which specializes in crocheting, knitting, rug-making and other intracies of handwork.

The members, 17 of whom were present, met at 7 p.m. every Friday in Bldg. 408 with voluntary instructors to further and better this phase of art. Donations of thread, yarns, needles and instruction books were arranged for the benefit of the beginners. Anyone interested is invited to attend the meetings.

Reverend Kuroda, Pastor

Salem Japanese Community Church

May God bless all of us and let us pray that the day may come soon when we can come back again to this fair City of Salem.
