I am a sign. I live in the Smith family's garden. I have stood here for many years in rain, snow and sunshine all day and night. Some times the birds flying in the air stop on me and sing sweet songs and I nearly fell asleep.

One day as I was standing in the garden a small gull came along and stopped to look at some flower's in the garden. As she was going to pick some blossoms she looked around and saw me. She became so frightened that she

jumped up and ran away.

That is how I work for the
Smith family's garden
