Dear George:

Well, it's about time that I asked you for a favor, so here goes. On the dates of April 9th through the 13th, a group of young Minnesotans from Austin, Minnesota will be visiting San Francisco. They will be there for a concert. The group is known as the Briars -- a singing group doing modern music as well as patriotic songs. Really, they are very good. They will be staying at the Holiday Inn at Fishermen's Wharf.

I wonder if it would be possible for you to extend an invitation to them to visit the City Hall or to extend some kind of hospitality to them and their director. I would really appreciate it, and I know they would be thrilled.

This group of young men and women is really attractive and talented. I heard them the other night at a Democratic dinner where I was speaking.

I hope everything is going well with you. I look forward to paying you a visit some time this spring. If ever I can be of help, just remember that you have a third U. S. Senator in Washington.

With all best wishes.

Sincerely,

Hubert H. Humphrey

Dear Hubert:

It was good to hear from you, and I am delighted to learn that you will be visiting San Francisco in the Spring. I look forward to seeing you then.'

Of course, I will be very happy to welcome the Briars from Austin, Minnesota, when they are here from April 9 through 13, on their concert tour. I will be happy to have them come to the City Hall for a visit, and do whatever else I can to make their stay enjoyable. Since I don't know where to write to them directly, will you please ask them to call Mr. William C. Roddy, Public Service Director on my staff, (558-3126) when they arrive at the Holiday Inn at Fisherman's Wharf, and he will make arrangements.

It's great to have a third U.S. Senator in Washington!

Warmest personal regards and best wishes.

Sincerely,

George R. Moscone
Mayor
