Fujino

my Biography.

My name is Fujino Yoshida. I was born at Stockton in 1931. My grandfather died in July and I was born the next month, August 15. I did not get to see my grandfather. But I have a grandmother living with us now. She is 61 years old and her name is Tora. She is the mother of my father. My father is 37 or 38 years old and his name is Shokuro. My mother is the same age as my father and her name is Teuneyo. When I was 2 or 3 years old my ear was very bad. I was sent to a hospital in Stockton. The doctor said, I must stay in the hospital and operate my ear. So I stayed in around half a year. Then around 9 years old I cut my Tonsils. At that time I was still living in the same house even now.

When I grow up I want to sing in the record.
