Mr. Richard A. McDougal  
First Vice President  
American National Cattlemen's  
Association  
Post Office Box 569  
Denver, Colorado 80201

Dear Mr. McDougal:

Thank you for your letter of July 28, concerning the possibility of the American National Cattlemen's Association coming to San Francisco for your convention in 1980.

As you know, we encourage conventions to come to San Francisco because we feel we can provide more than any other American city for your delegates.

I am afraid, nonetheless, that the people of San Francisco, through their elected representatives, have voiced their support of the efforts of Cesar Chavez and the United Farmworkers and that I join in that support.

I certainly hope you will continue to consider San Francisco as a site for your 1980 convention based upon our facilities, our reputation for hospitality, and because San Francisco is "Everybody's Favorite City".

Again, thank you for your letter and I look forward to welcoming the American National Cattlemen's Association convention in 1980.

Sincerely,

GEORGE R. MOSCONE  
Mayor
