Daily Commercial News  
125 12th Street  
San Francisco, California

Dear Mr. Levitan:

In regard to your article in the Daily Commercial News, our company has never found the Mayor's Office apathetic at all as you state in your article. In fact, we have received tremendous cooperation from his office.

Also, you state in your article that we made a contribution of \$30,000 to the Mayor's Youth Fund and that the contribution was really tacky and that Eastwood did not like that approach. This is also not true. What is true is we discussed the possibility of a contribution and we are intending to make one. However, the Mayor was willing to have the contribution go to any charity we liked. I made some suggestions and he made some suggestions and I am sure it will result in an amicable agreement.

It is unfortunate that we could not have had some communication so that your article was not based on rumor.

Best,

Clint Eastwood
