Catholic Church Notice

For where envy and strife is, there is evil work. (James 3:18-19) The Rev. V. Whitlow (Makaweyo and every evil word; James 3:18-19 priest) will celebrate Holy Mass. #2608
Probability that the age of skeleton which was found under Barrack 511 may be anywhere from one to ten years old was expressed by Harold S. Jacoby, chief of internal security. He estimated the height to be about five foot nine inches.

Four teeth in good condition were still embedded in the jaws. The number of bones indicated that two skeletons may have been found. Belief was held that the skeleton may be that of an Indian. They will be reconstructed to determine sex, age, and for other pertinent information. Possibility of foul play was held unlikely.

However, medical authorities have been called into the case. Block 51 has already been named "Skeleton Block" and a sign to that effect is tacked on a post.

Residents are required to furnish their own mops, brooms, and mops until a new supply arrives. Samuel Friedman, housing superintendent, announced. Each apartment is to be supplied, but until the requisition is filled by the quartermaster department, they are unavailable. The initial requisition supplied two mops.

cash advances

(continued from page 1) (continued from page 1) signed in the future.

Delays in making cash advances are caused when enlistees fail to bring their identification tags. Delays have also been caused by individuals who endeavor to engage in discussions regarding the war effort. Questions regarding amounts received or time worked should not be discussed with the Agent Cashier but should be taken up with the timekeeping department and necessary adjustments will be made on a supplemental payroll.

WORKERS NEEDED

Final American and National League softball games will be played this week-end with the leaders in both divisions practically a cinch to win the title.

Yogorees, National pace-setter, will tackle the Hospital ten on Saturday and Salem Senators, American League leader, is scheduled to play Commerce Sunday evening.

A win in either case will mean an undisputed first place and a undefeated season, while a loss could possibly mean a tie for the title. But a chance for either team getting defeated is slim.

FIRST PLAY-OFF GAMES

MONDAY FOR GIRLS TITLE

Second play-off contest will be played on Wednesday.

All games will take place on field 6 and game time is set for 7 p.m.
