Dear Sir.

My delay
in returning the paper on John Muir
is owing to two causes.

On his return from Alaska, Mr. Muir
was so busy with his "Grape crop"
that for three months he could find
no time to give me the "bibliography"
and other details necessary to fill
out the article. Then, owing to a
political campaign incident to my
election to the office of City Superintendent,
the completion of the paper was
delayed.

As it stands now. Mr. Muir is
fully satisfied. You can depend
upon the facts as correct.

Muir forwards to whom I have
submitted the article and please
with it.

If the 'Bibliography' is too full
you can condense it, as, for
instance, the newspaper letters.

Anything you choose to add
will be satisfactory to me.

Yours truly,

John P. Swett.
