I went to New Castle School when I was in the first grade. I changed school when I was in the second and third grade I went to Ophar school and when I was in the fourth, fifth and sixth grade I went to Auburn Union Grammar School.

My Summer vacation

At On summer I had to go out to the ranch and pick fruits. It was very hot out there were we had to pick.

Every time we got to ² hot I ran off and ^{game} and took a nice cold shower.

One day we finished picking all the prints so we played very day after that.

Now I got hurt
The next day my father said who wants to go to town I said I wanted to and my brother said me too my little brother said me three.

So off we went I was in the back of the truck and my little brother and my big brother rode in the front. Up we went up the big hill as we approached the top my brother

struck out ³ his hand from the ^{Jarvis} window
so I tried to pull his hand when
the truck started down the hill
I finally grabbed his hand when
we came around the corner ~~my~~
brother tried to stick in this hand
so I was pulling it out again.

My brother got mad and gave a
jerk off I flew on the road

~~my~~ brother told my father that
fell off so he stopped the car
and came running after me.

I was in a bad condition

next thing I knew I was in ⁴ ~~the~~ ^{family} hospital all bandaged up like a mummy in the museum. I left the hospital the next day and went home with a car. As I was watching from the window I saw ~~my~~ friends playing baseball kickball and hide and seek. I wished I could of been there playing all these games.

I was in bed for one whole month. Doctor Louis told me not to play until the next week.
