The students leaving are Setsuo Kairiki and Takuro Nakae to University of Nebraska; John Ishizuka, Sam Takagishi, Homer Yasui, Ikuku Nishikawa, and Fumio Nishida, Denver University; Kiyoishi Mano, Washington University, St. Louis, Mo.; Aigi Kamikawa, Johnson Bible College, Tennessee.

PROJECT DIRECTOR, PHYSICIAN, AND MINISTER TO DISCUSS SEX AND HYGIENE

As third of the series of health lectures, the Project director, a young physician and a minister will present an informal discussion on "Sex, Mental Hygiene and Morale" tomorrow, Sept. 24, at 7 p.m. at the outdoor stage.

A spirited discussion on the establishment of cooperatives in the Colony was held at the panel discussion Monday night in #220 with Harry Mayeda as moderator.

That there was no alternative but to establish a consumers cooperative, if this Center is to have any kind of store to serve the people, was agreed by most of the members on the panel. D. Elberson, cooperative expert, anticipated the possibility of instituting a producers cooperative with government sanction.

FUNCTION

The function of the executive-secretariat is to develop and install a simple but comprehensive performance report rendered periodically by each supervisor and foreman of every evacuee worker in the Work Corps. This report to cover such items as conduct, attitude, quality of work, quantity of work, and community interests.

PROMOTION

Under new regulations lately issued, the Work Corps Policy and the Order of the Merit becomes especially important. Any evacuee given recognition through their work for membership in the Order of the Merit shall be also given special consideration as to relocation outside the Project. At the same time, it will give advantages to the respective worker for promotion within the Project itself.

REPAIR RADIOS FOR WINTER

With cold weather certain to keep local residents inside their apartment, radios are destined to play an important part in the entertainment of Tulcans. In this light the radio shop, located at #76-07 is busy repairing and tuning up radios so that they may perform at their best. Henry Ichimura, manager of the radio shop, stated that the shop is operating under certain difficulties, mainly that of obtaining equipment.

Ichimura formerly operated the A.C. radio shop in Sacramento. His assistant, Harry Mofuoka, is an ex-operator of a radio shop in The Dallas, Oregon.

MEDICAL STAFF ADVISES
PREPARATION FOR WINTER

There has been considerable
inquiry to members of
the staff of the hospital concerning the
best way to resist the common cold in
this climate. Many of the
people of this community have come from
low, humid
climates where more
heating of the air serves sufficien-
tly in keeping the people warm at normal tempe-

atures. It has long been known by
public health adminis-
trators and housing experts
that a temperature of
68° F. during the day and
approximately 72° at
night will give maximum comfort
to the people if an ade-
quate humidity in the air
is maintained.
The stoves which are
now being installed for
heating not only carry a
danger of fire but carry a
danger of spreading
and making the people more
susceptible to colds.
In the high desert atmos-
phere, the humidity is
approximately 10 per cent,
while the humidity is
satisfactory at 50 and 90 per cent.
If the cold air is
brought into the house
and then heated by means
of a stove, the humidity
is further decreased by
condensation of the mois-
ture on the windows and
walls.

The increase in humidity by
the simple means of
placing kettles or pans
of water will result in
approximately one-third
saving in fuel since people
are more comfortable
at 70° with full humidity
than by the use of the
type of air under condi-
tions of heating.
These
reasons merely end in the
one simple suggestion
that all stoves be used
with a pan or kettle of
water on them to ensure
an adequate humidity
in the air.
A 'coffee can or any
other can may be used,
although a tea kettle is
more suitable. It must
be remembered that coffee
and kettles of
type must not be allowed
to become dry; otherwise,
the solder will melt,
causine the can to break
to pieces.

TIME MARCHES ON
BUSINESS STEADY AT
WATCH REPAIR SHOP

The watch repair shop at
$7207 is doing a boom-
ing business. So booming
in fact that the present
supply of repairs will
keep repairmen busy from
30 days to two weeks.
Manager Y. Ishizaki
from Sacramento explained
that at present they were
short of equipment which
clamored their ability to
work considerably. But
with the tools tinkling in,
Ishizaki stated that
it would not be long be-
fore they would catch up
with their old work. So
far most of their work
has been to fix pocket and
wrist watches.

Aiding: Ishizaki is R.
Nishimoto, another Sacra-
mento jeweler.

BORN: To Shizuo and Ka-
me Yamanoto, on Sept. 21,
a 6 lb. 3 ounce girl.
EACH HEAD

...of the family, who has not as yet established his position with the Housing department, is requested to see Frank Smith in the administration building so that scripts for clothing allowance for the month of August may be issued to his dependents. Provisions for script issuance are now being made by officials in charge.

NEW EDITION

...of clothing issue and clothing allowance was given by the administration yesterday to clarify confusion apparent in the minds of the colonists. The former is clothing issued to WPA employees doing hard outdoor labor, while the latter is given out in the form of scripts to the head of the family, now working or has expressed his willingness to work or unable to work due to illness, and each of his dependents.

A PROJECTIVE CLINIC

...where children may receive immunization vaccines will be held from 1 to 3 on Thursday afternoons at 920 instead of the hospital as previously announced.

Hereafter packages will be sent to the respective Block Manager’s Office. No one other than employees or those on business will be permitted in the back office of the Postal building.

A C. O. D. package is available at the Zeller-Back paper Co., Sacramento, California at the Post Office. No one other than employees or those on business will be permitted in the back office.

TULE LAKE DISPATCH

MARYSVILLE, BUSSEI

COP PLAY-OFF GAMES

In two tight pitching duels Marysville shaded the Tacoma Crusaders 3-2 and the Tacoma Bussel’s bested Hood River by a like score of 3 to 2 in first round elimination games held last Sunday for the Tulalip League hardball play-off title.

The two winning teams will meet next Sunday, September 26, for the right to meet Auburn A.C. in the title match.

Tanimoto, Marysville hurler, gave up four hits to two for Everett Matsui of the Crusaders, but the former received better support to chalk up the win.

Both chuckors struck out nine men, and the only player able to get two hits on either team was Paul Tahara, Crusader short stop, who collected a homer and a triple.

For seven innings Min Nakamura, Bussei, and Ery Kiyokawa, Hood River southpaw, matched goose eggs on the score book but in the final inning enthusiasm the Tacomas managed to squeeze out the one run victory.

GOPHERS WIN FIRST PLAY-OFF TILT

Golden Gophers won the first game of the Pee Wee League play-off series from the Rattlers by a 9 to 1 score last Saturday, but the second game Sunday was called a no-contest affair due to a misunderstanding.

The two teams will resume play this coming Saturday on field 15 at 2 p.m., and if a third game is necessary it is scheduled for Sunday, September 27, same field and time.

TERMITES JUNIOR CHAMPS

Sacramento Termites became the undisputed Junior League Champions of Tulalip Lake last weekend as they won a pair of hard-fought play-off games from the Marysville Jrs.

In the first game played on Saturday, the Termites had to come through with a run in the tenth inning to squeaze out a 5 to 4 win. The first frame saw Marysville cross the plate with all four of their runs on five walks and a long home run by lead-off man Yoeno. Sacramento picked up two tallys in the first on a walk and three errors and followed up with two more in the third on three hits. This tie score prevailed until the tenth when Ota, Termites long stop, hit a triple and came in with the winning run on an error.

In the seventh, Marysville throtled a Sacto rally with a brilliant triple play.

The final game Sunday was another thriller with the Termites breaking a one all tie in the sixth inning to win 3 to 2.
