A report being circulated here that there is a bill before Congress designed to deprive the Japanese-American citizens of their constitutional rights of franchise was definitely stated to be erroneous, according to a telegram received last night by the administration from Ernest Basf, attorney of American Civil Liberties Union in San Francisco.

An inquiry in reference to this matter was made by the administration when it was reported that a bill to take away citizenship from the Nisei had already passed the House of Representatives and was favorably reported by a Senate committee. This report came as a shock last week to many of Tule Lake residents, who have been without adequate means of communications with the outside world for the past several months.

The telegram by Attorney Basf stated as follows:

"REPORT ERRONEOUS. NO HOUSE ACTION. THERES NO BILL FAVORABLY REPORTED BY SENATE COMMITTEE."

KIDO BEATEN REPORT FALSE

A report that Saburo Kido, a JACL official in Boston relocation center, was beaten by a gang of rowdy colonists in the Arizona center is discredited, as he has been without adequate means of communications with the outside world for the past several months.

A telegram received by Director Shirrell from Ralph M. Olvin, assistant project director, last night, states:

"REPORT IS UNFOUNDED."

WEST SAC'TO SCORES

THRILLING 7-4 WIN

MARYSVILLE Loses WITH TWO CROWS AT STAKE

Coveted Tule Lake Colony Baseball Championship as well as the American League title went to the hard playing West Sacramento A.C. as they defeated Marysville in the finals of the inter-league playoffs, 7-4. West Sacramento had defeated the classy Royal Flushes and Marysville beat Hillman last week to earn the right to enter the finals.

Victorious West Sacramento started the fireworks in the first inning when leadoff man Jimmy Uno walked, Joe Yamashita got on an error and Johnny Kimoto's trusty bat rapped out a line drive to score Uno and Yamashita. For Marysville T. Nakagawa tallied one run on a series of errors in the first.

Another precious run was pushed across for the Sacramentans when Kinoto walked, stole second on a close play and came home on a sharp single by first baseman Jim Tominaga in the first half of the fourth stanza.

Marysville's big inning came in the sixth as G. Honda and G. Nakao scored on southpaw S. Kozono's beautiful hit to centerfield. Tom Takanaka, Hub City's dependable third sacker, was caught out at home on the same play when a perfect peg by Kimoto was relayed in to catcher Kishibara by Ard Kozono, ace West Sacramento moundman.

Final Marysville tally was in the seventh stanza, second playoff win. J. Nakao circled home from second base after Ben Ogata's sensational shoestring catch of G. Honda's line drive cut to right patch. Backstop H. Yamamoto was caught off first base on a double play after the catch. At this point a near riot was quenched after a misunderstanding flared up.

A series of errors and hits by Nashikubo and Kimoto totaled four runs in the big eighth cinched the flag for West Sacramento.

KOZONO WINS.

KIMOTO, OGATA STAR FOR W.S.

Ard Kozono, who took a little time rounding into form at the start of the season, pitched steady ball all the way through to augment good support from his team mates in taking credit for his second playoff win.

Fielding star for the winners was bespectacled Benny Ogata who made two difficult-line drive catches to hold back Marysville's bid for runs. George Nakao, Marysville shortstop, played good ball for the losers.

ROVING REPORTER: MEN TAKE CRITICAL GAZE AT TULE GIRLS

This week the expounder of pro and con subjects went into the realm of men. The scholarly, the bearded and the salvaging, all came through with flying colors on the query: Your opinion of the girls in the Colony?

"Aggravation is the word, for those girls who aren't exactly infants but who talk similarly."

"You know, those rain coats who take things for granted—they think every two-toned whistle is directed at them."

"Dark glasses does various things to a girl; but encompassing seems to play a prominent role."

"Masculine wearing apparel, yea! cowboy boots, LAVISH and things like that-else ought to be reserved for the Male."

"Sarcasm and condescension in certain circles."

"I think it's a girl's duty to find her escort after a "cut-in" dance....at least an attempt!"

"Girls who dance check to check with every "Joe" will eventually be listed down."

"Excessive artificialities, illustrating a few extremes: mascara and long brilliantly-hued fingernails are out-of-order here."

"It seems that girls who go out with 'tom and harry' are sooner or later excluded from the respect list."

"The girl from Shangri-La who passes in remaining aloof, has the odds against her."

PRODUCE FROM THE TULARE LAKE PROJECT FARM has been shipped and sold at regular market prices to all assembly and WRA centers. Consequently, a huge pool of funds has accumulated from the proceeds of the 2,500 acre bumper crop.

The exact status of the pool of money is explained in an excerpt from the Appropriation Act for the WRA.

"The WRA is authorized to dispose of, by public or private sale, goods or commodities produced or manufactured in the performance of activities hereunder, the proceeds of which shall be deposited in a special fund and thereafter shall remain available to the WRA till expended for the purposes hereof."

Figures of total receipts to date will be later released for publication by the War Work's Farm accounting and statistics department.
