NOTARY PUBLIC

Mrs. Marvin Thomas, Notary Public, will notify evacuees at the Civic Organization office, in 1508 between 7 and 9 p.m. tonight, Sept. 30.

Another assurance that the report a bill depriving the Japanese-Americans of their citizenship status had been adopted by the House of Representa- tives was a false plan was received by Director Mrs. E. Thomas, WRA official, in Washington yesterday afternoon.

The exact copy of the telegram from Glick is as follows:

"We are sending you this wire at request of Acting Director E. Thomas. I understand that rumors are circulating at Tule Lake that Congress has adopted a bill abolishing citizenship status of Nisei and another bill providing for citizenship status of evacuees. These rumors are not true.

"They are probably due to a misunderstanding of a bill recently introduced in Senate to amend the Constitution to permit Congress to regulate conditions under which persons subject to dual citizenship may become citizens of the United States; that bill has not passed.

"This bill has already been introduced in Senate and referred to a committee. It would take a two thirds vote in each house of Congress and ratification by three fourths of the State legislatures to adopt a constitutional amendment. Congress has not adopted any legislation that could deprive evacuees of citizenship would, provide. for their internment,"

PERSONALITY BIRD DIES
GARDEN BECOMES ISONELY

No longer will the dark feathered bird which made its residence for the past few weeks at the beautiful rock garden in front of the garden be a sight to behold. Without the presence of the lovely garden, the color and plant life collected from the nearby mountain, the fish were secured from the running stream near the project, will miss the strutting of his majestic wings or splash about in the cemented rock pond in front of the garden. For this gay fowl passed away last night.

His showmanship before the many people who paid him a daily visit will be missed—especially by his proud masters, S. Nakamori and N. Kido—who are owners of the picturesque gardens. Even the tiny "China Fish" in the pond will miss the strutting feathered personality.

Without the bird, the garden loses a certain something—but it is still a sight to behold. Three months of diligent labor has resulted in a master-piece of garden art.

The garden will be a gorgeous blend of colored rocks and plant life collected from the nearby mountain. The fish were secured from the running stream near the project, a source of general interest.

Pre-registration for the coming Y.P.C.C. on Oct. 10 and 11 has started from Sept. 28 and will be conducted until Oct. 4. Sig Okada, registration chairman announced.

According to Okada, ward captains and lieutenants will assist in selecting ward pre-registration committees for the purpose of pre-registering Christians in their ward. Those pre-registering will be assessed 20 cents.

Late registrants will be handled on Oct. 10. A special booth will be set up to handle late cases. The registration charge will be 25 cents.

Chairman Okada said that due to the limited facilities only 600 delegates can be accommodated at the banquet. In view of this fact those registering first will be given preference at the banquet, should the registration exceed the 600 mark, Okada emphasized.

An outstanding feature of the YPCC for Oct. 10 and 11, will be the special assembly, which will enable some deserving but financially pressed theological student to continue his or her studies at some school.

Tule Lake Christians are expected to rally behind this movement to bolster and reaffirm the Christian faith among the Japanese and Japanese Americans. Also among other Americans, that Christianity is still the hope of the current war torn world.

**MARYSVILLE BLASTED BY HITTINE POWER**
After a rather shaky season of league play, the improved Tacoma Bussaies blasted Marysville 9 to 5 last Saturday to gain the finals in the Tulelake League Shungraynissy play-offs and will meet Auburn A. C. in the title match next Sunday.

Marysville and Bussaies reached the semi-finals by scoring 5 to 2 wins over the Tacoma Crusaders and Hood River respectively, while Auburn, being the league champs, drew byes.

In the game Saturday, Min Nakamura, Bussaies chucker, was again effective as he limited the losers to five hits and an equal number of runs, as his teammates pounded out 15 bingles, good for 9 tallies.

Marysville held a 2-1 lead for the first four innings, but in the fifth Mas Tanabe laced a triple into right field, and brother George, not to be outdone, promptly slammed a home run into the left pasture to give the Tacoma a 3-2 advantage.

From then on the winners were never headed, and scored a total of six runs in the next three frames, while Marysville crossed the home plate once in the sixth and twice in the seventh.

Kaz Ikeda hit the second four-bagger of the contest in the eighth for Tacoma with one man on.

Tak Ikeda, Bussaies short-stop, led the hitters with four hits, while Temio Horita, with three hits, and M. Tanabe and G. Ishioka, with 2 hits helped the Bussaies batting attack.
