The amount is this,
Mr Cary is my special partner
in this company and ^{some} other things
and as his father owns the
mortgages I have him attend
to the rents taxes & its general
care and as I have not had
a statement for some months
I cannot tell how it is exactly.
Mr Cary is now in Mexico but
will return to Kansas City about the
first of June when he will give
me the information you want.

I am having an awful
hard time to get things going
here with this company but
time will bring things all
straight and I will then
make your investment a
profitable one to you.

Please give my best regards
to all of the folks, I hope
you are all well. Joanna and
children are pretty well now.
Very truly
Walter Brown
