2 J. Muir

Soon as he is home which
he stated would be in about
a week. Why he is so anxious
to attend to this by July first
is so he can go back to New-
Mexico at that time where he
is building a Quartz mill.
It would be very hard to make
a loan now to take up the
whole \$5000. with interest so if
you possibly can I think you
had better try to do it the way
he requests. Will write again soon as I
hear again from him. Very truly
Yours
Walter Brown
