My dear Brother

I must heartily
thank you for the good news
you sent me by Mother. I am
thankful to know that the
Kansas land is at last safe
and 'all in the family'. I
hope, and trust, that all interested
will in time feel the investment
has been a good one, which
but for your timely help might
have been lost. I am so glad
for John and Maggie too, it
will be such a relief to them.
May the Lord bless you for
your great kindness.

You will have heard by
other letters how nicely Mother

has recovered from her illness
she is not as strong as usual
but is able to go down town
again, and is out in the yard
a good deal enjoying the flowers
and the beautiful weather.

As for myself, after all the
kind and loving care I have
received I gain strength very
slowly. after two months I
only manage to go down stairs
about dinner time, or after, sit
out of doors, or rest in the house
as the case may be. I can read
a little however and that is a
comfort. the first week of my
sickness I had heart failure
and so am weak in that direction
as well as in the old ways.

I think I will gain faster now
that I can be out of doors
