Dear Mr Johnson

I send you herewith  
3 photographs of destruction work  
among the Sequoias of Kings River  
which may I think be useful  
ammunition in the coming fight on  
forest preservation.

I have already written 12000 words  
on Kings River Yosemite - though the  
Middle Fork Yosemite has yet to be  
described. I will go over it again  
& cut down as much as possible  
though I fear the article will be awfully  
raw-boned at the 5000 word limit. Ever  
Cordially  
Yours  
The Miner
