What is the University of the Pacific Scholarly Commons and How Can It Benefit the Dental School?

Mary Somerville, James Wirrell,
Mickel Paris

What is a Digital Repository?

Online environment which showcases and disseminates digital content produced on campus

- Search optimization: Maximum impact through discovery, visibility, and access functions and features

What is a Digital Repository?

Content presentation

- Institution
- School
- Department
- Program
- Professor

What is a Digital Repository?

Faculty research

- Published research articles
- Project reports
- Working papers
- Data sets
- Video recordings

What is a Digital Repository?

Student scholarship

- Publishing theses and dissertations
- Student-edited journals
- Student authored content
- Curated student projects

What is a Digital Repository?

Scholarly publishing

- Professional publishing platform
- Online peer review workflow
- Digital journal
- Conference proceedings
- E-book

What is a Digital Repository?

University publications and administrative documents

- Annual reports
- Marketing materials
- Press releases
- Institutional archives
- Special collections

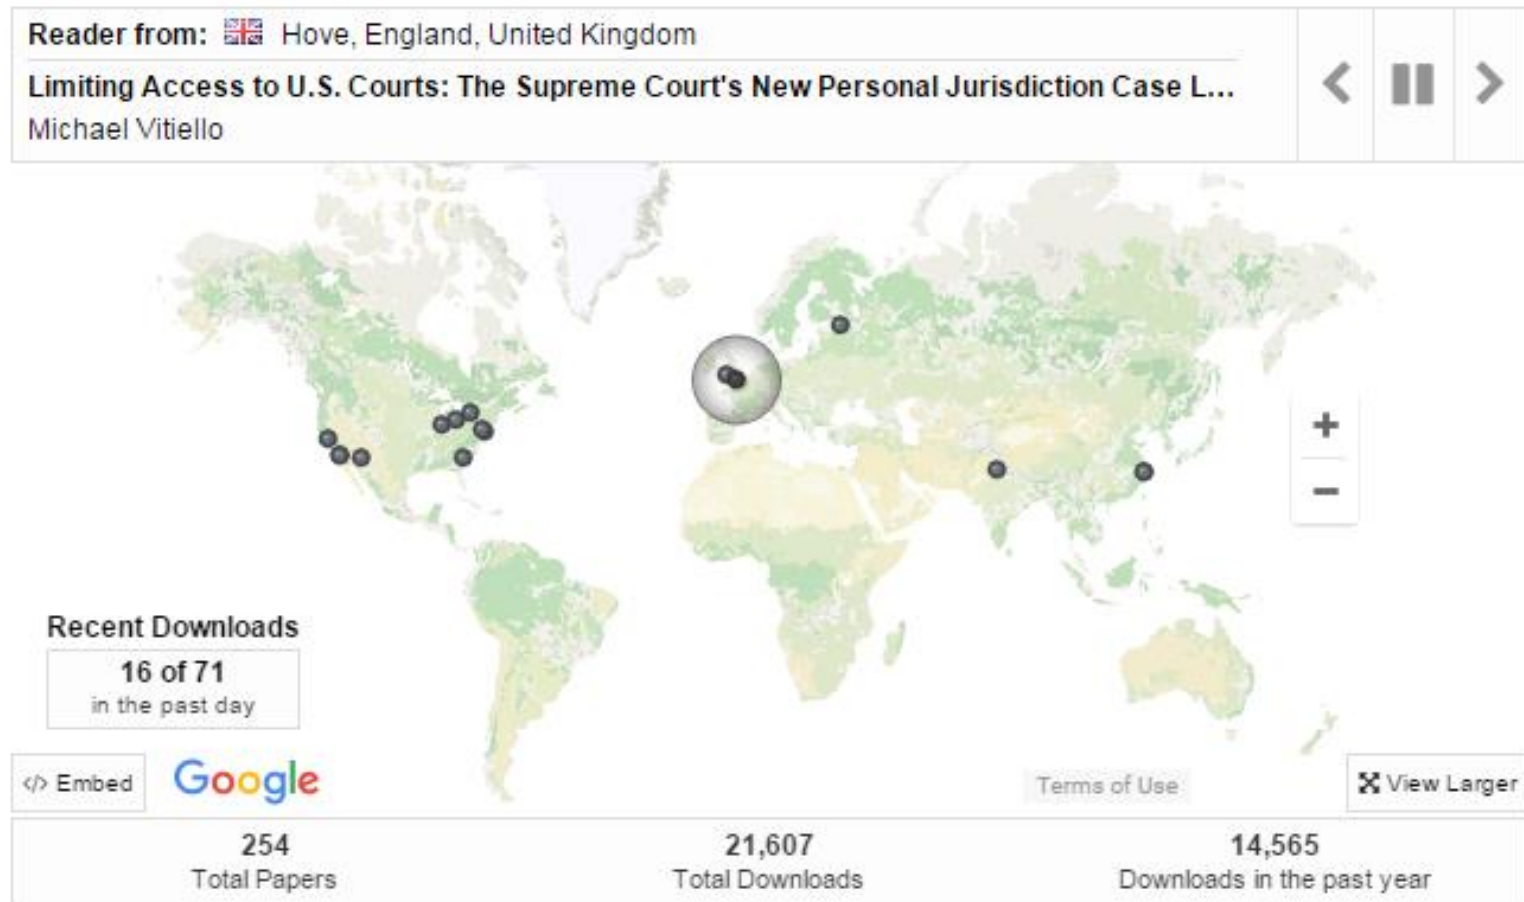

McGeorge Scholarly Commons

Possibilities for University Digital
Repository

Downloads Outside the USA

- Scholarship is downloaded across the globe
- Primarily in English speaking countries but many non-English speaking countries also

Dean: Dr. Stephanos Kyrkanides

Founded in 1962, the University of Kentucky [College of Dentistry](#)'s innovative curriculum and intimate class size allows students a much earlier opportunity to provide patient care, form close mentoring relationships with our highly accomplished and diverse faculty, and be fully prepared by graduation to meet the oral health, and overall health, needs of their patients.
