BOY SCOUTS GUARD FLAG IN MANZANAR RIOTING

How 14 heroic young Japanese-Americans Boy Scouts saved only with stones the American flag during the rioting which occurred in Manzanar on Dec. 6 was told in a story to the San Francisco Chronicle on Dec. 10 by Ralph P. Merritt, Manzanar project director.

"One of the Pre-Aids sympathizers," Merritt said, "started for the flagpole to haul down the flag. The Boy Scouts, who quickly surrounded the flagpole, defied the agitators or the whole mob to touch the flag. And the flag was not hauled down.

Merritt said the administration building flagpole was near the arena where the riot was until the 5:30 and 8 p.m. events were over.

One man was killed and eight injured when shots fired into the air. After repeated warnings to stop advancing were ignored, conditions at Manzanar were reported quiet today.

W.R.A. officials from Washington, meanwhile, are flying fast to join investigation of the incident.

DEFINITE CHANGE IN TOKYO RADIO PROPAGANDA NOTED

WASHINGTON (Office of War Information Service)—Tokyo says, in a Japanese-language broadcast to Japan and the Empire (November 11): "Stimson recently announced that America had completed the Alaskan Highway but much propaganda was put into these words. However, it is definitely established that America is working for the protection of Alaska and to be able to carry out attacks on Japan. Senator Burton stated that Tokyo must be bombed and that Alaska is the best suited base. By the above facts it is known that the Aleutians are very important, and America is hastening to complete the Alaskan highway."

"We must specially note the fact that now bombers made in America are capable of traveling from Fairbanks to Tokyo in only 15 hours."

The fact that our forces have occupied various important locations in the Western Aleutians means that the fighting has turned from the eastern hemisphere to the western, thus breaking through its front line and pushing toward the eastern Pacific"—Capt. Hideo Hiraido, official naval spokesman, June 10, 1942.

"Imperial Army and Naval forces holding strategic points in the Aleutians are completely fulfilling their duty of protecting Japan against possible American attacks from the North. The Japanese capture of Kiska and Attu was a defensive move aimed at frustrating American designs to attack Japan from the north. The success of the Japanese action was proved by the fact that Japan's northern territory has not yet been attacked by even a single enemy plane."—Maj. Hiroshi Nokaya, Nov. 11.

These two statements, broadcast five months apart, dramatically indicate the shift in Japanese radio propaganda from a positive aggressive spirit to an almost negative deteriorated spirit.

"Alaska" Fair Date Changed

Contrary to outside newspaper accounts the military police were never called inside the project and there was no violence at the time of the "Poston incident," according to a government report received here to- day.

The start of the trouble, apparently, was the arrest of two evacuees at Poston Unit No. 1 Sunday, Nov. 15, who were charged with beating up another evacuee. FBI men came into the center to investi- gate the case and the created resentment on the part of a certain group of evacuees, said to be pro-Axis.

Taking advantage of the fact that the project director, the assistant project director and the chairman of the community council were absent from the project, this group brought pressure to bear resulting in the resigna- tion of the Community Council of Unit 1. A general strike was also called but the walk-out did not interrupt any of the essential services at the Unit. There was no barricade of the community jail.

Junior football season reaches a fitting finale this Saturday as the season comes to an end with the championship game on the schedule.

League leading Marysville Jrs. with seven wins, three ties, and no defeats meets the fourth place Panthers in the game which will decide the title. If Marysville is victorious they will be the first Junior Football League champion of this city, but if the Panthers win then the second place Seahawks will take the pennant.

Seahawks have eight wins, one tie, and one set-back in the standings but they are assured of another victory over Octopuss this Saturday since the Octos have dropped from the league. In case of a Marysville loss, the final standings will read like this:

```
<table>
<thead>
<tr>
<th>Team</th>
<th>W</th>
<th>L</th>
<th>T</th>
</tr>
</thead>
<tbody>
<tr>
<td>Seahawks</td>
<td>9</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marysville</td>
<td>7</td>
<td>1</td>
<td>3</td>
</tr>
</tbody>
</table>
```

Marysville vs. Panther contest takes place on field 6 at 2 p.m.

Other final games are:

  - Gaels vs. Cardinals
  - Zippers vs. Ward

Final Game But:

SENIOR TITLE RACE IN MIRUP

Watta mess! Senior Football League is turning out to be a verbal battle instead of a gridiron game and no one is sure just what is going to happen this week-end. Tentatively scheduled games find the Esquires meeting the Seagulls on Saturday and if the Gulls win then they are slated to play Marysville on Sunday. But this is all tentative.

If you’ve been following the league, you know that Marysville is on top the standings with 7 wins, no defeats and 3 ties, with the Esquires and Seagulls tied for second with 7 wins, one loss, and one tie. But the lone Seagull tie and one of the Marysville ties is causing the headache, because the 0-0 tie game played between the two equals turned out to be a protested game.

What was believed to be a settlement of the protest has popped up to be the "sore thumb" and is causing the dispute at present.

Anyway the following games are scheduled to be played and if everything works out right, the champion will be named, maybe.

- Dec. 12, Sat. - Field
  - Kiyama collected 18.
  - Gaels took a 36-28 decision from the Cardinals for their second league victory.
  - John Mizoue, forward, led the winners by putting 15 counters, and Card guard Sam Mitsui, hit the bucket for 13.

In another one-sided contest the Zippers rolled over Ward 7-30-18, while the Spartans handed the Seagull a 20-16 beating.

TERMITES ROLL UP 92-27
SCORE OVER RATTERL JR.

IN JUNIOR LEAGUE GAME

Smooth-working Termites and the Masco Devils pulled a half-game in front of the idle Block 22 five last weekend as they both won Junior League games last Saturday.

Devils won a close 20-17 contest from the Rattler quintet, after holding an 8-4 lead at half-time.

But the Termites-Rattler Jr. game was everything but close. Final score was 92 to 27 with the Termites out in front, of course. Winners used a two-man defense most of the game and those two would let the Juniors shoot and if it went in alright and if it didn’t, one of the termites would take it on the backboard and leave it down to the other three teammates who promptly put in two points. This procedure worked throughout the four quarters, and before the Termites forward Dag Nakatogawa had 36 points to his credit and guard Tony Kiyama collected 16.

Gaels lack a 35-28 decision from the Cardinals for their second league victory. John Miacco, forward, led the winners by potting 15 counters, and Card guard Sam Mitsui, hit the bucket for 13.

In another one-sided contest the Zippers rolled over Ward 7-30-18, while the Spartans handed the Seagull a 20-16 beating.

Best way to find out what will happen is to be field six on both Sat. and Sun. and if some teams show up you’ll see a good game. The season is supposed to end this week-end.
