My dear Mr. Muir:-

I have yours of the 24th of October and thank you very much for its kindness and for the fifteen photographs of the Muir Glacier, which have duly arrived. I do not find the map of the Muir Glacier to which you refer.

We are very glad to know that you are at work on the ^{Alaska} articles, of which we expect to make a "Feature."

As you do not tell me in response to my request what we ought to pay you for the King's River article, we have jumped at the conclusion that the payment for the Yosemite articles was satisfactory, and I therefore send you a check for \$165. ^{for \$20.} to which our Art Department has added another [^] for the use of the sketches. *Voilà!*

Robinson continues to keep me informed at length concerning Yosemite matters. Now if Ames and you would start a petition for the return of the old park to the Government. I'll see that the new Congress takes the matter up. I haven't had time to take up the "Defense Act" scheme, but it is not necessary.

Regards to Mrs. Muir.

Very yours
R. U. Johnson.
