**PLACEMENT WILL BE OPENED ON TUES., THURS. EVENINGS**

The Placement office will be opened from 7 to 9 p.m. Tuesday and Thursday of each week, Frank D. Fagan, Placement officer, announced today. 

This is in order to accommodate those who are working and are unable to come for interviews and to obtain information on outside employment during the regular office hours.

He urged anyone seeking information concerning employment, or having outside employment problems to take advantage of these night hours from now on.

**NURSES: AIDES BADLY NEEDED**

Since the hospital is still in a critical situation due to the shortage of nurses aides, the recently organized aid-the-hospital committee has been very busy devising ways to recruit the needed people, it was reported.

There is an urgent need of 51 males or females immediately to take over these jobs. The hospital at present is not able to nurse and care for as many patients as they wish.

Anyone over 16 years is eligible to apply for either part time or full time work. Interested persons may call at the Placement office for an interview and report to the information desk at the base hospital for an interview with the Head Nurse, Miss Dunley. The most favorable hour for such an interview would be from 10 a.m. to 11:30 a.m. and from 2:30 to 5:30 in the afternoon. If these hours are not convenient, applicants may leave their names with the aide desk at the information desk.
