To set up a permanent buying office in New York, consisting of three buyers, three Tuleans left last Friday with Don Elber-son, Co-op chief, for the Chicago convention of Sept. 28, 29 and 30.

The three buyers to be selected by the different project representatives in Chicago, will purchase goods for all centers; their salary will be shared by the different projects.

Shigechi Kubo, "Corky" KawasakI and Wilbur Takaguchi were the three delegates chosen to see company Don Elber-son. They will take advantage of their stay in Chicago by making purchases for the local Co-op, and are expected to return on Oct. 10.

MACE HERE IN PROJECT

Civilian stamp must last 6 months - OPA

According to the Department of War, when the next shoe stamp becomes valid, November 1, it will remain in effect until May 1, unless shoe production should exceed present estimates, it was explained.

The reduced civilian shoe ration is necessary, OPA said, because of heavy drain for military purposes, greatly reduced supplies, and manpower shortages.

In addition, OPA announced that shoe stamp No. 13 in ration book No. 1 will not expire October 31, as originally planned, but will be extended indefinitely, to provide an overlap period.

This decision follows an announcement made September 14 during a visit to Portland by W. W. Stephenson, Chief of the OPA shoe rationing division, that provisions to avoid another buying rush when the stamp expiration time might be expected.

Notary Public

Mrs. Thomas, notary public, will be on the project Tuesdays and Fridays from 10a.m. to 12 noon at the leave office.

Mortimer C. Cooke

The oldest member of the appointed personal staff in point of service is Mortimer C. Cooke who arrived at the Tule Lake Center on May 13, 1943 as Chief of Community Enterprise.

Since then, Mr. Cooke has become transportation and supply officer and is at present Supply Officer. This includes Mess Management and Procurement. Mr. Cooke has probably already become known to many incoming Tuleans as he has been handling the segregation movement for both incoming and outgoing trains.

SPORTS

KING CASABA MAKES APPEARANCE

King Casaba is making its appearance early this year. Cape Cod standsout that alone during the last basketball season, but this season may see others rise in their stead.

No leagues have yet been organized; the starred-studded Recreation Department and Co-op House quintets have seen little action lately. However, many block terms and independent films have been organized. One of the better "W" teams is the Sacramento 29, led by Ichiro and Natsuki, Akio Negishi, and Hai Yoshimura. They recently defeated a block 59 to 50, then routed the Block 54 quintet 57 to 38. For practice games with the Zephyrs contact Russel ct. at 3917 or Cliff Takeda at 3108.

Other teams which have played are the Block 43 "Wildcats" featuring the Hiro siblings, Atsuya, and Fred, the Block 29 "Bantangs" and Block 47 "Leosers Etc."

Managers are requested to hand in score sheets of basketball contests at the Tulisan Clip office, 1943, for publication.

MEETINGS ARE PROHIBITED

All public meetings have been prohibited for the next fourteen days. The Department of Public Health announced. Colonists are warned to avoid contact and meetings crust be necessarily cancelled.
