RESIDENTS ASKED TO STAY

"Trust in the actions of the residents' delegates, and do not take any individual actions," exclaimed the committee of seven representatives chosen to settle Thursday night's incident. Five resolutions were passed by the committee affecting the colonists' conduct during the following week.

Young men are asked to be sensible and prudent due to the present situation, and residents are asked to refrain from spreading unfounded rumors, and congregating in more than five in a group. That the WRA properties within the center should not be damaged or destroyed, was emphasized by the committee resolutions.

The resolutions were agreed upon by the representatives to bring about a peaceful conclusion, and violators of the rules will be punished by due action of the entire populace warned the committee. The delegates also stated that the infractors of these rules are being closely guarded by the people's representatives.

EDHITORIAL

Let's Back Up Our Delegates

Residents: Let us show our faith in our representatives by obeying their regulations.

We have delegated our representatives to negotiate for us and act for us; they were not selected just as figureheads.

The merits of this wise step taken by our delegates can be readily seen by every thinking resident. The measure that they had taken in the form of these regulations was not a measure to show their authority; they had taken this step to protect us.

The rash and hasty actions of a few who because of bitterness or anger take things into their own hands without stopping to think is not doing the community any good. They are just jeopardizing the welfare of all of their fellow residents.

Follow residents: Let us take steps to punish any person who may disregard these rules.
