My dear Mr Muir.

We hope you
still live, and more and
have your being, on this
little planet. We never
forget our happy journey
with-you to Alaska, and
we are glad you are
immortalized in the
"Muir Glacier" - Your monument
is not marble, but ice.
We wish our friend Mr
S. J. Pickard editor of
Portland Transcript came
to meet you. Mrs Pickard who
is with her husband is favorite
niece of John S. Whittier. They
are in a party of editors
en route for California.

I have taken the liberty
of introducing them to
you as Mr Pickard would
like to make notes of
his travels and say a
word about ^{the} men and
women he meets. I sent
to you my little book
"A Handful of Pebbles",
did it ever reach you?

Mr Patton joins me
in kindest regards to
you and yours -
Very cordially your
friend.

Abby Hutchinson Patton.
