CO-OP CASH SALES TO STOP

ONLY SCRIPS WILL BE TAKEN STARTING MON.

All cash sales at the Community stores will be discontinued from Monday in favor of sales by scrip. It was announced by the Co-op management today. This decision was reached at the last regular meeting of the Board of Directors.

After much deliberation, with the interest of the people at heart, the directors decided that the compulsory use of scrip was necessary in view of the fact that almost half of the sales being done today is by cash.

The Community stores must pay Federal Income Tax on sales done by cash.

The early record of non-members will be kept. Such records will be applicable to them if they should decide to join the Co-op later.

Also starting Monday, the customers may tear out their own scrip. It is also important to detach the scrip at home and take them to the store.

Scrip books will be sold all day during the store hours in the community.

Sgt. Tsukahara Hopes Many Serve

SAYS ARMY IS EDUCATIONAL

Sergeant Technician Taro Tsukahara, now in Tule Lake for recruitment, is a proud member of the United States Army. From San Francisco, Sergeant Tsukahara was inducted into the Army in March, 1941. Since that time he has traveled the length and breadth of this country performing all types of service for Uncle Sam. Tsukahara told the Daily Tule Lake Dispatch, "The Army is an education in itself. You get a different angle on important issues that confuse most civilians. I have received fine treatment in the Army and I am more than glad to be of service to my country in these trying times."

"I sincerely hope many more will answer the call to colors and begin our registration here," the sergeant said.

Sergeant Tsukahara is here in company with 1st Lieutenant Evan Carroll, Staff Sergeant Attilio B. Sabatini, and Sergeant J. Vincent Sullivan, all from the War Department to assist in the mass clearance of loyal evacuees from 17 year olds and up.

LEAVE DEPARTMENT GIVES ADVICE TO PERSONS PLANNING TO RESETTLE

Advice to persons expecting to relocate themselves has been given by the Leave department.
1. Buy your ticket in advance from the Travel Bureau in the Administration building.
2. Take a lunch along. The bus stops only 20 minutes for lunch. On the trains the soldiers are fed first and it is not unusual for civilians to wait in line for three hours or more before getting something to eat.
3. Do not take more baggage than you can conveniently carry yourself. Porters are hard to get and you can’t depend on getting one when you want him. Your heavy baggage can be sent express direct from the Project.
4. Carry only one bag with you on the train. Check the rest into the baggage car where they’ll ride better than on your lap or under someone else’s feet.
5. Take along clothing heavy enough for the climate to which you’re going. The Middle West is colder than Tule Lake.
6. Your Leave Officer will wire ahead to your employer or school giving your scheduled time of arrival. However, if you
