Professor John Muir
Martinez -

Dear Sir

I am planning with a friend an excursion into Kings River Canon, hoping to be able to ascend Mt. Tyndall. As we desire to learn as much of the country before - ^{as possible} hand, I write to ask if you could refer me to where I could find plate 67 - B & D of Wheeler's Maps, which includes this region. Inquiry at the Coast Survey was not satisfactory as their set was incomplete.

I hope that I do not trespass upon your indulgence in making this inquiry - Your recent article in the "Century" has induced me to apply to you.

Very, respectfully yours,
Elliott M. Allister.
