My dear sir:-

Your favor of the 24th. inst. just received. I am obliged to you for your excellent article on Kings River Yosemite which arrived a little late for the February number, but it will have an honored place in our March number. I am chasing around for C.D. Robinson (who has removed his studio from the old stand) for a few photographs for illustrating your article.

Kindly send me your bill for the article and I will forward cheque at once. We will be very glad to have you send us short articles from time to time, and would suggest something of Alaska for our April or May number.

When you get ready for a stroll through the Park I will do myself the honor to knock off work and accompany you.

Yours respectfully,
