Martinez, Feb. 19, 1893.

My dear Mr. Vinson

I am delighted with the salvation
of the Sierra forests from the Tulelume
to the Kern River.

As to the recession of Yosemite to the
National Park it must be made
very soon in the natural order of
things, but no new bill can be got
before this session of our legislature
our Sierra Club altogether refused to make
a fight at present on account of mis-
management, but the enclosed resolution
was forwarded to Senator McAllister
a few days ago. What is the effect
may be I don't know. Markham it is
said by those who know him belongs to
the S.P. Railroad. What they wish he will do.
Irish is to start for Washington in a day or two
he is supposed to be the hired attorney of the
Yosemite-ling. Ever cordially your friend
John Muir
