-your father is that he is  
well and happy as usual  
but still lame -

All the rest of us  
are in our usual health

I hope this will find  
you all well

May Heaven bless  
and comfort you all

Dear Daniel

Tomorrow being  
your birthday - I thought I  
must write to you today -

I feel like filling up  
this paper with loving and  
earnest wishes for your  
present and future happiness  
also including Emma and  
the dear children -

Hoping blessings may  
be thickly strewn around  
your paths -

It seems a very long time since I have had any tidings from Maine and would be much pleased to hear from any of you -

This very sudden death has been quite a shock to us all - especially to Sarah but she has recovered somewhat and is more comfortable

Joanna is still at Phillips and thinks the change is benefitting her health so much that she wishes to remain there all summer

Willis is very little at home being engaged in the business of settling up this new country

On the third of June John set out for the Yosemite Valley to attend the I. S. convention to be held there by Dr Vincent, and give two lectures on the Geology of the Sierras, and then a long journey on mountains and rivers and then he expects to see us all the coming winter -

My last news from -
