John Muir Esq.

Dear Sir:- We have read with much in-

terest your paper in the November number of

Scribner's entitled "A Wind Storm in the Forests

of the Yukon".

We understand that it is

the first of a series of articles that have been

accepted for publication in the Magazine.

We write particularly to say that should

you intend hereafter bringing these papers
together in a volume together with other
articles that have appeared elsewhere (in
"Harper's Magazine" etc) we hope that you will

without fail confer with us on the subject.

We feel sure that you must have
at your disposal ^{an} abundance of good material
for a capital book. We remain

Very truly yours

Charles Scribner's Sons.
