San Francisco, 2 June 1879

My dear Sir,

I enclose the promised letter
of introduction to M. Walker,
the Premier of British Columbia.

I also send you herewith, a
circular letter addressed to my
old Canadian friends, (with
whom I recently travelled from
the East,) who are Engineers
employed to explore a new route
for the Canadian Pacific R.R.,
& whom I observe by the news-
papers, have gone up the Country
in the direction of the Peace
River - They are all good fellows
and I hope you may fall in
with them.

Should you ever visit
Europe I hope you will give

me an opportunity of
seeing a great deal more of
you than my short stay
in this City has enabled
me to do.

I do hope you and Mr. Megee
will enjoy your visit to
the Northern wilderness
"muchly"

Yours sincerely
G. S. MacKay
