Dear Brother C.

Whether doubtless, has
said all that needs to be said but
I must put in a little word
of greeting. I am as glad
that thus far your affairs have
gone so much to your liking.
I do most sincerely hope
that Lincoln may prove a
happy home to you and your
dear ones and that all may
be well. I wish that either
you or Emma would write as
soon as you become settled,
we will be as anxious to know
how you prosper.
The beauties of the vegetable
kingdom are again resurrected
and we are happy, but sleep
because of the warmth of the
weather. With love to you all
Sister Joanna

Joanna G. (Miss) Brown

We were seeing
a small tract
of the other
day and
you had
just discovered
that it was
not coming
off well. This
little number
but instead
and some
other things
which were
in the
water.

Portugal May 1st 1880

Dear Daniel

Your letter and
cards are received - And you
have got the work begun on
your farm which I hope
will prove a success -

I do hope you and Emma
and the children will all
realize that the change is
for the better, and that your
home in Lincoln will be
bright and pleasant as it
can be this side of time
with Gods blessing ever resting

upon it & In whatever part of this bright world your home may be - you and yours, will ever be dearly remembered by me, as you have been in days and years gone by.

Our news from California lately has been very surprising John having been married on the 14th of April to Miss Louie Strentzel only child of Dr J Strentzel living on a large fruit ranch two miles from Marlinez. The Rev Dr J E Dwinelle performed the service he was from Sacramento. So I send you a piece

of the wedding cake which arrived here last Friday, with a great profusion of flowers and blossoms of many fruit trees, many of them were quite withered. The news gave me much pleasure as it will add much to his happiness and comfort to have a home.

About one week ago John V. left home for Nebraska he expects to be absent some time and your friends here are in their usual health.

Write you often for the pretty card you sent me. With sincere love to all, I would say good bye - Lovingly Mother
