"A" For Alonzo

Pacific Theatre to Feature Original Musical Play As Final Production

A new and original musical comedy by Pacific student Jerry De Bono has been selected as the fourth and final production of the 28th season of Pacific Theatre by Director DeMarcus Brown. The show is scheduled to open May 2 for four performances, with a cast of 40 including some 27 speaking roles.

Titled "A for Alonzo," the production calls for 15 scenes in two acts. DeBono, a speech major from Stockton, has been working on the book, lyrics, and music for eight months. The story relates the saga of a small town Ohio movie fan who wins a magazine contest with an all-expense junket to Hollywood and a screen appearance as his reward. His escapades en route precede a satirical farce on Hollywood itself as an institution.

DeBono won critical acclaim for his interpretation of the young Gypsy mute, Toby, in last spring's production of "The Medium," a contemporary opera by Gian-Carlo Menotti. He recently had the lead in the Studio Theatre offering, "Caste," and previously appeared in Pacific Theatre's "Sing Out, Sweet Land," and "Pygmalion," and is at present rehearsing for the February 29 opening of "Much Ado About Nothing."

Sets for the production will be designed by Pacific Theatre's Technical Director Anthony Reid, and are to be executed by the classes in stagecraft. Student Musical Director Wayne Morrill will arrange the music for performance by soloists and a mixed chorus. A small combo will augment the accompanying two pianos of Morrill and Donald Dolarhide. Miss Betty Hackett, local dancing instructor who created the choreography for "Sing Out, Sweet Land," will direct the dance group.

Auditions will be announced at a later date.

Radio Scripts for "Dr. Christian"

Deadline on the Dr. Christian student radio play contest is midnight, February 29.

This eleventh annual Dr. Christian Award pays \$2,000 in prizes. Each script used on the Wednesday night CBS Dr. Christian Show will bring \$250 to \$350 to the writer, and there is \$500 to be divided up into three prizes for runners-up.

All college students who want to submit radio scripts are advised to listen to the program and to write to the Dr. Christian Award, 17 State Street, New York 4, New York, for a folder of rules.

Whole blood is urgently needed in Korea! An appeal has been made to students of the College of the Pacific. Donors may register today and next week at the PSA office.

VA Announces GI Aid Deadline

Veterans who wish to resume study under the G.I. aid bill, after being discharged must apply by July 21, 1951, announces the Veterans' Administration.

Vets are advised not to put off their training plans, and to keep in mind the three requirements that must be met in order to take post-cut-off date training after military service:

1. Conduct and progress of their previous G.I. Bill courses must have been satisfactory.
2. The amount of training they may get after discharge will be limited by their remaining G.I. Bill entitlement.
3. Their courses may not extend beyond the wind-up of the G.I. Bill program on July 25, 1956.

According to the law, the July, 1951, cut-off date applied to World War II veterans discharged before July 25, 1947. For those few discharged afterwards, the cut-off date is four years from their date of discharge.

BIG-LITTLE SISTERS VIEW NEW FASHIONS

New and old women students, dressed in comfortable pedal-pushers, crowded the floor of the gymnasium for the semi-annual AWS Big-Little Sister Party, Wednesday night.

Each girl, new to Pacific, has a "big sister" in an older student. The duty of a "big-sister" is to acquaint the new student to campus life by acting as guide, counselor, and question answerer.

Virginia Peyton was chairman and coordinator of the event. With her worked Donna Betz on food arrangements, Dolores Teal on decorations, and Pat Haley as fashion commentator. Mary Jane Donegon provided background piano music.

After a message of greeting by Alice Bogie, AWS President, the campus housemothers and special guests were introduced. The president of the Sophomore Women's honorary extended her welcome to the new students. Then the evening entertainment began.

In a Katten-Marengo-sponsored fashion show, representatives from all the women's living groups on campus walked down a Valentine pathway to model Spring fashions.

Pacific to Hold Annual Music Clinic Tomorrow

The second annual mid-winter string and choral clinic will be held tomorrow on the Pacific campus. Constantin Bakaleinikoff, musical director of RKO Pictures, and Jester Hairston, a Hollywood choral director, have been secured as guest conductors by David T. Lawson, Pacific Music Camp Director.

More than 1000 junior high school, high school, and junior college music students will come from California and Nevada for the clinical program. Sectional rehearsals will be held in the morning, with joint rehearsals scheduled for the afternoon sessions.

A public concert by the 800-voice choir and 200 instrument all-string orchestra will be given at 7:30 p.m. in the Civic Auditorium, without charge for admission.

Dean Betz Expounds On Spring Registration

On the third day of registration for this semester one more person had started the process of joining force with the College of the Pacific than had done so on the third day of registration in September 1951. I hesitate to say that this one person is a symbol of a "bigger and better semester" for it may not always be possible to exceed. On the other hand, we can certainly look forward to the finest "second semester in the second century" of the college.

Baseball is back as is the WSSF Carnival. The AWS Spring Formal is jointly sponsored by the PSA and open to all card holders. The Freshmen are working on a variety show. Band Frolic is just around the corner and then there's Mardi Gras. Oh yes, classes will be held as usual.

The leadership shown by your officers has been outstanding this year. In all areas your representatives are in there pitching; join them to see to it that the high level of our activities is continued in 1952.

Spring Sports

COP BASEBALL GIVEN NEW HOPE NELSON TO HEAD FUND RAISING

By JOHNNY KANE

Hopes for the continuation of intercollegiate baseball here at Pacific were on the upswing this week as the campaign for season tickets got underway. Approximately \$600 must be raised by the March 1 deadline if baseball is to remain on the Spring sport schedule.

One-Act Plays In Studio Theatre

A program of three one-act plays will be presented by the Studio Theatre Thursday, Friday, and Saturday evenings at 8 p.m., under the direction of Barbara Andress. Plays chosen for production are "Crabbed Youth and Age", "End of the Trail", and "A Marriage has been Arranged."

Appearing in the trio of plays will be Virginia Graham, Mary Bendes, Barbara Bagalini, George Felker, Mary Ann Phillips, Dave Manley, Barney Nelson, Sondra Chapman, Jim Elfers, Dick Merrifield, Sherwood Goozee, and Virginia Quessenberry.

The student rate is 50 cents, with the 75 cent tariff applying to the general public.

President Burns Greets 100 New Students

Heartiest greetings to the old as well as the new students! One of the privileges of college work is to wish one group of students the best as they graduate at the end of a semester and to greet those of the incoming class. We are happy to report that over one hundred new students have registered at this date for the Spring Semester.

One writer has recently said that, "American college students are on the threshold of an era when being a playing or participating citizen of the United States is going to be the toughest job in the world." That will be true of you. While there will be opportunities for play at Pacific, there will be the greater opportunity to steel yourselves for "the toughest job in the world."

ROBERT E. BURNS
President

Pres. Robert Burns

A fund raising committee headed by Barney Nelson, has been appointed to originate and coordinate ideas for the enterprise. Two of the local service clubs, the Lions and Kiwanis, have already heard appeals for aid, and many more are to be contacted within the next few weeks. A ticket booth has been set up at Pacific basketball games to further push the sales.

Suggestions still in the planning stage are a cake sale, similar to the one that sent our basketball team to Kansas last year, and a sports carnival. It is believed that if all these avenues of income are properly tapped, sufficient funds should be forthcoming.

Students Sue Billups, Bud Watkins, and Johnny Kane are working in close conjunction with publicity director Carroll Doty, baseball coach Hugh McWilliams, and Boyd Thompson, in an effort to secure the necessary amount. Also, Jerry Kirsten has pledged the full support of the athletic office staff.

These season tickets, good for all COP home games, sell for \$2.50. With nine such games already scheduled, the price averages out to about 28c per contest. And with such top notch competition as Fresno State, U.S.F., Santa Clara, and San Jose State already slated, good baseball would be assured.

Drive Chairman Barney Nelson, who has been putting in a great deal of time and effort to return baseball to Pacific, made it clear that every interested student should attempt to make some contribution to the campaign.

"Although PSA student body cards are all that is necessary to gain admittance (to the baseball games), student support is requested to further ticket sales," Nelson reported. "If anyone knows of a party interested in buying a season pass, please contact the athletic office or a member of this committee. All such efforts will be deeply appreciated."

"Frosh" In Charge At Welcome Dance Tonite

Welcome mats will be laid out tonight for old and new students alike at the "Frosh" welcome dance in the COP gym. The dance sponsored by the Freshman class is from 9:00 to 1:00. Music will be supplied by Jim Butler's band and the dress is informal. Admission is by privilege or student body card. So bring a date or come stag to the "Frosh" welcome dance. The dance is under the chairmanship of Larry Wells, Freshman class president.

PACIFIC WEEKLY

Geoff Thomas—Editor

Don Tafjen—Business Mgr.

Published every Friday during the College year by the Pacific Student Association. Entered as second-class matter October 24, 1924 at the Post Office, Stockton, California, under the Act of March 3, 1879.

MULDOWNEY STOCKTON

PASS THE PETITION

After much discussion and heated debate over the current athletic controversy, the smoke has lifted slightly and we are able to see a clearer view of what has happened. If nothing else, perhaps the passing of petitions and the bull sessions in the dorms indicate a trend toward much needed student interest in school affairs. It is seldom, at our school that an issue is met with such fervor as was this latest fracas. To say the least, it is a healthy sign.

But it is difficult to pass quite so lightly over a matter of such importance. It is possible that the end of the battle would have seen more harm than good accomplished. The complexity of the athletic situation at Pacific, especially from a financial standpoint, necessarily limits the judgment on the part of the average student. In such a situation it is not always easy to say that a question should be answered this way or that way, black or white. The Weekly lauds the spirit, if not the method, in which the petitions were offered.

LOYALTY

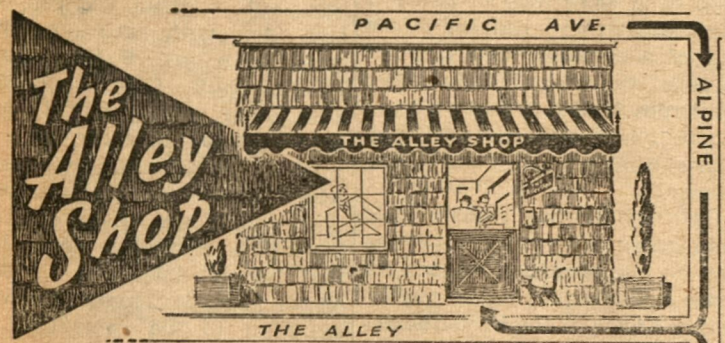

Among the time-honored traditions at Pacific, besides tuition fees, is one of loyalty to the College and its ideals.

Although the purpose of this paper is not to tub thump, and wave banners, we feel that it is appropriate to call the incoming students' attention to something besides fraternity dances.

Loyalty at Pacific is more than singing the second chorus of Pacific Hail.

It is the living of the ideal which has established and made the College of the Pacific what it is.

Letters to the Editor

Dear Editor:

The complaint has frequently been raised that there's "nothing to do." Each time this comment is registered student officers hasten to determine the validity of the remark. Sometimes, certainly, they find weak points in the social calendar. More often, however, they find weak points in the individual; that is, they find the individual is not availing himself of the opportunities which are offered him.

If a person is only broad enough to enjoy one type of activity — dancing, for example — then, undoubtedly, the offering of the social schedule will look slim. On the other hand, if a person has broad enough interests to enjoy a wide range of activities he will never have occasion to complain that "There's nothin' to do."

Some of the student-sponsored affairs that you may attend this spring are listed below. Remember that besides these there are all forms of private and commercial recreation available.

This semester you may enjoy three more basketball games, several track meets, PSA Opening dance, AWS Spring formal, WUS Carnival, Senior Ball, Band Frolic, Mardi Gras, A Cappella home concert, Orotorio Chorus, two major plays, several studio theater productions, Knoles lectures, school assemblies — all these activities for everyone. Beyond these there are the events sponsored by living groups, honor society groups, special interest club groups, and denominational groups. Aren't you glad you don't have to go to everything.

BILL SANFORD
PSA President

CAMP COUNSELORS, men and women, wanted for July and August, for CAMP ELDO-RADO, now in its 33rd year — chauffeur, life guard, practical or registered nurse, crafts instructor, cook, cook's helper, maintenance man. Camp experience not necessary. Non-smoker preferred. Address: DIRECTOR, Box 356, Palo Alto, California.

RANDALL PREVO

Wide Is The Path

We have been discussing the weakening of morals among us and this writer sees little reason for changing the topic. Our Chief Executive, failing to enlist the services of a proven honest and efficient attorney has resorted to the person of Attorney General McGrath, who should have been exercising his duties in a clean-up role long before this. Perhaps Harry thinks a thief can best catch a thief. But from our remote post it seems that Harry really doesn't want too much dirt exposed and the attitude of the American people seems to be "what we don't know won't hurt us." As if judicial morality wasn't stenchful enough, we now find a seemingly well founded movement in the Congress for the investigation of Supreme Court Justice Tom Clark. This latter "judge", while Atty. Gen. of the U.S. appointed the odious LaMarr Caudle to his lucrative post and carefully kept anyone from investigating him. Thus far, the only deterrent to the Clark investigation is the lack of a historical precedent. Then if one doesn't exist, create it now!

The willingness of the people to

tolerate fast and loose conduct on the part of their judiciary may partly explain the growing tension between the various religious factions in our country. At one time, for a long time, all of the church groups frowned upon vice. Now, if one becomes too stringent in its condemnation of immoral movies or too "religious" concerning public morality some other group quickly starts screaming "abridgement of constitutional rights."

Law enforcement agencies are stymied by minority bombings or religious bigotry in action, and we shrug our shoulders and ignore the rottenness thus exemplified in us all.

Of course, there is no easy explanation of our growing spinelessness, but perhaps it is connected with our phobia for "security."

No longer do our young people want a "fighting chance", rather they insist upon their "security", as if God created man with any kind of a guarantee!

We are not threatened by a change. We have had it!

Scholarship Opportunity For College Teaching

For students interested in college teaching, Dean Bertholf has a letter from The University of Chicago announcing the availability of ten scholarships of \$624 each to prospective college graduates who wish to study at The University of Chicago to prepare themselves for college teaching. No more than one applicant will be considered from the College of the Pacific. Dean Bertholf would like to have applications at his office so that a faculty committee can select the one name to be sent in as an applicant. Applications must be on file no later than February 15.

SOCIETY

Rushing Schedule

The Pan-Hellenic Council has released the Spring rushing data, procedures, and dates.

Eligibility questions have been discussed and decided. A woman student who has attended college for one semester and who has attained a "C" average is eligible to rush. Junior college women in their second semester before transfer into COP may rush also.

Monday, February 11 at 4:15 p.m. The pre-rushing orientation meeting for interested girls will be in Anderson Social Hall.

Wednesday, February 13 until noon Thursday, February 14, Girls may sign up for rushing in the dean of women's office.

Friday, February 17 from 7-9:15 p.m., Opening Reception.

Saturday, February 16, from 9-11:15 a.m., Brunch.

Sunday, February 17, from 2-4:30 p.m., Dessert.

Monday, February 18, from 6-8:30 p.m., Informal Dinner at Epsilon Lambda Sigma.

Tuesday, February 19, from 6-8:30 p.m. Informal Dinner at Tau Kappa Kappa.

Wednesday, February 20, from 6-8:30 p.m., Informal Dinner at Mu Zeta Rho.

Thursday, February 21, from 6-8:30 p.m., Informal Dinner at Alpha Theta Tau.

Monday, February 25, from 6:15 to 8:00 p.m., Preference Dinners.

Tuesday, February 26, 4:15 p.m., Houses will receive pledges.

NOTICE TO GRADS

June graduates' pictures for the Naranjado will be taken at the Don Wheeler Studio next week, Monday through Friday, February 11-15 for \$1.04. This is the only time these pictures will be taken.

Betroth of Jane Vance Told at Alpha Thete

On December 11 a white carnation, which remained on the piano at Alpha Theta Tau all that day, kept the girls in suspense about an engagement. At dinner they received the news of the coming marriage of Miss Jane Vance to Mr. Chris Campos. The news was revealed through a poem which was read by Mrs. Turner. The traditional song was sung to Jane although she was not present.

The bride-elect, the daughter of Mr. and Mrs. F. A. Vance, attended COP and is now in business school in Berkeley. Miss Vance is from Woodland and Mr. Campos is from Esparto.

Mr. Campos is the son of Mr. and Mrs. C. S. Campos also of Esparto and is a student at the University of California.

A Spring wedding is planned for Woodland.

Childhood Days at Epsilon Tonight

Epsilon's "Merry-go-round hits Kiddie Land" is set for tonight hours 9-12. The decorations will feature a miniature merry-go-round encircling the orchestra with lollipops and character sketches of fairy tales throughout the rest of the dancing room.

Chaperones for the evening include Mrs. Wellman (housemother), Mr. and Mrs. Tony Reid, and Mr. and Mrs. Irving Goleman. Fred Cooper's Combo will furnish the music.

The chairmen for this dance have been: General Chairman, Janice Nicholsen; Chaperones, Jane Wanmaker; Bids, Virginia Peyton; Refreshments, Barbara Bagalini; Orchestra, Donna Adams; and Decorations, Nancy Bailey.

The bids are appropriate to the theme, with a rocking horse on a merry-go-round against a scotch plaid background.

Coming Atrocities

By MARILYN ROBINSON

If you can get that good looking dreamboat of yours to take you to the movies tonight, by all means get on down to the Stockton theater on Pacific Ave.; "Distant Drums" are calling you! This Warner Bros. production stars Gary Cooper as Captain Quincy Wyatt leading his famous Swamp Fighters, the heroic rescue-band who fought through bottomless quicksands and man-devouring wilderness to free a captive beauty from its perils, turning the tide of the savage Seminole Indian War. Actually filmed in Florida's Everglades where cameras never penetrated before, this film is in color by Technicolor.

GUS KAHN STORY

"I'll See You In My Dreams" is currently playing downtown at the Ritz theater on E. Main. If you haven't seen this wonderful picture yet, now is your chance. With all its joys and all its melody and all its heart, comes Warner Bros. story of songdom's glorious Gus Kahn and the girl who put the love in his love songs. From Chicago's North Side where he started, to the Southland's lovers' lanes, and from the boulevards of Hollywood to the bright-lights of Broadway, his songs and his name are loved as few others are. He's the wonderful fellow who didn't know how to say "I

Love You" to his own girl, but wrote it in song for all of America's sweethearts. See it and come out singing such wonderful hits as "It Had to be You", "Love Me or Leave Me", "I Never Knew", "I'll See You in My Dreams", and many more.

GABLE AND AVA

Also on E. Main, at the Fox California theater, is playing "Lone Star" with Clark Gable and "Frankie's" newest bride, Ava Gardner. Co-starring with this wonderful twosome is Broderick Crawford and Lionel Barrymore.

Christian Science Discussed At Chapel

A lecture on Christian Science will be delivered Tuesday at 8 p.m. in Morris Chapel by Arthur Perrow, a Chicago healing practitioner. Sponsored by the campus chapter of the Christian Science Organization, the lecture is open to the faculty and students.

Speaking on the subject, "Christian Science: The Way of Present Salvation," Mr. Morrow is expected to illustrate how Christian teachings as understood in the Science can be used to cope with sickness, business problems, and human discords.

Tigers Drop Crucial To San Jose, 49-47

By CHATFIELD

Scoring the game-winning bucket in the last two seconds of the play, the San Jose State Spartans overcame a 10 point deficit in the fourth period and dropped the College of the Pacific Tigers in a basketball game played here Tuesday night.

After tying the score at 47-47 with three minutes to play, the Spartans went into a very effective stall which culminated with Duane Baptiste tanking the final basket just before the gun sounded.

Pacific's colorful guard, Gene Sosnick, who was high point man for the evening with 18, was injured early in the game when he suffered a deep cut over the left eye.

Rod Detrick, who is Pacific's leading scorer, was bottled up most of the game, but still managed to hit for 10 as did Jim Denton.

Skiers Prepare For Big Tresidder Meet

The Bengal ski team has been training extensively in preparation for the Tresidder Memorial ski meet at Yosemite next weekend. A practice session at Dodge Ridge Sunday showed that the team is progressing satisfactorily. Team Captain Rodger Wickman's fears of being shorthanded are being overcome by several new slat men trying out for the team.

The downhill race at Yosemite will be run over the famous Rail Creek course, scene of the 1951 National Downhill championships. Taking this into consideration, Wickman, who is also team coach, has been putting special emphasis on downhill practice.

Slalom practice was the main event on the schedule Sunday and the results were satisfying. Mike Franceschini, Bob Spickerman, and Barry Maynard are showing steady improvement in the tricky event. Much is expected from Maynard, although he is still recovering from an ankle injury received several weeks ago.

Elton Murphy, a member of the team two years ago, should be ready to go again after a year lay-off.

This weekend the team again heads for the High Sierras. Try-outs will be held to determine who will be named to the team for the Tresidder meet.

BASEBALL

Anyone desiring to participate in a sports carnival to raise funds for the varsity baseball team and Block P traveling jackets, please contact Barney Nelson immediately. Any sort of Athletic talent, such as boxing, wrestling, trampolining, etc., can be used.

Tentative date of the affair has been set for March 1, so it is imperative that all interested should make their presence known at once.

LOST watch, Elgin Delux, gold wrist band. If found please contact **Lorna Kirshen**, Pacific Weekly Office

Pacific Sports

tiger talk...

By KANE & WATTY

Spring, 1952 — and with it comes a troubled, though not entirely hopeless athletic program. Baseball is in a precarious financial position, and will be played only if sufficient funds can be raised. Coach Earl Jackson's track team faces a serious manpower shortage; so, too, does the Pacific ski team. Swimming is forced to operate on a greatly reduced budget. Spring football will miss the services of Coach Carl Jorgenson and numerous ineligible players. Basketball has lost forwards Lynn Engstrom and Jack Swartzbaugh. Each and every sport has suffered to some extent as we embark on the Spring semester.

Despite this greatly curtailed program, the new sports staff feels that there is ample material to provide a well rounded and interesting section for your reading pleasure. All suggestions for improving the sports department will be accepted, and appreciated.

As our first official act, we wish to acknowledge the excellent job done by Swede Warner in putting out the sports page last semester. We can only hope to approach the high standards maintained by him. Good luck, Swede, and thanks a lot.

The College of Pacific has reason to be proud of its football program nowadays—no less than eight Tigerville stalwarts were drafted by the professional football teams in their annual gleaming of college eligibles. Duane Putnam, Pat Ribero, Bill Kelley, Kever Jankovich, Eddie Macon, Tom McCormick and Wes Mitchell are the aspiring pros.

This total leads West Coast Colleges in the number of footballers taken up into "the big show". The University of California is a poor second — six Bears were chosen.

Tigers Blast Undefeated Nevada Twice Over Week End; Detrick Paces Attack

The underdog College of the Pacific basketball squad rose to the heights last weekend as they downed Jake Lawlor's Nevada Wolfpack by scores of 46 to 39 and 60-54. Both encounters were heated affairs, with the referees calling a grand total of 55 fouls on Nevada.

Friday night's game, wild and woolly as it was, found COP winning by accurate shooting from the free throw line. Pacific meshed 18 out of 26 tries while Nevada countered only 5 of 14. The Wolfpack led in field goals with 17 to COP's 14.

PACIFIC LEADS

The Tigers led at half time 24-17. Then with two minutes remaining and the Tigers leading 40 to 39 Coach Kjeldsen ordered a stalling game to kill the clock. Nevada, in a desperate attempt to recover possession of the ball, committed several fouls. Rod Detrick and George Moscone iced the contest with 2 field goals. Detrick was high man with 15 points, while Nevada's Dan Vidoich and Mert Baxter shared scoring honors with 12 digits apiece.

Saturday night Pacific made it 6 wins in their last seven outings and a seasonal record of 9 wins and 7 losses. The dope charts were upset once again as Pacific romped to a hard fought victory. The pattern of action was just as fired up as the night before, with 29 fouls being amassed against Nevada. Flareups between players and referees were frequent and at times the contest looked more like a football game than a game of "non-contact". Nevada for the most part had trouble in penetrating the Tigers' tight zone defense and sank the majority of their shots from beyond the foul circle. With 8 minutes left and Pacific on top 49-46 the Wolfpack began to press hard. The Tigers never did get another field goal but pitched in 11 points via the foul shot route.

DETRICK SCORES 19

Rod Detrick once again topped the scoring column with 19 points, on 5 field goals and 9 free throws. Gene Sosnick and Bud Watkins followed closely with 14 and 13 points respectively. Nevada was paced by center Roy Larralde with 14 points. Baxter was second with 11. Substitute

Veteran Mound Star Heads Baseball Squad

With arrangements for a two game schedule being made, the Tiger baseball team shapes up as a paper as a tough club to beat. A veteran mound crew and infield assures the potential for what may be one of the Tigers' finest squads.

From the defensive angle the club should give opponents plenty of trouble with Bud Watkins, Jack Sandman, Ed Cattuzza, and Frank Bevilacqua returning from last year's pitching staff. Capable and dependable John Noce will be on hand to complete the batter combination. A complete returning infield made up of colorful Bob "Gabby" Saucedo at first, Matt Equinoia at second, Bill Sanford at third, and John Kane short, should combine into a smooth working machine. The outfield will have Norm Shafer returning from last year's lineup along with several highly touted new comers fighting to fill the vacancies.

Arrangements are being made for a schedule of some twenty games that will include among others, California, Stanford, Fresno State, and San Jose State. The schedule, blended with a fine group of Tiger horsehide, should produce some real baseball for the avid fans of the area.

Cats Play Engineer Quint Tonight

Basketball with all its finesse and artistry comes to the Pacific Pavilion tonight when the Oakland Engineers, formerly the Blue 'n Golds, square off against our own Pacific Tigers.

Featuring some of the best amateur stars on the West Coast the Engineers have such boys as center Jim "Moose" Luscatoff, 6' 5" all-time University of California great. At one of the guards will be Bob Metheny, a six-footer who is reputed to be the best defensive man on the coast. Bob also made All-Southern Division of the Pacific Coast Conference in 1949-50 while he played for Cal's Golden Bears.

Ken Leslie, another six footer is a hustling guard who has seen service with the old San Francisco Dardi Dandies and the Washington Capitols.

At the remaining forward will be rough, tough Mike O'Neil who was a teammate of Matheny at Cal. The 6'4" drive-shooter excels as a rebounder and scores when the chips are down.

The Bengals will be fighting tremendous disadvantage both in height and experience, but the Cats can throw a front line in there that are fair rebounders themselves. Rod Detrick, 6'5" Bud Watkins, 6'3"; and Jim Denton, 6'3" are getting tougher with every game and they could make things plenty hot for the Engineers.

ROOM FOR RENT for college man, to share with another student. Linen and maid service furnished once a week. \$25 per month. 646 W. Sonoma Street.
