find described in Scribner's
 As to books on the subject
 you have all worth having.
 Go where you will, with
 or without guides, the
 loving soul will be filled.
 Good luck to you.
 I am yours truly,
 John Muir.

Martinez,
 Contra Costa Co,
 California,
 June 20th 1880.

Mr. J. C. K. Jones,
 Dear Sir,

I regret to say that I can-
 not send you the mountain
 articles you want. Copies
 of the Bulletin articles are
 not kept for sale for more
 than a week or two after the
 date of their publication. There
 are about 50 of them altogether,
 mostly on the Sierra & mount-
 ains of Alaska. Possibly you
 might find them on file in

some of the libraries. ²²

In Harpers Monthly for ~~May~~ Nov 1875
you will find an article of mine on the
glaciers of California, & for July, '77. &
Sep. '77 articles on the Snow Banners of
the Cal. Alps & on Mt Shasta.

In Scribners Monthly

on the Douglas Squirrel Dec 78.

" " Passes of the Sierra March 79.

" " Glaciers Meadows Feb 79.

" " Mountain Lakes Jan 79.

" " Excursion to Mt Ritter July 80.

Also by writing to John Carmany
No 409 Washington St, San Francisco you
may possibly obtain copies of old overland
containing my "Studies in the Sierra"
10 or 12 articles, which may be of use to
you.

I cannot say now whether I could
lead your party or not, but if you call
on me here I shall give you what in-
formation I can. Martinez is about 2.000
distance from San Francisco. The most
interesting portions of the high Sierra are
not accessible to animals. The passes you will
