Margie Lageson Is COP Representative To Berkeley Weekend Football Festival

Margie Lageson, pretty platinum blonde coed, who was selected by COP students to represent the school for the first time at the annual Berkeley Football Festival, September 19-20, has been entertained royally during the past week.

Along with her seven rivals for the title of 1952 Football Queen (Shirley Robinson of USC, Mary Durey of Minnesota, Ann Bowman of Pennsylvania, Pansy Jean Kidwell of Texas Christian, Ann Ridings of Oregon State, and Stephanie Rich of Utah) Margie has been conducted on an extensive tour of the Los Angeles area and flown to the Bay Area where she and the other hopefuls are the guests of the Berkeley Chamber of Commerce at the Hotel Claremont.

While they await the judges' decision, the football queen candidates have been making guest appearances on television and at club luncheons. Margie and Mary Durey of Minnesota may be seen shortly on the cover of "Fortnight Magazine". Out of this contest will come not only a queen, but probably a contract or two as television executives take a good look at these examples of feminine pulchritude.

Margie is a junior at COP, transferring from Stockton College with a home economics major. She is 20 years old, five feet three inches tall, and has an unusual attribute in that she is a natural platinum blonde. She is known throughout campus for her exceptional acrobatic tap dancing. She is active in theatre work, Orchestis, the national modern dancing society, and has been a football song leader. She is affiliated with Epsilon Lambda Sigma sorority.

Crowning of the 1952 Football Queen will take place at the Coronation Ball in the Hotel Claremont this weekend. The queen and her attendants will be part of the "Parade of Lights" in Berkeley this evening and will appear again tomorrow in a car caravan at the COP-Cal game.

"P" Cards Are On Sale At SC Barn

Jim Williams, PSA Treasurer, has announced that Stockton College privilege cards are on sale at the Barn on South Campus.

The \$3.50 card entitles Stockton College students to admission to all COP athletic and Social events.

Thomson-Francis Guide Weekly In 96th Season

Confirming the appointment of the publications committee and following an important meeting held last week, the Pacific Weekly staff for the fall semester has been chosen.

Sue Thomson will serve as editor of the Weekly. She has been a member of the Weekly Staff for the past three and a half years. Acting last year as managing editor, she has been reporter, club editor, and society editor during past regimes.

The position of business manager has been taken over by Jack Francis. He has also been a member of long-standing on the Weekly staff. Interrupting his college career to serve in the Marine Corps, Francis, nevertheless, was a reporter, copy editor, news editor, managing editor, and editor while a lower classman.

Four veteran reporters return to fill other staff positions. Gene Sosnick, who was a sports reporter last semester, is sports editor. Coralita Carlson, a former reporter, will serve as copy editor. Huberta Williams moves from reporter and exchange editor to news editor. Betty Jo Peterson, a reporter of several semester's experience, shares a double society editorship with Adrienne Knoles.

Three remaining positions — that of assistant business manager, circulation manager, and staff photographer will be filled by Jose Gonzalez, Estelle Gibson, and Bob Young respectively.

The Weekly could like to express a written appeal to any COP student who is interested in journalism and the workings of a campus newspaper to contact the editor at the Weekly office, phone 9-9121 or 3-2234.

Art Corra's COP Band Plans Intricate Routine

The College of the Pacific Marching Band starts its sixth season off with a bang this week end.

The seventy-seven piece band under the direction of Mr. Art Corra leaves this afternoon at two for Berkeley where they will take part in Cal's annual Football Festival parade tonight. The half-time activities at the Cal-COP game tomorrow afternoon will prove to be very interesting.

With a general football theme the band will use a total of six formations. Marching onto the field to the tune "Hallelujah" the band's first formation will be two bells and the tune "School Days." This is for the opening of the Berkeley school which opens Monday. From the two bells the song, "You've Got to be a Football Hero" will be played as the band forms King Football, a football with a crown on it.

The next formation will be a dancing man with the tunes "Penguin at the Waldorf" and "Five Foot Two." This is in honor of "Pappy" Waldorf. From "Five Foot Two" the band will swing into "There's a Great Day Coming Manana" and form a flower pot. From the flower pot will grow a question mark which will change into a rose to "One" (Continued on Page Three)

55,000 Will View Football Season Opener As COP Clashes With Cal

By GENE SOSNICK

The football fever has been rising steadily on the Pacific campus and it will come to a climax tomorrow afternoon at 2:00 p.m. in the California Memorial Stadium. There will be an expected forty-five to fifty-five thousand people on hand to view the opening of the current 1952 gridiron season. This will be the ninth meeting between Cal and COP. The

series stands at Cal six wins and COP two, however Pacific has won the last two out of three.

Lynn "Pappy" Waldorf is boasting the best team in his coaching career under the blue and gold banners. Cal's strength lies mainly in its thunderous backfield, which features All American fullback J. Olszewski, halfbacks Bill Powell and Don Johnson, and tricky Billy Mais. The golden bear forward wall is very potent with such standouts as Dutton, Curran, Perry, Krueger and Ellis.

Bill Powell and Don Johnson, and tricky Billy Mais. The golden bear forward wall is very potent with such standouts as Dutton, Curran, Perry, Krueger and Ellis.

Experts pick California over COP by at least 21 points, but the Jorgemen differ in opinion.

The Bengals are at full strength with no injuries and the team spirit as high as a kite. Coach Ernie Jorge feels this is the year for Pacific with such seasoned veterans as McCormick, Delavan, Fairchild, Kelley, Johnson, Mitchell, and Berndt forming the nucleus of an excellent team on paper. We all feel that tomorrow will unveil the upset of the young season.

COP will be clad in their new white uniforms, trimmed in orange and black on the sleeves and shoulders with black numbers and jet black helmets. Cal will be wearing their perennial dark blue jerseys with gold numerals and gold pants.

The band will be on hand, 77 strong, to provide some real music for the spectators. The band will be under the direction of Art Corra, student at Pacific last year who has taken over the job vacated by Pop Heisinger.

Don't forget your rooters caps, white shirts, and iron lungs.

Peckenpaugh Is New Rally Commissioner

Horton A. Peckenpaugh has been nominated by the senate to replace Al Raines in the capacity of COP Rally Commissioner.

Raines, who suffered serious injuries in an automobile accident during the summer, is still unable to return to school this semester. So it has been up to 'Peck' to plan in a little more than a week for the Cal game and Quarterback Club rallies held yesterday and to start the wheels turning for all the rallies of the football season.

Believing that "promoting cheering and spirit is one of the most important jobs at school," 'Peck' has the future schedule (Continued from page 1)

President's Reception Is Early Social Success

Arrangements made by Miss Harriet Monroe, Dean of Women, Mrs. R. A. Brady, Director of Residence, and Miss Alice Saeker, secretary to the college president helped turn the President's Reception Tuesday evening, into an occasion well worth remembering.

Dr. and Mrs. Robert Burns were in charge of the receiving line and several people on the administration board assisted.

As head of entertainment, Dean John G. Elliot asked Suzanne Farris, violin, Joyce Milne, cello and Laverne Caton, piano to play the background music.

Several members of the faculty acted as host and hostesses with the able assistance of the Knolens, senior women's society, consisting of Donna Gebhart, Janice Comstock, Ione Cunningham, Helen Flaherty, Jeanne Hardie, June Hook, Jeanne Lenfest, Irene Marks, Sue Thompson and the Blue Key, Men's service group, consisting of Bob Steres, vice-president of the student body, Pete Schneider, Dick Batten, Burt Delavan, Don Jessup, Jim Lewis, Earl Flegal, and Ed Kahn.

Pouring was done by Mrs. L. O'Bryon, Mrs. W. Niven, Mrs. W. N. Potter and Mrs. C. C. Olson.

Geoffrey Thomas, P.S.A. president, with the help of Sue Billups, P.S.A. social chairman, took care of the job of introductions.

The faculty women helped serve refreshments arranged for by Miss Etta Handy.

Credential-Seekers Have Early Hurdles

All teaching credential applicants, elementary, secondary and special are urged to make appointments immediately with the Speech Department, in Bannister Hall for the required speech test.

This requirement needs to be met before meeting the respective credential committees later this semester. The last day for the tests will be on Tuesday, September 23.

Another item that needs immediate attention is the A.C.E. test being given on Thursday, September 25 at 11 a.m. in the Conservatory. This is given to all teaching applicants, Elementary, Secondary and Special and needs to be met before appearing before the credential committees.

Debaters Invited To Attend Meeting Tues.

If you are interested in forensics, you are urged to attend the opening meeting of the debate team, Tuesday, September 23, at 7:30 p.m. in Bannister Hall. This general meeting will be held to discuss plans for the year.

Another item on the agenda will be the debate question, 'Resolved: The Federal Government should pass a Fair Employment Practices Act.' Dr. Jacoby will give the background of this question from the sociological standpoint.

Members of the men's debate team are: Jim Lewis, Frank Stoltmann, Leon McGarrah, Pete Schneider, Bud Sullivan, Merl Spencer, and Sheldon Nicolayson.

The women's debate group will be a new group comprised of Pat Drake, Betty Jacinto, Dorothy Herman and Dorothea Anderson.

These teams will participate in northern California and other collegiate tournaments. Culmination of the year will come with the Pi Kappa Delta tournament and convention during spring vacation.

Song and Yell Leaders Chosen Last Week

New song leaders and yell leaders were chosen according to the provisions of the PSA constitution, at a Senate meeting Monday night following the try-outs held in the Conservatory.

Three freshmen girls from Bakersfield, Betty Adams, Shirley Johnson and Virginia Rexroth, and a junior transfer from San Diego, Sharon Kelly, were chosen from a field of eighteen to be the song leaders.

Jim Bovero, one of the Pacific yell leaders last year, Paul Marit-sas and Dick McNally, who have both had previous experience at other schools, were picked as yell leaders. The fourth candidate for yell leader, Lloyd Homer, was retained as an alternate to help with Quarterback Club activities and some of the other extra duties in which the yell leaders are asked to participate.

There was a much larger turnout this year to watch the try-outs, and Rally Commissioner Horton Peckenpau commented, "We were very pleased with the attendance and feel that it is an indication that the student body is really going to be wholeheartedly behind the PSA activities this year."

Knolen's Datebook On Sale This Week

COP students may now jot down and keep their social engagements and special dates straight.

Knolens, the senior women's honorary, has printed a date book for that express purpose. Listing all the important events on the COP social calendar, the datebook is notched to fit handily in any type binder.

The attractive book may be obtained from Knolen's members

Pre-Game Activities For All Home Frays

Continuing a practice of past seasons, the College of the Pacific Office of Special Events will present this fall colorful and entertaining pre-game activities for all the Tigers' home football games.

Creating a new policy, however, the office will devote half-time period activity to the COP Marching band and to the student body rooting section alone. The policy will be followed this season and in the future, the office announced.

Since more recognition and the added time will be devoted to the Pacific student body during the home gridiron events, the special events department will more than welcome any students who care to assist or participate in the programs, Bob (Swede) Warner declared.

Warner, a COP graduate last June, is director for the special events, with Ted Tiss serving as his assistant.

In addition to the entertainment and special activities during the football contests, Warner announced, the department will organize and present the annual COP homecoming parade on October 18.

All students — freshmen, sophomores, juniors and seniors — will be needed to help in the "big parade," he asserted.

Students interested in any of the special events programs, as participants or behind the scenes helpers, should contact Warner or Tiss in the Athletic office in the gymnasium.

Frosh Found Guilty At Kangaroo Court

Last Monday night the sophomores and upper-classmen held court for the recalcitrant freshmen.

The Kangaroo Court, held in front of the dining hall, was carried on according to strict Parliamentary Procedure.

Larry Wells, who was in charge of the court, acted as the official judge. The jury was selected from members of the sophomore, junior, and senior classes. Members included Carol Agajan, Bobbie Andress, Barbara Baglini, Barbara Bliss, Gene Ronteen, Rene Couchot, Al Pickering, Sue Billups, Dick Batten, and Tom Pollicito.

The purpose of the court was to punish those frosh who had strayed from the Frosh Commandments. Verdicts given were imposed in order to serve as a warning to all freshmen to straighten up and mend their ways.

Ed. note In retaliation the frosh have hideously defaced the senior rock. Does this call for stricter measures?

who are selling them in most of the living groups on campus or from the college book store. The price is still 25c.

Director of Radio Pacific Returns

Mr. John C. Crabbe, director of radio at Pacific, returned this year after completing his studies at the Ohio State University.

Bringing distinguished credit upon himself and Pacific in his important role as assistant to the director of the 22nd Institute for Education of Radio-Television, Mr. Crabbe assisted Dr. I. Keith Tyler in planning this institute which concluded at the close of last year in Columbus, Ohio.

As president of the Association for Education by Radio-Television, Mr. Crabbe presided over the group's luncheon meeting where the Honorable E. M. Webster, a member of the FCC, was speaker. Mr. Crabbe conducted the business sessions of the A.E.R.T. and will continue as president for the coming year. In the role of membership in the Board of Directors, he assisted greatly in the work of Alpha Epsilon Rho, the national honorary radio fraternity. At the concluding session, Pacific's own AEO was invited into membership of that organization. One of the highlights of the institute was the closing annual dinner. Planned by institute director Dr. I. Keith Taylor and Mr. Crabbe, was a demonstration of the Standard Hour and the Standard School Broadcast.

Mr. Crabbe continued to produce the Ohio State University Forum on WOSU, the University of Ohio's radio station. In the field of television, he produced a program three afternoons a week in cooperation with the Fine Arts Division, besides conducting a successful series of telecasts, as host, with outstanding men from the University of Ohio Medical Center. Upon conclusion of this last series he began a morning series of news telecasts five days a week.

As climax to this outstanding year, Mr. Crabbe was one of 20 selected consultants from the nation at a meeting called by the American Council on Education, held at Pennsylvania State College. Milton Eisenhower, president of the college, was host to 60 educational leaders and the consultants, who discussed what states could do with educational TV, or a related national TV network. The meeting also included demonstrations of TV equipment and shows.

Mr. William Ramsey, assistant director of radio at Pacific, will commence a year of absence from Pacific, to work on a doctorate degree from Ohio State University.

Education Majors Take Speech Tests

The halls of the Speech Department are bustling again as the Education majors take their required speech tests.

To some this may appear to be quite an unnecessary ordeal, especially if they find that they have to take a class to improve their speaking. However, these tests are definitely for the benefit of the prospective teachers, as the Speech Department heads would like to stress. Obviously a good speaking voice for a teacher is a positive and almost necessary asset.

These tests are set up through the courtesy of the Speech Department so that a student may have a chance to improve his speech before he enters a profession where it would be difficult to acquire such training. These tests have been in progress Wednesday, yesterday and today.

Students May Enter Annual Poetry Contest

All college students are cordially invited to submit original verse to be considered for possible publication in the Annual Anthology of College Poetry.

This is the Tenth Annual College Competition. The recognition afforded by publication will reflect definite credit on the author as well as your school. Over a hundred thousand manuscripts have been submitted to the National Poetry Association in the past ten years. Of these, about four thousand have been accepted for publication.

Rules for the competition are as follows: manuscripts must be typed or written in ink on one side of a sheet, student's name, home address, name of college and college address must appear on each manuscript. Students may submit as many manuscripts as is desired to National Poetry Association, 3210 Selby Avenue, Los Angeles 34, California. Theme and form may be in accordance with the wish of the student contributor. In order to give as many students as possible opportunity for recognition and because of space limitations, shorter efforts are preferred.

New Art Prof. Is Finger-Paint Specialist

Miss Margaret St. George, Art education professor from the University of Minnesota, will replace Mrs. Helen B. Dooley Hodgins as Associate Professor of Art in charge of Art education at the Pacific Art Center for one year.

Formerly Miss St. George taught at the University of Denver, the University of Southern California and Mount St. Mary's College, Los Angeles.

Currently there is an exhibition in the Pacific Art Center of the new professors' finger paintings. She explains that finger painting began in the most natural way when a little boy in the School of American and English children run by Ruth Faison Shaw in Rome was sent to put iodine on a scratched finger. Much later he was discovered in the bathroom blissfully absorbed in decorating the door with fingers dipped in iodine.

Smearing with hands is a primary impulse with children — a way of having fun and learning. So Miss Shaw compounded a suitable paint in a variety of colors — very like colored mud. Since then Miss Shaw has become famous as innovator and demonstrator of Shaw fingerprints.

Miss St. George studied with Miss Shaw in 1933 in New York. Since then the medium has become her relaxation and creative outlet for pleasure. The paintings will remain on exhibit until September 26. The Pacific Art Center is open daily except Saturday and Sunday from 8 to 6 p.m.

Young Adam wandered around the Garden of Eden before a rib became Eve. To his amazement he encountered an old man. "How did you get here, and whence did you come?" ejaculated the First Man.

Player's Speech Found Important On Gridiron

The Athletic Department of C.O.P. has come to realize the great importance of good speech in the world — even out on the gridiron. Last season two up and coming quarterbacks were having trouble speaking positively and forcibly.

In the quarterback position the necessity of a confident, controlled and forceful voice cannot be stressed enough. Some of our very helpful professors in the Speech Department took on the job of working with these boys, helping them to develop their voices and correct their faults.

A glance into a practice room in Bannister Hall could often reveal a scene of teacher and quarterback calling plays in a most industrious manner.

All this hard work showed results, and the two boys who so conscientiously worked on their speech defects are proving to be the backbone for the quarterback position this year.

set for night rallies, two theatre rallies, and a big bonfire rally. He plans for a compact working committee of seven to carry the brunt of rally arrangements and then a large group of workers for the block projects — like decorations, card stunts, and car parades. To that end he has appointed Harry Fialer as his assistant.

One of his innovations is the 20-piece COP rally band, which was heard at yesterday's rally. The band, under Art Corra and Jimmy Butler's guidance, will be a regular attraction at all rallies.

Peck is a senior majoring in Economics. He is affiliated with Alpha Kappa Phi and has been Commissioner of Organizations and a member of the Senate.

This is Mr. Corra's first year as the College of the Pacific Band director. He has arranged music for the marching band for the last five years while he was a student here at Pacific, so he comes well prepared for his job. He follows Mr. Harold 'Pop' Heisinger who is now the supervisor of all instrumental music in the Stockton City Schools. The band members are looking forward to a very successful year under Mr. Corra's direction.

Intramural Athletics

The chance for every able bodied man to participate in competitive sports begins again with the start of College of Pacific's well-organized Intramural athletic program.

Intramural sports provides chances for every living group, organization, or just a gang of guys to compete against one another for highly regarded and sought after trophies. All COP students will be eligible with the exception of those who have varsity letters in the sports offered on the Intramural program.

Probably the most popular sport offered on the program is touch football. During the past seasons a high degree of competition has developed between the various living groups and this has brought about some highly interesting games. Last year's champs, Rhizomia, should come up with another strong club as most of last year's team is returning looking for another championship.

A managers meeting for touch football will be held Monday, September 21, at 4:15 to determine the number of teams entering and to draw up the schedule.

LOOK FOR UPSET IN BEAR TOWN COP ... DAVID CAL ... GOLIATH

By JIM PICKERING

What is generally regarded as the "underdog" story of all time may be in for a modernization. The re-enacted story would of course be the one concerning David and Goliath. The modern version will pit 'David' Pacific against a 'Goliath' University of California. All of the ingredients are on hand for the re-casting of that famous drama. The challenge has been flung, the site selected, and the abilities of the present 'David' properly questioned, and doubted.

The site, U. of California Memorial Stadium, Berkeley, California. The time, two o'clock, Saturday afternoon, 20th of September, 1952.

Let's examine the abilities and potentialities of the participants. First, the modern "Goliath."

If pre-season publicity means anything, the very best that any of Cal's scheduled opponents could do would be to cancel their games with the Berkeley Bullies. The information leaking out of the den of the bear seems to indicate that this year's team could rank as the best ever to wear the blue and gold. Ranked by various observers in positions ranging from 4th to 8th in national standings, many old blues would argue that they deserve no less than first. And they have some mighty good arguments to strengthen their convictions.

For instance.

The wealth of football material found on the U. of California campus would astound and confound the average college coach. (In fact, that may be exactly what it does to one Lynn O. Waldorf, but more of that latter.) With 28 returning lettermen, reserves up from the Rambler squad in force, and numerous Junior College transfers, plus young but willing sophomore personnel from last year's freshman team, Pappy Waldorf has unprecedented depth in all positions. Add to this such men of outstanding ability as Johnny O. (Olzewski), Ralph Kruger, Bill Powell, Bob Karpe, Billy Mais, Paul Larson, Gerald Perry, and others too numerous to mention in the limited space we have here, and you have a team with a seemingly unlimited potential.

But that seemingly unlimited potential may be a real source of trouble for Pappy Waldorf. All week long Pappy has been bemoaning the fact that he is having trouble separating the men from the boys. His job is complicated by the fact that he actually does not know a great many of his prospective varsitymen. As he is so willing to point out, how then is he to mold a compact and effective unit from so many divergent components? With 90 some odd men out for football, and all doing their most to im-

press their coach, Waldorf has divided them up into something like five teams. Each team has been working as a unit, with little intermixture with the other units. The result is most inevitable. Unfamiliarity with personnel has slowed up Cal's practice.

It has also cost the team a certain amount of confidence themselves. A team, to be an effective unit, must know itself. It must be able to adjust itself according to the personnel on hand and to meet each situation with the confidence and poise born of a thorough knowledge of its ability. With a team of this size, Pappy has a Herculean task to perform. He will be doing well to reach an organized position before his third game. He will certainly have a tough time in his first game. With all of his 'stars' on hand, he could experience defeat just as Goliath, with all of his size, couldn't adjust himself to David's sling.

And therein lies Pacific's greatest hope. Coach Ernie Jorge, while working with limited personnel has at the same time, been working with a highly mobile unit. He is well versed on the individual abilities of his players, and able to call up the names of each man in every position. Add to this the greater amount of confidence a team that 'knows itself' will demonstrate on the field, and you may see why the Tigers have some hope of acquitting themselves with credit this coming Saturday.

Enough of generalities, now for some particulars. With an offensive team composed of Ellis and Hood at ends, Karp and Kruger at tackles, Edmonston and Dutton at the guards, Hahn at center, Mais at quarterback, Powell and Johnson at the halfbacks, and Johnny O. at the fullback post, California will present a dangerous threat. The line is big and capable, and that backfield is big, quick, and consistently dangerous.

Defensively, Cal is said to be equally strong. Presenting a lineup of Stellevorn and Hanifin at ends, Maserve, Brooks and Perry at tackles, Glick and Norris at guards, Dimeff and Hazeltine as linebackers, Talley and Marks as defensive halves, and Wilsey at safety, this team seems to be shorter on experience than Cal's offensive unit. Inexperienced defenses are prone to make mistakes. And mistakes against an offense like Pacific's is often fatal. Cal's offensive team will average 196 lbs. Their defensive team will average 196. Match this against Pacific's offensive average of 201 lbs. and defensive average of 197. Obviously, if size is to be the determining factor, Pacific has more than a good chance.

Look for Pacific's strong defense to hold down Cal's erratic offense, and a strong California defense to slow up a fast and tricky Pacific offense. The result? Most likely a low-scoring game. Both teams threatening to go all the way, but neither team doing so with any consistency.

Prediction ...

Pacific's "will to win" will triumph over a ponderous opponent. (Only 11 men from a side can play at one time, and our 11 are better.) David again vanquishes Goliath.

The Score ??? Don't be silly, see you next week.

Pacific Ready For Battle With Cal; Pass Defense Highly Improved

By ED KAHN

With the last week of practice behind, our carnivorous Tigers have laid the plans which they hope to use in waylaying California's Golden Bears, who will attempt to use the Bengals as their first stepping stone to the Rose Bowl.

But after the opening kickoff tomorrow afternoon at Berkeley Memorial Stadium, the highly favored Bears will have to resort to every use of cunning to cope with our bear-hungry Tigers. Pacific has been waiting a long time for this one and they are not going to let it slip through their sharpened claws.

Offensively, COP has a seasoned forward wall, spearheaded by All-Coast nominees Burt Delavan and Harlan Berndt, and ably assisted by such giants as Wes Mitchell, Gordon Johnson, Bill Kelly, Jim Fairchild, and Bill Doshier. All these men have had at least one year's experience for the Tigers and are bound and determined to hold up against U.C.'s platoon system.

In the backfield, Pacific once again comes up with a strong All-American prospect in Tom McCormick. Starting at right half, Tom will be a prime factor in the Bengal's ground game, and will be battling it out with the Blue and Gold's Johnny O. for the spotlight of the top back of the day.

Dexterous Jerry Streeter will be at the helm and should prove quite competent at the job, leading either the ground or passing attack. When not busy directing T.D.'s Jerry will be back punting.

Pressing Streeter at quarterback is Skip Ottoson, whose passing should come in quite handy if the Tiger's running attack mires down.

Fullback Art Liebscher, fully recovered from last season's injuries, will carry the pigskin on those end sweeps, and may well steal the show from Olszewski or our own Tommy McCormick. Art will be trying to maintain his 8.0 yds. per carry he averaged last year.

With fourth down, two to go, on Cal's 15 yard line, keep your eyes on Henry Welsh. Hank is well remembered from last season when he was called on to pick up that needed yardage for

those first downs. He will also be the boy that will lay those key blocks sending McCormick or Liebscher on their ways.

Of course, the biggest question on the fan's minds, and even on the coaches is whether Pacific's passing defense will hold up this season. COP faces a better than average passer in Billy Mais, in this their initial outing. It's no secret that we need to improve our defense 100%, and Cal should provide an adequate test.

In order to cope with this glaring deficit, Pacific has come up with Al Dattola, transfer from the "Little Rose Bowl Champions," Pasadena J.C. At the other defensive half, we probably will find baseballer Tom Fallon, known for his fleetfootedness. Harland Berndt will be back as safetymen, one of the few reliables from last year's team.

Up front, Pacific is loaded with seasoned veterans: Burt Delavan, Fred Miller at tackles, Ed Griffiths and Don Goldstein at ends; and Lowell Herbert and Bill Kelley at guards. Backing up the line we find, Tom Cerceo, Ed Mendonca, and Joe Leonard. Actually, most of these positions are still undecided upon, as we find Dick Batten, Larry French, Cecil Harp, George Johansen, Wallace Barnard, Jim Conover, and Gene Wellman all giving the others a run for their money.

At any rate, Pacific receives the nod over Cal as to poundage and experience, if that means anything. With these new faces added, we might also find an added improvement in our pass defense. Let's hope so.

As far as opening games are concerned, College of Pacific has never been readier. The Tiger's

have worked hard, and will be in top condition, as they realize that no matter if they win or lose, they will be showing the fans whether or not they are ready for major league football.

At this writing, bookmakers are giving Pacific and 21 points; but you can figure the Orange and Black to give a much better account of themselves, providing, of course, that they hold up sufficiently against U.C.'s platoon system, and that they show drastic changes in their pass defense. Should Pacific do same, then be ready to jump on that ole' bandwagon, for the Orange and Black will be headed for another bowl.

PAPPY - ERNIE BRAINS BEHIND THE BRAWN

"Pappy" was born in New York and started his football career at Syracuse University where he graduated in 1925. He coached football in Oklahoma and Kansas until 1935 when he was appointed head coach at Northwestern University.

It was at Northwestern that "pappy" was recognized as a coach and Northwestern as a football power. Waldorf left Northwestern in 1947 to come to the University of California where he has remained. Here at Cal, "pappy" has produced, along with his many Rose Bowl teams, such great All-Americans as Jackie Jensen, Rod Franz, Les Richter and many others.

"Pappy" was quoted as saying, "I have much respect for the

College of Pacific Tigers," and we are looking forward to Saturday when we can show the Golden Bears why Waldorf has such respect for Pacific.

Coach Ernie Jorge—C.O.P.

Ernie is starting his second year as head football coach at the College of the Pacific.

He was line coach for Pacific for four years and has been credited with much of the Tigers' success. Ernie started his football career at Turlock High School where he won his letter in three sports, football, basketball, and baseball. From Turlock he went to Saint Mary's College to play three years of varsity football for the Galloping Gaels under "Slip" Madigan.

At the end of the 1937 season, his best season as a player, he was elected team captain and Most Loyal Player by the Gael team. Upon graduation from Saint Mary's he became football coach at Christian Brothers High School in Sacramento and in 1940 went to Modesto High where he stayed until 1946.

His Modesto teams were champs of the tough Sac-Joaquin football league for two years and in six years his team was never out of the first division.

Jorge is the fourth full time coach here at Pacific, following in the footsteps of "Swede" Richter, Amos Alonzo Stagg, and Larry Siemerling. On the football field Ernie is a stern master to his players who have great respect for him both as a man and as a coach.

When the time comes for the meek to inherit the earth, the taxes will probably be so high they won't want it.

Manor Hall had not elected their officers for this semester before the deadline of publication.

ZETA PHI ALUM IS BETROTHED

The members of Zeta Phi learned of the engagement of Betty Kingston and Howard Runion on September 11, Thursday, at a "Welcome Back" party at Betty's home here in Stockton.

The traditional candy was wrapped in individual boxes, each girl receiving one with a heart shaped card inside inscribed Howard and Betty. Other refreshments were served.

Those attending besides the Zeta Phi girls were Dr. and Mrs. Howard Runion, Mrs. Leona Thompson, housemother of Zeta Phi, and Mrs. Merrill A. Kingston.

Betty, daughter of Mr. and Mrs. Merrill A. Kingston of 68 Fargo, College of Pacific. She is a history major and had a minor in Physical Education. Having graduated from Pacific in January of 1952, Betty is working on her general secondary teaching credential which she will receive in January 1953. A member of Zeta Phi Sorority, she was social chairman of her house; a member of California Student Teachers Association and Orchestis.

The benedict, Howard E. Runion, is the son of Dr. Howard L. Runion of 1615 Middlefield, Stockton. Howard graduated from COP in June 1952 having majored in Zoology. Now a graduate student at Pacific, Howard is working for his Master of Arts Degree in Zoology. He was a member of Alpha Kappa Phi and Beta Beta Beta.

The couple's plans for the future are still indefinite but they hope to have their wedding in Morris Chapel.

WRA Begins Fall Activity Season

The WRA (Women's Recreation Association) began its season's activities with a picnic at Oak Park last Saturday in honor of freshman women interested in sports.

Swimming has been open to all girls from 4:30 to 5:45 p.m. on weekdays. This practice plus the interclass meet held this week has been designed to get the girls in readiness for a swimming sportsday to be held at Grant Technical College in Sacramento on October 11.

Officers for the fall semester are president, Shirley Haneburg; vice-president, Darlene Grenz; corresponding secretary, Donna Betz; recording secretary, Janet Baun; treasurer, Marilyn Peterson; publicity, Barbara Stanley; historian, Angie Gomes; and sports manager, Barbara Fortna.

WRA is open to every girl in school and not to P.E. majors alone.

Flaharty-Blomster Betrothal Told

The engagement of Miss Helen Flaharty to Nolan Blomster was announced to the girls of South Hall, the residence of the bride elect, by Bev. Borrer, who read a poem revealing the engagement at a housemeeting on September 10.

Miss Flaharty is a senior and is majoring in elementary education. Daughter of Mrs. R. I. Flaharty from Redding, California, Helen was president of Mu Phi Epsilon, Honorary Music Sorority; Vice President of C.S.T.A., California Student Teacher Association; a Knolen, Honorary Senior Women; and a member of the C.O.P. band.

Mr. Blomster, son of Mr. and Mrs. L. E. Blomster of Redding, is a graduate of College of Pacific and plans to attend Army Officers Candidate School. Nolan, while attending C.O.P., was a member of Phi Kappa Phi, Honor Society; Phi Mu Alpha, Men's Honorary Music Fraternity; Kappa Alpha Pi, National Fraternity; C.S.T.A. and the C.O.P. band.

Plans for the wedding are undecided as of yet.

Style Wise

By JACKS and ROBINSON

Crepe is the biggest thing in fashion this year. A girl just can't go wrong with a crepe creation included in her wardrobe for special occasions, be they sorority teas or dinner-dances. The shades to choose between are numerous, such as: brown sugar, cocoa blond, fashion purple, frosted pink, quarry bluse, and olivette.

Not long ago crepes were the merest whisper, when a few of the Paris houses introduced them in the Spring showings. Now they are turning up everywhere. However, you will find them less billowy and somewhat firmer than the crepes you know in the past. The new crepe fabrics are made with acetate. By its very nature, acetate fiber is simple. It bends, it yields, it eases under your hand — producing fabrics which drape magnificently. Acetate also gives them a remarkable tactile quality and a lustre which is handsome and subdued, and which is inherent in the fiber itself. By all means, include that important little crepe dress (or dresses) that will make your season!

Fashion tip of the week! For that flattering narrow waistline, we have just the thing. Just take a jaunt down on Pacific Avenue and ask about the new, wide, elastic belts now being featured as one of the new trends in fashions for the year. They come in a wide variety of colors including red, green, brown, black, mustard, tan, and many others. And listen to this — some of these new creations are strewn with a constellation of crystals, adding that extra bit of glamour for dressy occasions. Not only will these wide elastic belts add variety to your wardrobe but you will find that the prices fit nicely into your school budget.

Important Meet

Freshman Orientation will be continued Thursday, September 25, at 11 a.m. in the Conservatory. All freshmen are required to attend this meeting where psychological aptitude tests will be given. Other Thursday meetings for the frosh will follow.

Big-Lil Sisters Hold Lawn Party

Wednesday night new and old women students met for the annual AWS Big Lil Sister party. Each year the "Big Lil Sister Party" is presented in honor of the new girls at Pacific. It gives both the new and the older girls a chance to get better acquainted.

This semester the party as held on the lawn between West and South Halls with Janice Comstock as mistress of ceremonies. Each living group presented a skit which illustrated some of the rules of A. W. S.

The guest of honor was Miss Monroe who welcomed the new girls with a short talk. The house mothers were also introduced along with the new president of each house.

Refreshments were served; and most of the girls agreed that the Big Lil Sister Party was a terrific success.

Partisan Club Counts Noses

Holding a short business meeting this week in order to count noses and take stock of the way the selected service has lessened the ranks, the Pacific Partisan Club decided to reserve a special car on the Cal rooster's train for the remaining members and interested students.

The importance of a first game with a major football school makes it just the right occasion for Partisan members to wear their new "T" shirts and rooters caps. The extreme lateness of their arrival last year made it impossible to preview them at any COP game.

Plans were discussed for a membership drive campaign to start sometime this semester. An effort will be made to locate all historic Partisan films to provide educational entertainment for future meetings.

There being no more time, the meeting was closed.

CSTA Will Hold Meeting Monday

The California Student Teachers Association will have a very important meeting Monday, September 22 at eight p.m. in Anderson Social Hall.

All students who are interested are urged to attend. Guest speaker for the evening meeting will be Miss Mary Ball, Assistant State Secretary of the California Teachers Association. Refreshments will be served at the meeting.

Theta Alpha Phi Holds Annual Party

Theta Alpha Phi will hold their annual theatre party, Tuesday evening, September 23 from 7:30-9 on the stage of the Conservatory Theatre.

Everyone is invited to get acquainted with the drama department and last season's stars.

DOES THOUGHT OF PARIS THRILL YOU

What could be better or more wanted than a trip to Paris . . .

Prizes include: first winner, Fashion publishing, a trip to Paris and a year job with Vogue; second winner, a six months' job for Vogue; and third winner, a three months' job on Vogue . . . for these three and nine others a weekend in New York with a full-scale look-in on the workings of a fashion magazine (introductions all around).

If you don't win but are in the first hundred . . . prestige and immediate bait for magazine, publishing, advertising and retailing employers is well worth all the effort. If nothing else its experience plus extra credit in an off-campus course.

So you win . . .

So you win, someone has to and it might as well be you.

Next September you'll find yourself on a Monday morning at 420 Lexington Avenue with a slip of paper labeled "Indoctrination Schedule" and it is a set plan for the next six weeks.

The course varies from year to year but the idea behind it remains the same; you learn to get more of the gist of the copy room, merchandising department, photography or just the Vogue Studios — — — you get the feeling.

For an overall picture of the situation you first visit the Vogue Pattern Book offices to get the general idea of what is the final achievement in your long goal. Then comes a flourish of activities.

Beautiful Paquin originals with all the eloquence designed in good old muslin as it arrives from Paris — you even get a chance to see the artist sketch and you actually see the blueprint for a pattern being cut.

Then off to the fashion markets of Vogue or Glamour with several showings i.e. breakfast, luncheons, cocktail showings, all the hay days of the schedule . . . and it will all be held in Seventh Avenue showrooms and in hotel suites.

You'll meet the well-known models such as Patchett or Fonssagrives or maybe even some personalities as Jean Simmons or Henry Fonda.

COP Summer Theatre Sell-Out

"Very successful," is the term members of the Pacific Theatre staff use to describe the fourth summer season of the Pacific-sponsored Columbia Company at the Fallon House Theatre in Columbia, Calif.

The company of twenty-three, who hailed from various colleges in the U.S., had as its directors DeMarcus Brown and Anthony Reid from the Pacific Theatre. Mrs. Edith Moore, also of the Pacific Theatre staff, served as the hostess for the group.

The fact that there were 162 sponsors for this season's productions and the several "sell-out" performances indicate the interest shown in the group.

All housing is on your own but just think . . . your own apartment for a half a year or more with no one but maybe a roommate to help make life worthwhile. Although night life is always booming and you never lack for something to do you still might find time with extra energy to enter a class or two for added experience.

Where do you find all the details for entering this terrific contest? All details for qualification can be found in the August 15, December, and February 1 issues of Vogue.

Fraternity Rushing Signups Begin Monday

Signups for fraternity rushing will be held in the office of the Dean of Men beginning Monday and continuing until Thursday, October 2.

Open houses will be held at all campus fraternities Wednesday evening, October 1, and invitation dinners will be held at Rhizomia, Tuesday, October 7; Omega Phi, Wednesday, October 8; and Archania, Thursday, October 9. Preferences will be Friday, October 10 in the dean's office.

Requirements for rushing are that men must have at least high freshman standing and an accumulative grade point average of 1.0 or a 1.3 in the semester previous to rushing.

Be Brave, Young Frosh

It is the usual custom of the first edition of the Weekly to devote the front page to welcoming the freshmen and publicizing frosh events. However, due to school vacations and the sudden plunge into big football activities, we have had to skip over a week of news and plans.

President Burns has, Chancellor Knoles has, Deans Monroe and Betz have, PSA President Thomas has — each taken his turn to welcome you into the Pacific Student Association. Now, the Weekly would like to add its greeting.

This is Pacific's second year as a four-year college, but already it has built up a wealth of tradition and rules for frosh action and procedures. The ribbons, Tiger tags, and dinks are not employed for hazing alone; it is to give us upper classmen a chance to meet and get to know our new freshmen, and you, us.

The success and interest with which we continue our college career is born out of our first introduction to college as freshmen. COP's schedule of frosh orientation and related activities gives a starting push in the right direction.

If you feel kind of young as you look at those ancient seniors, or if at any time hazing becomes intolerable to you, you'll discover a magic phrase which pulled last year's frosh through—wait till you're a sophomore!

Anyway, we're glad to see you on campus. Every school thrives on a transfusion of new blood.

— S. T.

COP Students Unite

850 to 21,000. Those are the odds we face. 850 C.O.P. rooters against 21,000 Cal. students. The only possible way that we can overcome this great disadvantage is unity.

If we want C.O.P. to show against the sprawling monster at Berkeley, organization is the theme—white shirts and orange rooters' hats show well against the green stands at Strawberry Canyon—but only if **everyone** wears them!

Millions of people will be listening and watching for the results of a small, private school pitted against the mighty machine. Unity is the answer — yell like h--- together at Berkeley Saturday at 1:30.

MANY CELEBRITIES IN FOOTBALL PARADE

By Marilyn Griffin

All Americans galore! Friday, September 19, at 7:00, these former All Americans will serve as division marshals for the parade of lights. Some of the all-time greats will be Les Richter of University of California, Ted Beckett, University of California, Frank Wickhorst, United States Naval Academy, Fred Swan, Stanford, Pat O'Dea, Wisconsin, Harry Braddock, University of Pennsylvania, Bob Kientz, College of Pacific, and Craig McMicken, T. Everett May, and Clyde Devine, and John Watts, all of Oregon State.

This event officially opens the intercollegiate football season. "Youth on Parade," was chosen as this year's theme by the Berkeley Jr. Chamber of Commerce, who will sponsor the annual Parade of Lights.

One of the more glamorous highlights of the parade will be the eight campus queens' floats. Margie Logeson of Epsilon Lambda Sigma is our candidate. Thursday night William Lundigan will crown Miss Football of 1952, at the coronation Ball held at the Hotel Claremont, in Berkeley.

Our 77 piece band, directed by Art Corra, will march in the parade. The band will also execute some intricate stunts at half time.

It promises to be a great show, so we expect to see all of you Friday night at 7:00 in Berkeley for the Parade of Lights.

Students Oriented: Program Success

Freshmen and transfer students were introduced to Pacific through a successful orientation period this semester.

The new students were welcomed to the campus at the Opening Convocation by Chairmen Dean Betz, Dean Bertoff, Dean Monroe, and Geoff Thomas P.S.A. president. The Invocation was given by Dr. Painter, and the procedure for registration as explained by Ellen Deering, College Registrar.

A smorgasbord dinner and a picnic were held to introduce the new students to the old students. The committee for the smorgasbord was headed by Leslie Hanaford president of the Women's Y. Arrangements for the picnic, held at Louis Park, were made by Don Jessup, president of the Men's Y.

Sue Billups, P.S.A. social chairman, was in charge of the Mixer Dance held on Monday evening in the gymnasium. The freshman and transfer students were given a taste of Pacific spirit at the Tuesday night rally. Several yells and songs were led by yell leader Jim Bovero.

Those who participated in this year's Pacific Orientation feel that it was a definite success, and the new students now feel that they are really members of the Pacific Student Association.

Pre-Game Rallies Take Audiences

A pre-Cal rally, sponsored by the Quarterback Club of Stockton, was held last night in Hunter Square. Ernie Jorge, coach of the Pacific Tigers was among guest speakers.

Oskey of California came down to match antics with Tommy and Tillie Tiger. Songs and yells were led by Pacific's song and cheerleaders and a college quartet gave out with fight songs.

COP students are urged to attend town rallies such as this one.

Rally Commissioner Horton Peckenpaugh reports that Tommy and Tillie and COP song and cheerleaders performed to a responsive audience of Quarterback Club members at the club's Kick-off Dinner. The football team and Coach Ernie Jorge were guests for the event.

OCTOBER 3 SET FOR CLASS OFFICE VOTES

The primary election of class officers will be held on September 30 and the run-off will be October 3 as announced by the Student Affairs Committee this week.

Petitions can be obtained and circulated from September 16 through September 23. They may be obtained from either the Deans' office or the PSA office.

"The Student Affairs Committee hopes that all eligible students will take advantage of this opportunity to participate in the student government at Pacific," stated Don Jessup, Student Affairs Commissioner.

To be eligible to run in an election it is necessary to be a member in good standing of your class and the Pacific Student Association, to have at least a 1.0 grade point average, and to have your petition on the official form signed by twenty-five members of the PSA. (These signatures must not be duplications.)
