## Frat Rushing Suspends While Houses Mull Over Problem Of Alcohol

Repeated violation of the rule prohibiting the use of alcoholic beverages on the COP campus, has forced a suspension of fraternity rushing pending a satisfactory solution to the problem by the three houses.

It is to be noted that fraternity rushing has not been outlawed altogether, but stands awaiting a plan of positive action on the part of the frats to do away with drinking at their rush functions. The first solution, presented by the inter-fraternity council to the administration committee last Monday was unanimously termed unacceptable. Upon request, the inter-frat council has received an extension of time in which to present an acceptable agreement.

"The college administration," stated Dean of Men Ed Betz, "is not opposed to the fraternities. It desires to have men's living groups that reflect what the college stands for — ones that aren't isolated from the campus

## Eight Girls Compete For Campus Queen

Eight girls from the various living groups on campus are vying for the title of "Homecoming Queen of 1952."

The girls selected from each house to compete in the contest are as follows: South Hall, June Hook; West Hall, Renee Couchot; Tau Kappa Kappa, Louetta Salsa; Alpha Theta Tau, Lois Howard; Epsilon Lambda Sigma, Gail Housman; Zeta Phi, Jeannie Lenfest; Mu Zeta Rho, Sue Thomson, and Janice Marengo, Tau Gamma Sigma.

According to Barney Nelson, chairman of the contest, the girls will be judged on appearance, personality, poise, intelligence, and talent.

The queen will be crowned on the Friday night of the homecoming weekend.

for standards they prefer to maintain."

So pledging has been postponed, and rush functions are canceled until frats adopt a more realistic approach to the problem.

## SENIOR CLASS PLANS HOMECOMING DANCE

By MARILYN McCLURE

As we peer inside the Crystal Ball we see big plans being made for the annual Homecoming Dance a week from tomorrow night, October 18, at the Civic Auditorium.

Flying saucers and rocket ships will be flying around to blend in with the theme of Homecoming, "Pacific Views 2002."

Diane Strand and Toby Thornton, co-chairmen of the dance, are getting things well under way for what they hope will be a great dance. In charge of decorations will be the vice-president of each class headed by Diane Strand. Donna Horn and Claudette Wheeler are in charge of bids, and the publicity will be taken care of by Al Muller.

## Frosh Football Team Lacks School Support

By CHRIS De SARRO

Tomorrow there will be an exciting game between Santa Clara Frosh and COP Frosh teams.

The game will start at 8:00 P.M. and will be held at the Santa Clara Union High School located on the corner of Bellomy and Main Street. COP student body cards will let you into the game free.

Pacific boasts of a top notch freshman team which will be next year's varsity. Although Santa Clara is heavier than COP and has 44 men to our 25, we still feel

## Third Annual Homecoming Parade Will Reverse Route Giving Campus Last View

Chairman Chuck Tolhurst has come forth with some very interesting details on Pacific's Third annual homecoming parade.

As always, student help is very necessary. All interested students are asked to contact Chuck at Rhizomia, 2-9336. Without student help campus activities would not be a success. Boys are needed for division leaders and girls as bus directors in the transportation of the two sectional parade.

## All-Campus Barbecue New H'Coming Event

Plans are being formulated for something very different in the way of Homecoming events on next Friday, October 17.

There will be an elaborate barbecue behind the Greek Theatre at 5:30 p.m. All living groups will close their kitchens, and all students on the campus are invited to attend. Tickets will be given next week at meetings to all students living on campus; anyone else wishing admittance may do so by making a reservation in the dean's office sometime next week. Also attending will be Dean Betz and men members of the administration.

The song and yell leaders will give a few yells before dinner, and Jim Butler's five piece band will entertain during the barbecue.

Remember behind the Greek Theatre next Friday night at 5:30 for the all-campus barbecue.

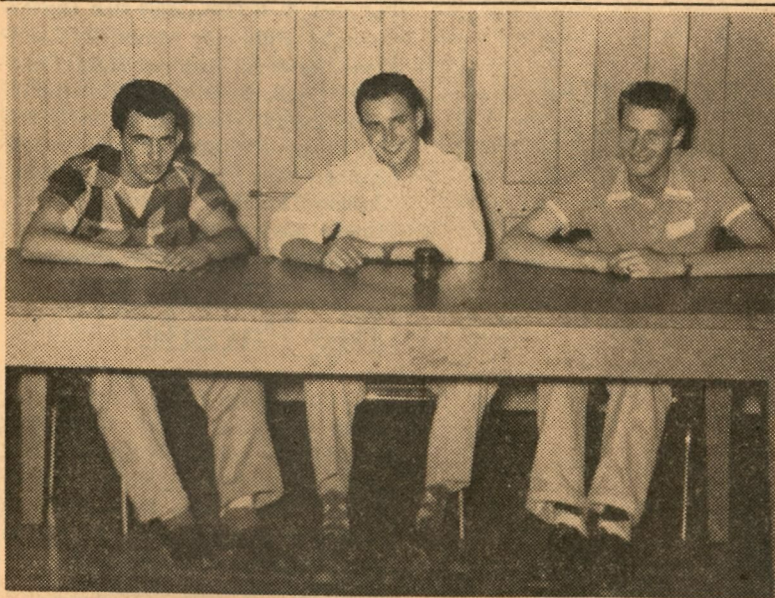

we will take the game, so come out to root for our flourishing freshman team and our next year's varsity members.

This year the route of the parade will be the reverse of last year. The parade will form first at Fremont Square and march to Weber Ave., over to Miner St. then to American St. It will run down Main St. where there will be a reviewing stand in front of the courthouse across the street from the Fox-California Theatre. The parade will finish at its original formation place then load onto buses to reform on Pacific Ave. and Madison St. It will begin its march down Pacific Avenue, where the reviewing stand will be located at Pacific Ave. and Tuxedo Ave. The parade will start downtown at 1:30.

Stockton Merchants have assisted COP in bringing many of the floats to Stockton for the parade. The majority of the floats will be outside the college, from such sources as the Chamber of Commerce, merchants, and industrial plants. Pacific itself is banding together for fewer but better floats this year.

Some of the known outstanding float entries are the Naval Electronics Drill Team from Treasure Island, which took first place last year, Dragonettes Drill Team

(Continued on Page 2)

Wielding the gavel on class affairs for the ensuing year are John Mossman, sophomore class president; Toby Thornton, senior class president; and Howard Sylva, freshman class president. Absent is Don Cunningham, junior class president, who is quaret practising for the Texas-Tech rally.

Tomorrow, Saturday, October 11, the club will participate in a swimming meet at Grant Technical College in Sacramento.

Hockey will be held every Tuesday and Thursday afternoon starting this Tuesday, October 14. Signs will be posted and more information will be released later about the hockey.

This club is open to all girls who are interested in sports and recreation and they are invited to attend the various events.

## Mu Zeta Rho and Tau Kappa Kappa Will Hold Joint Dances Tonight

### "SOCK HOP"

Mu Zeta Rho will hold their "Sock Hop" sport dance tonight from 9 until 12 p.m.

Guests will come attired in loud socks to dance or slide, as the case may be, to the music of Jimmy Butler and his combo. Decorations, as one might expect, will serve to augment and carry out the theme.

General chairman for the event is Yvonne Yearian. Working with her are Estelle Gibson, decorations; Betty Jacinto, bids; Jeanne Hardie, chaperones; and Janice Tarke and Sue Thomson, food.

Chaperones for the evening will be Mrs. Ruby Brimm, Miss Patty Pierce, and Mr. Art Corra and guest.

### "NOTES TO YOU"

Tau Kappa Kappa presents "Notes to You", a costume dance and their first of the season, tonight from 9-12.

Evelyn Schaffnit is General Chairman for the dance. Other chairmen are Nancy Kaljian, food; Louetta Salsa, decorations; Rosemary Beklian, bids; and Lilian Wilson, chaperones.

The chaperones for the evening will be Mr. and Mrs. Ingebo and Dr. and Mrs. Al Painter. Music will be furnished by Wayne Morrill and his combo.

### Mu Phi Epsilon Gives Music Tea

Mu Phi Epsilon, Woman's Honorary, will gather Sunday, October 12, from two to four p.m. at Alpha Theta Tau for a tea and musicale. This affair will be honoring all women music majors, who are invited.

The program for the afternoon will be Setzuko Sugihara, playing the piano, Gloria Peterson, singing; Doris Hitch, singing, and Caryl Mary Jones Scott, playing the flute.

Janice Comstock is in charge of the refreshments and Marilyn Robinson is in charge of the program.

### CHI RHO HEARS CITY JOURNALIST

Chi Rho will hold a meeting on Wednesday, October 15, at 7:30. It will take place in the faculty lounge, upstairs Anderson Hall. Everyone is cordially invited to attend this meeting.

The speaker of the evening will be Mr. Avery Kizer who is an editorial writer on the Stockton Record. His topic will be "Inside Journalism As Viewed By A Christian Editor."

Refreshments will be served after the meeting.

The plans for a Halloween Party are still being made by the club. The date of the coming party will be October 29. More information will be published later as to the Halloween Party.

### Pardis Has Contract For Yearbook Pictures

Naranjado pictures for Epsilon are to be taken Tuesday, October 14, in the PSA Senate room from one to six o'clock. Mu Zeta, Zeta Phi, and Tau Gamma are to have theirs taken on Wednesday October 15 at the same time.

The photographer will be Bob Pardis, who has his studio in Lincoln Village.

The price this year is \$2.00. It is a little more expensive, but this advance in price assures much more outstanding work. Pictures of the graduates in these houses will also be taken.

### CSTA Faculty Panel Discuss Nov. Election

The CSTA has scheduled a panel discussion for Monday evening at 8:00 in the Anderson Y.

Mr. Charles Hamilton will act as mediator on the topic, "What Teachers Expect of Candidates." Other faculty members taking part in the discussion are Dr. John Lewis, Associate Professor of Music; Mr. Edward Esser, instructor in Education; Miss Humbargar, assistant professor of English; and Miss Margaret St. George, assistant professor of Art.

Following the panel discussion, there will be a meeting to elect officers for the ensuing term.

### Nighties are coming up this Fall

This fall you'll be wearing something new in Nighties, new body scenery that would appear well in many a Boudoir. Favorites are big triangles of seersucker tweed fringed deeply and anchored with a giant safety pin. Nighties are a necessity in any one's wardrobe, married or unmarried. When a fellow chooses his nightie wisely it can be worn practically anywhere, whether to a dressy or a more informal affair.

The Fall Fashions are showing a varied array of styles in nighties this year. Any nightie that is becoming to you is bound to be accepted by the noted fashion experts. The nighties may either be full or slender. Take your choice. Very new is the molded hip line that breaks into fullness about the knees and narrows down to a sixteen inch bottom. For those preferring the fuller nightie (which, incidentally, seem to be most popular now) there are many styles to pick from, knife pleats set in panels, gored or flared, pleated bouffant, and fullness at the hips are a small example.

There is also a jacket designed to match your nightie to be worn by sleepwalkers in colder weather. The short jackets come with nipped in waist line and arched hipline which is the rage. The plunging neckline has also proved to be very practical.

Both night and day, on campus or off campus, plan to wear a nightie, and as a final note, have you seen the draped corduroy nighties? They're beautiful!

George Moscone, best dressed man on campus, was the first to have one.

### Staff Members Chosen For 1953 Naranjado

It looks as if the staff members of the Naranjado are all ready to put out another successful yearbook.

Editors Coon and Butterbaugh held a meeting last Monday in the PSA Senate room in order to get the names of students who would like to work on the book. Many new students attended, and the results of the meeting were quite successful.

Staff members for the 1952-53 season's Naranjado are the following:

Production editor, Margaret Hayes; Co-editors (also in charge of art), Bob Coon and Bob Butterbaugh; Publicity Manager, Luramae Sanders; Student Help, Corallita Carlson, Wilma Cornforth, Don Cunningham, Claudia Barel-la, Jeanette Olson, Jim Sherrard, Janet Ives, Barbara Ferguson, Janet Duncan, Alison Tucker, Bruce Shore, Huberta Williams, Marilyn Tough, Jerry Pickering.

## BENGALS DUMP TEXANS OTTOSON, McCORMICK SPARKLE

By ED KAHN

Brilliant Roy Ottoson provided the 15,700 fans with a masterful aerial circus last Saturday night as the Orange and Black downed Texas Tech, 42-21, in the initial home game at Pacific Memorial Stadium.

Fans cried "shades of LeBaron," as Ottoson completed 12 of 18 passes for 128 yards and 3 touchdowns, bringing the Tigers from behind in the third quarter and leaving the Raiders wallowing in the wake.

### McCORMICK NEARS RECORD

Another Tiger having quite a night for himself was Tom McCormick, who carried the pigskin 19 times for 126 yards, and caught 4 passes for sixty-seven yards more — a rousing total of 193 yards. In COP's first TD drive, McCormick, either directly or indirectly, accounted for 64 of the 78 yard advance, making 29 on 5 running plays and taking passes from Ottoson for 21 and 14 yards, the latter taking him to the 3 yard line. This brings Tom within 15 yards of equalling the all-time COP ground gaining record set by Broncho Bruce Orvis back in '46-'49.

### DELANVAN HURT

On the not-so-bright side, the Tiger All-Coast tackle, Burt Delavan, was sidelined early in the second quarter with a dislocated knee, and might finish the reason on the sidelines. But the Tiger spirit was bolstered by the fine job turned in by Dick Batten, substituting for the injured Delavan.

In the first half it looked as if the Red Raiders were going to make the sportswriters "eat" as their prediction of the game, as they scored almost at will against Pacific, to tie the score up 14-14 at the end of the first half. And then the Texans scored again in the third quarter on a 46 yard march, led by fullback Rich Spinks, and halfbacks Bob Cavazos and Don Lewis, to put the Raiders out in front for the first time.

But from here on out it was all Pacific: the Tigers came smashing back for sixty yards in six plays for the TD which tied the score, 21-21. McCormick led the attack with runs of 30 and 20 yards, and the ball finally being carried over by Hank Welch.

### PACIFIC WALKS AWAY

Al Dattola set up the next tally with a 39 yard return of a punt, putting the ball on the mid-field stripe. It took the Tigers seven plays to go the remaining 50 yards, which was climaxed by a spectacular pass from Skip Ottoson to Wes Mitchell in the end zone. Mitchell was being defended by three Texans, but Ottoson fired and Mitchell buried it in his belly to put the Tigers in front, 28-21.

## Intramural On Way Omega Phi Tops

The Middle House had too many guns for the Quonsets, as they trounced them 31-0 last Tuesday afternoon. The Phoos could do no wrong: turning two pass interceptions into TD's and passing over the goal for the remainder.

Other first round matches found a highly spirited team from the Science Department, Tri Bete, eke out a 6-0 win over Archania, pre-game favorites, and in a tilt played early last week, the boys from the Quonsets surprised a usually strong North Hall contingent by walloping them 19-0.

As it now stands, Omega Phi is the team to beat, but the Rhizites, beaten earlier by the Phoos 6-0, have been sending scouts to all frays, and when the two teams meet again the Eagles will never again have to say that they scouted them wrong.

Team Standings (not including Rhizite-Tri Bete and Archania-N. Hall)

Omega Phi	2	0	37	0
Tri Bete	.....1	0	6	0
Quonsets	.....1	1	19	31
North Hall	0	1	0	19
Rhizomia	.....0	1	0	6
Archania	.....0	1	0	6

This is a double round-robin tournament.

In the fourth quarter Pacific started marching again. Ebbie Meyers helped lead the Orange and Black on a 63-yard march. Ottoson, faking masterfully, pitched out to Soph fullback, Gil Ellison who went around right end for the score. De Cristofaro split the uprights for his sixth of six consecutive point-after-touchdown attempts.

Jerry Streeter, who averaged 42 yards on his punts, took over, and set up the last score. A plunge in the center of the line netted nothing, as the Tigers attempted to run out the clock. Jerry then faked a hand-off into the line and pitched a perfect 26 yard pass to Gene Wellman in the end zone. De Cristofaro kicked the extra point, and a few seconds later the gun sounded to end the game; Pacific winning 42-21.

## BILL KELLEY PLAYER OF THE WEEK

There were stars aplenty at last Saturday's victory over Texas Tech but it was center Bill Kelley's outstanding play that won the Player of the Week award.

Big Bill has been described by player and coach alike as the best all around center ever at Pacific.

Kelley, a Taft Junior College product, has played more minutes of football this season than anyone on the squad.

## Frosh Beat Chico Jacobs Stars

Bill Jacobs, the young quarterback from Redding, led the COP freshmen to a 37-7 win over the Chico State Jayvees last Thursday night at Chico.

On the first play of the game, left half Tommy Perry took a handoff and romped over left tackle for 68 yards before being pulled down on the one yard line. Roger Linn then put the Cats on the scoreboard with an off tackle smash. After marching to Chico's five yard stripe, the Bengals scored again on a pass from Jacobs to Perry.

### IN THE SECOND QUARTER...

With Jacobs still the engineer of the COP machine, it slashed its way to the two where Perry again tallied. Tigers 18, Chico 0.

The Wildcats come back to register a six pointer of their own when they took the ball on their own 15 and drove 85 yards to pay dirt. They converted and it was 18-7 at half time.

It was Jacobs to Perry again in the third quarter. This passing combination, combined with the elusive running of little Nathan Wills of El Cerrito, put the oval on Chico's goal line from whence Perry again scored.

### JACOBS AGAIN

In the fourth quarter Jacobs got into the act again when he

## Pacific Coast Football At A Glance

By GENE SOSNICK

Pacific Coast football representatives came through in fine style to outclass their eastern opponents in games last weekend. **EASTERNERS OUTCLASSED**

The Golden Bears from California boomed up in national rating to one of the top teams as they overwhelmed the Minnesota Gophers 49 to 14. The blue and gold machine of Pappy Waldorf has it this year and they should go all the way.

In another Big Ten vs. Pacific Coast tilt Stanford took advantage of a pass interference penalty and the Indians outlasted Michigan 14 to 7. Some think Stanford is on their way to another Rose Bowl but we doubt it; look for Stanford to drop three for sure.

### USC DEFENSE FLAWLESS

If the Trojans could develop a stronger offense to go with the best defense on the coast they will go through the '52 campaign undefeated.

Oregon State held their own against Michigan State, rated one of the nation's top three, as the beavers lost out by a margin of a field goal in the last minute.

### INDEPENDENTS

Hapless Santa Clara dropped their third straight last weekend. We can only say the Broncos were vastly overrated in pre-season writeups, however, their competition has not been the poorest.

San Jose State, a very underrated team beat Arizona State in a well played ballgame. The Spartans are recognized now as one of the top Independents; they have a good boy in QB Lynn Aplanalp. Heads up, Tigers!

COP moved up in the national ladder in knocking off the 1951 Sun Bowl Champs. The Tigers won going away as they again proved their power in the air as well as on the ground. It was Ottoson's passing and McCormick's running that highlighted the Bengal victory, and sent a fast Texas Tech eleven to the showers in low spirits. Look for a real contest come Homecoming.

scored on a quarterback sneak from the Wildcat three yard line, 30-7. The final COP score came when the Tigers huffed and puffed their way to the Chico seven and Jacobs flipped one to Roger Linn in the end zone. Byron Wildermuth kicked the Bengals' only conversion.

The Tigers gained a total of 411 yards in the air and on the ground compared to 208 for Chico and completed 9 of 16 passes. Saturday night the Tiger Freshmen go to the Santa Clara where they will do battle with the Bronco Colts. Game time at the Santa Clara High School field is 8 p.m.

### You Want Card Stunts

As the students on this campus made evident in a poll taken last semester, they want more football half and pre-game time allotted to student entertainment and stunts.

With this request in mind, a special rally committee headed by Tom Kaney has worked out, with a limited expense account, a series of intricate and elaborate card stunts for football half-time entertainment.

The first presentation of these stunts in the Valley Bowl last week recalled to mind the pandemonium of the Cal rooting section at the COP-Cal game, where hundreds of cards were spinning through the air before the stunts had ever been completed.

We waited, at least, until our performance was over. But then, ignoring all instructions and pleas from the yell leader and rally commissioner, we hurled the sharp-edged cardboard all over the section and out even into the field.

It should be common knowledge by now that a little boy and a woman were injured by the flying cards. The child had to be carried home from the stadium, while the woman received a gash over her eye necessitating four stitches.

Not discounting the seriousness of these individual injuries, students as a group suffered too from these pranks. The PSA allotted the rally committee just enough money for one complete set of the multi-colored stunt cards. Cards mutilated, damaged, or lost in aerial flight can't be replaced.

And in case anyone wonders, the money the PSA gave the rally committee for use in these special details came from student PSA card payment. It's our own money we're tossing away and losing on the stunts.

The rally committee promises to have an itemized list of proper behavior preceding, during, and just after the stunts on hand for the next home game. But —

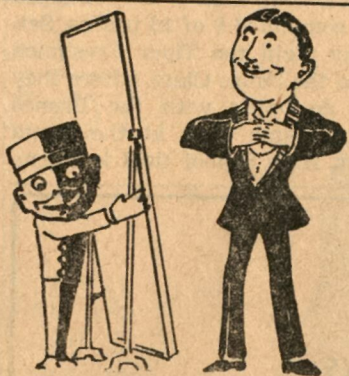

Unless the effort that goes into the making and presentation of card stunts can be supplemented by student good-will plus a small bit of mature self-control, the whole project will be scrapped and the time given over to entertainment from the outside.

## Homecoming Publicity Planned By Committee

The newly formed Publicity Committee met yesterday to discuss publicity plans for Homecoming. The committee is preparing posters for the Homecoming parade, dance, rally, and barbecue.

Anyone interested in helping with publicity for these events or other campus happenings may contact Al Muller at the PSA office. Members of the committee at present are Horton Peckenaugh, Don Jessup, Sue Billups, Ron Leineke, Chris de Sarro, Dan Thorton, and Huberta Williams.

No artistic ability is necessary. If you are willing to work, your efforts are needed. A meeting will be held next week at a time to be announced later.

## H'Coming Convocation COP Grad Will Speak

Homecoming Convocation is scheduled for Thursday, October 16, at the eleven o'clock assembly hour. Dean Malloch will be the guest speaker.

Dr. Malloch, Dean of the Episcopal Cathedral at Fresno, is a nationally known figure in interfaith groups, having worked especially in the Fresno area with the Jewish, Catholic, and Protestant groups. He is a former College of the Pacific student and a very outstanding speaker. He will base his talk around the general Homecoming theme.

## Air Force, Navy Recruiters Visit

USAF

The United States Air Force will have a team of recruiters on hand October 13th and 14th in the Administration Building lobby. Students who are interested must be between the ages of 19 and 26. They must have completed 60 semester hours and be in top physical condition.

Applicants for cadet training are sent to Parks Air Force Base, Pleasanton, California, at government expense, for testing. If they qualify they receive a four-month draft deferment, during that time they will receive their class assignment for training. They may accept the assignment, postpone it or refuse it, without any obligation to the USAF.

U. S. NAVY

A recruiting team from the U. S. Navy will be in the Administration Building lobby on Oct. 13th and 14th. They will be here to answer all questions concerning commissions in the naval service. Students who are between the ages of 19 and 27 and who are within 120 days of receiving their degree can, if they are physically fit and pass the Officer Qualification Test, be considered for unrestricted line or staff commissions. Restricted commissions are given with the same qualifications, only the age is extended to 33.

If the person fully qualifies, he will, upon graduation be sent to the Officers' Candidate School at Newport, R. I. Upon completion of the four month training course, he will then be placed on active duty for a period of three years.

## Letters to the Editor

Editor of the Pacific Weekly  
College of the Pacific  
Stockton 4, Calif.

Dear Sir:

There are several Pacific graduates attending Seminary here at the Pacific School of the Religion — Jim Corson, Tom Wogaman, Doris Hartley, Floyd Marker, Bill Porter and myself. I'd be very grateful if you would send me the Pacific Weekly so that we may keep up on the activities of our alma mater.

After the Cal-COP game I saw quite a number of my Pacific friends. Everyone was very enthusiastic about the spirit on the campus this year. Rallies, I hear, have been tremendous. The chapel, they tell me, has been full. The student government is doing an excellent job. I'm delighted to learn that everything is going so well. The people who are responsible certainly have my congratulations and best wishes for continued success. Pacific's terrific — there's no doubt about that! Thanks very much for the favor.

Sincerely,

BILL SANFORD

It is one thing to be happy over a football victory, such as was ours last week, but it is another thing to become forgetful.

Although we were told to hold our stunt cards, some students paid no attention and began throwing them about. The result was that two persons were injured. One had to be taken to the hospital and have four stitches taken above her eye. It seems to me that this should be a lesson to us all. After all, hollering won't cause injury, and it is a lot more effective.

As long as I am on the subject of the football game, this matter of hogging seats should be rectified. Some students were holding as many as ten seats. The rows are supposed to be filled one at a time. In this manner the rooting section will be complete, and it saves embarrassment on all sides.

Sincerely,

H. H.

## Stockton College Plans For 'Jubilee' Weekend

Today marks the beginning of the Stockton College Jubilee. A rally was planned for this morning out in Baxter Stadium at which the queen and her two attendants will be presented to the SC student body.

Saturday's events include the parade downtown at 2:30, and then the big Masquerade Ball at the Civic Auditorium from 9 to 1 o'clock. The queen and her attendants will be introduced and prizes will be awarded to the couples wearing the cleverest and best costumes. The music will be furnished by Art Nielson and his band.

Al Dondero, chairman of the Stockton College Jubilee, has announced his committees as Dick Dander, assembly; Danny Stone, parade; Rhotus Harvey, pre-game and half-time activities; Meredith Ellis, dance; Dick Romonoff, queen judging; Mary Jane Krebs, publicity; and Carla Helton, prizes.
