Vol. 48

Dec. 5, 1952 — No. 10

Bill Sibley as "Matt Denant" and Frances Pini as "the girl" discuss a business venture in a scene from "Escape".

### "Escape", Galsworthy's Psychological Suspense Thriller, Enters 2nd Night

By CORALITA CARLSON

"Escape," the second Pacific Theatre production of the year, opened last night giving the audience a taste of John Galsworthy's skill in the writing of psychological thrillers.

Bill Sibley, in the leading role, and other Pacific actors who have distinguished themselves in the past Pacific Theatre productions combine their talents to enact the atmosphere of suspense provided by Mr. Galsworthy.

Using a very large cast, of which only one reappears consistently throughout the eleven scenes, "Escape" tells the story of a convict's escape from prison and the psychological impact of his meetings with several different persons. Mr. Galsworthy uses the background of a cold, grey English moor to increase the atmosphere of futility as the convict struggles to escape.

Unlike the "Bishop Misbehaves," which was lighthearted, Mr. Galsworthy's story of the English gentleman who is a fugitive from prison maintains a feeling of tenseness throughout. By using a number of fast scene changes bridged with music and a minimum of lighting, the technical crew of the Pacific Theatre keeps the fast-moving pace and tense atmosphere of the play.

Members of the cast and the characters they portray, in order of appearance are as follows: Bill Sibley, Matt Denant; Frances Pini, girl; Rudy Solari, plain clothes man; Jack Mansfield, policeman; Larry Berscheid, convict; Art Dull, first warder; Chuck Hinkle, second warder; Marge Kenney, woman; Helen Wolber, maid; Ray Fry, old gentleman; Jim Lane, shopkeeper; Donna Gebhart, his wife; George Felker, the captain; Dolores Joy, the girl.

Ted Smalley, man in plus fours; Dorothy Blais, his wife; Marshall

### NARANJADO SALES EXTENDS TO DEC. 19

The Naranjado sales campaign will continue through December 19, the down payment is only \$4 with a PSA card and \$5 without.

All students who have portraits appearing are warned that the deadline for proofs is December 15. Graduate students who have yet to have their picture taken should contact the Pardis Studio in Lincoln Village.

### Thief Escapes With "Escape" Tickets

Someone who the police hope won't escape took an undetermined number of tickets to "Escape" from the Pacific Theatre box office sometime over the weekend.

The theater office was ransacked, DeMarcus Brown, director, reported to officers, but the intruders apparently made no attempt to force open the theater safe.

Officers and Brown are wondering if the thieves will try to use the tickets to attend the show.

### PHI KAPPA PHI SWELLS RANKS

Fifteen undergraduates, two graduates, and one former faculty member were initiated into the local chapter of Phi Kappa Phi, national scholastic honorary, November 23 in an evening chapel program.

Dr. Nolan Pulliam, superintendent of schools, Stockton Unified School District, addressed the assembled group in a short business meeting which followed the initiation ceremony. Dr. Willis Potter, president of the organization, and Allan R. Laurson, corresponding secretary, were in charge of the chapel program while vice president Edwin Womack was in charge of the program which brought Dr. Pulliam as speaker.

New undergraduate members are Margaret Bobbitt, William Bertie, Ben Cobb, Ione Cunningham, Darrell Crawford, Earl Flegel, Karma Hill, Marilen Luke, Mary Ng, Bill Sibley, Ted Smalley, Yvonne Thompson, Sue Thomson, Stanley Volbrecht, and Marilyn Wilcox.

COP graduates honored were Bishop Gerald Kennedy of the Southern California Conference of the Methodist Church, and Paul Hubbard, San Joaquin County Juvenile Probation Officer.

Howard Bissell, prominent architect, is the former Pacific faculty member inducted into the honorary.

### Cox Announces Winter Formal Committee

Winter Fantasy is to be the theme of the annual Christmas Formal, announces Jim Cox, general chairman.

The dance will be held December 12 from 9:00 to 1:00. Depending on further arrangement the dance will take place at the Stockton Hotel, or the Officers Club.

Jim Cox announced his committees as follow: decorations, Beverly Lloyd; bids, Louetta Salsa; invitations, John Mossman; and publicity, Bob Young. Ted Herman and his band will provide the music.

"The Winter Formal is one of the big events of the year," stated Cox. "I want everyone to come out, enjoy themselves, and the affair will be a successful one."

### All-Campus Christmas Program Is Scheduled For December 14

By JIM PICKERING

Popularly requested, the All Campus Christmas Program, initiated last year will again be a highlight of the holiday dramatic entertainment on Sunday, December 14.

It is hoped that this year's program will not only equal the success of last year, but actually exceed the amazing standards that were set in enthusiasm, spirit, and participation. Last year an estimated 85% of the student body participated in the initial event. About 55% to 60% had been expected.

The program this year will be essentially the same as that of last year. A candlelight procession will move to each living group

### Finland's Role Today Is Convocation Topic

"The Role of Finland in the Postwar World" was discussed by an expert on Finland yesterday for those attending the President's Convocation in the Pacific Auditorium.

Heikki Karis, professor of social policy in the department of social sciences in the University of Helsinki, in Finland, was the speaker.

A recipient of the Rockefeller Foundation Fellowship award in 1934 for his work in the field of sociology, Professor Waris again this year received the same scholarship for his research in industrial relations in the United States.

Waris has been professor of social policy in the Finnish university since 1948. In 1922 he received his master's degree from the school and 10 years later earned a doctor of philosophy degree from the university.

### Spring Registration Set For January 7-13

From the office of the registrar comes the announcement that advance registration for the Spring semester 1953 will be held January 7 to 13 inclusive.

Students are urged to make appointments with their advisors well in advance of the January registration date and to register during the special time set aside for this purpose. Pre-registration is official and complete, and there will be no holiday between semesters in which to make out class programs.

If any student's plans change and he is unable to return to school for the spring semester after registration, it is his responsibility to notify the Registrar.

in order, members of the living groups will then join the procession. When all groups are assembled, the procession will move to the Stagg Memorial Tree for a brief Christmas Tree program.

The procession will then move to the Conservatory for a program of Christmas Caroling and Tableaux. The Stagg tree will be decorated for the occasion, as it was last year.

Bobbie Andress, who did such a fine job of organizing the event last year, is again committee chairman. She is aided in her task by representatives from every organized campus group interested in school activities.

The committee members are as follows:

Song and Carol Selection Committee — Donna Horn, chairman; Clayton Smith, Paula Hayward; Arthur Dull, and Peggy Aldridge.

Arrangements Committee — Peggy Aldridge, chairman; Ennis McDaniels, Janice Tarke, Dick Geerston, Lillian Wilson, Mary Newport and Dan Casteline.

## Sociology Survey Will Run Two Weeks

By DON JESSUP

For the next week on the Pacific campus, Pacific students will have the opportunity of expressing their views in a sociological survey conducted by Sociology Seminar 190 and 220 under Dr. David K. Bruner.

Each individual's opinions are very important, as the results of this survey will influence the COP curriculum in the area of Family Life Education.

Originally, the seminar was given the problem by a faculty interdepartmental committee in order to accurately determine the student opinion on what Pacific should offer its undergrads in Family Life Education. This gives Pacific students an opportunity to help plan for the future offerings of COP.

The survey itself is being conducted by a group of graduate and undergraduates who are learning the value of the survey as a tool of scientific, sociological research.

Each student who has been asked to contribute his ideas should cooperate in order to obtain these twofold results, training the sociology students and choosing the curriculum they wish. This is democracy in action!

## OF MIKES AND MEN

By JEANNE HARDIE

Back from Thanksgiving, the people of Radio Pacific are ready again to broadcast over your campus station KCVN. Programing comes first in line for comment . . . all types of programs ranging from special event shows such as the rebroadcasting of Faculty Recitals, a women's show, to sports prophecies.

JERRY BOGLE, special events director, has been taping the recitals, and you may hear them on Tuesday night from 8:30 to 9:30. NADINE REASONER has one of the best shows originating out of Radio Pacific . . . the show . . . PACIFIC PREVIEWS . . . which foretells all the coming campus events, and features two guests from various groups who are in or working on one of these coming events. PACIFIC PREVIEWS is aired Monday night at 8:45.

JAN TERBECK has the show aimed solely for women, WOMEN'S CORNER. ROZ SLOSS, is the hostess who gives the latest scoop on women in the news, fashions, and has a COP coed for "girl of the week." WOMEN'S CORNER can be heard Thursday night at 9:00.

Sports wise, DAVE GILBERT puts JIM LEHMAN and DICK LAFFERTY on the spot by asking these "prophets" the outcome of sport events of the coming

weekend. The "prophets" battle for the right answers Thursday night at 9:15. JIM SPIGHT brings you the two Deans for questions and answers Wednesday night at 8:30 on MEET THE DEAN. And JEANNE HARDIE has featured guests, students here at Pacific, from other countries, on AN INTERNATIONAL CONVERSATION, heard each Tuesday night at 8:15. (The foreign students featured in the Weekly are the guests from this show.)

The "pat on the back" this week goes to BOB STERES. Bob is not only a hard worker around campus in student government work, but is also president of the radio fraternity, AEP, and is Chief Board Operator at the station. This last job entails many hours of work helping new board operators in improving their broadcasting and keeping everyone on his toes. Bob, we appreciate the conscientious help you give to all those working at Radio Pacific . . . and this is, RADIO PACIFIC.

## Women's Choir Takes Short Tour Today

The Women's Choir is embarking today upon a nine-hour tour which will take them as far as Calaveras County.

The excursion will start with a program in the Stockton State Hospital. From there, buses will take the 35 girls to Calaveras County where they will put on a program for one of the high schools. The performers also will go to a San Andreas boys' school, have dinner in the dining hall there, and later sing the Christmas program.

Other performances on the schedule for the choir include the Chapel service for next Tuesday, a program in Central Methodist Church that night,

## Pacific's Numerous Tours Offer Unusual Traveling Experience

The fifth annual Christmas tour of Mexico will be conducted December 2 to January 4 by Elliot J. Taylor, Director of Tours and Director of Admissions at College of the Pacific.

This escorted 16-day tour south of the border is an interesting excursion with all details planned for the convenience and comfort of the tour members.

## Pauline Conadera Wins Druid Scholarship

Pauline Conadera, COP sophomore music student, was awarded a scholarship last Saturday evening by the Grand Order of Druids, Stockton chapter.

The first COP student to be so honored, Pauline has received the award on the merit of her Reno High School and Pacific scholastic record.

Active also in campus work, Pauline is a member of the sophomore women's honorary, is a pledge to Mu Phi Epsilon, and is affiliated with Tau Kappa Kappa.

Speakers at the presentation meeting which was held in the Philomathean Club, were Dr. Robert E. Burns, and Stockton's vice mayor, Harvey Stull. Also present were Druid grand officers Earl Roberts, San Rafael; Chester Nelson, San Francisco; Louise Escobedo, Oakland; and scholarship chairman Leonard Lopez, Oakland.

An escort well-versed in Mexico's culture and travel customs will accompany the group to manage tour affairs en route. Hotel accommodations and transportation facilities are first class, and reservations can be made by contacting Mr. Taylor. The trip will be made by plane to and from Mexico City.

College credits will be available at the cost of \$15 per unit, but this is optional.

During spring vacation, March 28 to April 4, the fifth annual 8-day California Missions Tour will be conducted by Dr. Rockwood D. Hunt and Dr. Coke Wood. Both Dr. Hunt and Dr. Wood are noted California Historians.

Transportation will be furnished by a chartered Greyhound bus which will take the tourists to all of the 21 famed Franciscan Missions from Sonoma to San Diego.

This coming summer there will be a 64-day tour of Europe, June 20 to August 22, conducted by Dr. Robert E. Burns, President, College of the Pacific; and Elliot J. Taylor, COP Director of Tours. This special conducted trip offers visits to points in twelve countries on the continent, in the British Isles and in Scandinavia.

On the list of tour attractions are a Rhine River voyage, attendance at a play in the Shakespeare Memorial Theater in England, and visits to Norwegian fjords, rural Sweden, Italian Hills, Scottish Highlands and Loire River Valley.

Two summer tours of Alaska will be conducted: one June 28 to July 16, and the second one August 1 to August 19.

These tours are open to students, faculty, or the public, and anyone interested may contact Elliot J. Taylor.

## Guthrie Puts Weekly Training To Good Use

The story of how a local boy made good once again reaches back to Pacific.

Phil Guthrie, former Feature Editor and Sport Editor of this local rag, now serving time with Uncle Sam, has been cited by his C.O. for his meritorious service on the Fort Ord paper.

The exact content of Phil's recommendation is unavailable at this time because of Phil's sudden departure from the fort. Upon receiving his letter of recommendation he was also handed a new assignment: Somewhere, Korea.

The entire Weekly staff would like to congratulate Phil Guthrie, and wish him good fortune in his new task.

# Students Asked To Send Dollar For TB Christmas Seals

By CORALITA CARLSON

Each year at Christmastime the National Tuberculosis Association puts on a campaign to raise money for the coming year. This campaign is carried on through the sale of Christmas seals which were mailed this year to each of the students at Pacific in addition to the regular citizen mailing lists.

The Association has asked that each recipient send in a dollar for the seals and then use them on his Christmas mail to signify that he, in the true spirit of Christmas, gave to a worthy cause to help those more unfortunate than himself. Each of these dollars will buy five chest x-rays.

In this particular area, more than any other in the nation, this assistance is greatly needed, for San Joaquin county has the highest tuberculosis death rate not only in California but also in the United States. Last year, our TB death rate rose from 38 to 47.9 deaths per 1,000,000 people. The state and national average is 20. Our TB death rate is two and one-half times both the state and national averages.

## FAR ADVANCED

Shocking as this is, what is even more important is that approximately 72% of all persons found with TB were in moderately or far-advanced stages of the disease. Only 28% were reported in minimal or early stages of tuberculosis. Treatment of an advanced case of TB is more difficult, more costly and may extend over many months and even years. An early case of TB may be treated and cured in a matter of a few months to a year.

It is disconcerting to note that out of 99 deaths from tuberculosis in San Joaquin county during 1951, 80 of those were Stockton residents. Last spring when x-rays were taken of all the students, one of COP's students was found to have tuberculosis.

The Association is concerned because this 72% of the patients who had advanced cases were not found early enough.

## OBJECTIVES

The main objectives of the San Joaquin County Tuberculosis and Health Association are:

1. Case-Finding — to find all unknown, active cases of tuberculosis in the "early" stage by x-raying all apparently healthy adults, 15 years of age and over, and to see that persons with TB are prevented from spreading the disease to others.

2. Health Education — to present the facts about tuberculosis control and prevention to as many individuals and groups as possible, to educate them to the dangers of the disease and to the facilities that are available.

The Tuberculosis and Health Association and the Local Health District purchased jointly an x-ray unit which is located at the Local Health District at 130 South American Street in Stockton. Free chest x-rays may be had daily from 8:30 a.m. to 5 p.m. and on Saturdays from 9 a.m. to 12 noon.

## A Cappella-Oratorio Will Sing 'Messiah'

The Stockton College Oratorical chorus and the College of the Pacific A Cappella Choir will join forces with a choir composed of Sacramento singers making a total of about 250-300 voices, to sing "The Messiah" under the direction of Fritz Berens.

The choir, which also will give a performance of the Messiah in Stockton on Dec. 14, will go to Sacramento on Monday evening of Dec. 15, to have a full performance.

This is the second time the SC and COP groups have been asked to sing in Sacramento. The first time was under the direction of George F. Barr, director of the school of music in Sacramento. Mr. Barr came to Stockton Wednesday for a rehearsal with both choirs after consulting Mr. Bodley on the special points of the program and planning.

The final performance in Sacramento will be given on Wednesday evening at 8 p.m. on Dec. 17, in the Civic Memorial Auditorium.

FOR A LONG TIME we've suspected that today's college man would no longer "gladly die for dear old Siwash." Neither does he play ukuleles and sing "Alma Mater" at the drop of a beanie.

We believe, too, that when it comes to sportshirts the college man is no different from his older brother in town. He doesn't go for

fads and screwball styles. But he does go for smartness, good workmanship... and above all, value.

That is why we believe you'll like the new selection of sportshirts by Manhattan®. For they have all these qualities, plus a distinctive air that sets them above the ordinary shirt.

So ask for Manhattan... the college man's sportshirt.

# COP TAKES OPENER

## VARSITY FIVE NIPS ALUMS LAST QUARTER VICTORY

Striking like lightning in the last quarter, the COP Tigers trimmed a star-studded Alumni five by a 54-51 score in the Pacific Pavilion on Wednesday nite.

The Alumni, paced by the sharpshooting of Howie Pearce, Bud Proulx and Phil Ortiz, jumped out to a 14-7 lead and the game appeared to be in the bag for the old grads. But the men of Van Sweet rallied in the last seconds of the first half and closed the gap to 25-22.

### KAHN HOT

As the second half started the Tigers picked up exactly where they left off and "Mr. Jump Shot," Buzzy Kahn, just couldn't miss. The 6' 1" forward played like a demon under both backboards. The third quarter was strictly a "bucket for bucket" affair.

Little Gene Sosnick, a 5' 7" guard with an eye like a hawk, at one time made four straight shots and played a very cool game when the pressure was on. However, the fine shooting of Ace Bill Wirt, former COP great, kept the "old men" in the game.

### THRILLER-DILLER

With the score 48-all and one minute remaining in the game, Center Kane Waggoner stole the ball and made a lay-in putting the Bengals ahead to stay. Sosnick's free throws iced the fracas for the Tigers.

The grads tried in vain to get a good shot in the closing seconds. The Tigers' hustling defense was just too much.

### TWENTY-ONE DIGITS

Gene Sosnick led all scorers as he meshed 21 digits, and Buzz Kahn was just more than the whole Alumni Club could handle. He hit 19.

## COP Cagers Enter California Basketball Assoc.

While football enthusiasts take a breather, basketball entered the local scene last Wednesday night when Pacific engaged the alumni in the season's inaugural.

With the formation of the Northern California Independent Basketball League, Pacific will have an added game when it attacks the 23-game season. The new league includes such powerful independents as USF, Santa Clara, St. Marys, San Jose State and COP; with the first two mentioned as co-favorites to capture the league's first gonfalon.

Much lies at stake for every league member since the winner will undoubtedly be selected as the member at-large entry in the N.C.A.A. tourney next February. Following the alumni warm up, the Bengals invade the Southland tonight and tomorrow in contests with Camp Roberts and Cal Poly.

## Basketballers Travel To San Luis Two Tough Games Face Hoopmen

By BUD WATKINS

With the Alumni game under their Satin belts, the Bengal basketball team takes on two rough opponents this weekend in San Luis Obispo. Tonight it's the Camp Roberts quintet featuring All-American Scotty Steagall, five feet nine inches of scoring power. Saturday nite Cal Poly provides the opposition and these boys are hot. Last week they murdered the strong Olympic Club five by a 91-80 margin.

To do battle against these teams, the Tigers will use some of the following men:

### FORWARDS

Buzz Kahn, at 6' 1", can jump like a Kangaroo. He's a jump-shot artist and a fine defensive player. In short he's a good All-Around

player, never making the same mistake twice.

Lee Kaupke is counted on to score a lot for the Tigers this season. The 6' 1" forward is a hustler and has a good hookshot coming across the key. Very aggressive and a good shot-maker, Lee has improved a lot and will be valuable when the chips are down.

Genial Dale Clipper holds down a forward post on the Tiger Casaba Club and is one of the roughest rebounders on the team. The 6' 1" jump-shooter comes to COP fresh from two years' experience on a very good Stockton J.C. club. He has proven to be a "come-through artist" whose hustle and aggressiveness should pay off for the Bengals this season.

### GUARDS

The "Mighty Mite" in the Tiger offense Gene Sosnick. The little 5' 7" guard made an All-American Junior College rating while playing in the National J. C. tourney in Hutchinson, Kansas and the little guy has a phenomenal eye — he bears watching.

Ron Leineke is 6' 1" and a "driver" from the word "go." Hustle and desire made him the fine player he is today. He's a rough rebounder and has a variety of drive-shots.

Geoff Thomas, after being idle last season, returns to the Pacific spot light as student body prexy and a fine guard on the Bengal Casaba tossers. He's 6' 1" and a nonchalant shooter who is really dangerous around that hoop.

### CENTER

Counted upon to do yeoman backboard work in Coach Van Sweet's system is 6'5" Eldon Kidd. Eldon played for Modesto J.C. last year and is showing the ability to learn very fast.

These are just a few of the boys who will carry COP through the basketball wars — and they will be as good as student-body support makes them. So plan to attend every Tiger home and away game that you can.

## SOUTH HALL WINS W.R.A. BASKETBALL

**COP TIED 27-27;****Hilltoppers Stubborn****EARLY THORN**

From the start it looked as though Ernie Jorge would have a tough time choosing the traveling squad for the Hawaii tilt as COP built up an impressive 27-7 half-time lead, no one doing any wrong.

Tom McCormick provided the impetus in the first quarter to send the Tigers on their way, but an injury forced him from the game early in the second stanza, and the Pac-Cat attack began to sputter. But the damage was done: Atom Tom broke the PCC all-time rushing record, set a week earlier by Johnny O., continued to raise the Pacific rushing mark to a new high, and also maintained his Pacific Coast scoring lead by virtue of a TD in the second quarter.

**WHAT NAMES?**

Jeremia Janikowski impressed for Marquette in the second half as he directed his mates to a pair of touchdowns in the third quarter. A seventy yard march climaxed by a 13 yard run around end by Drzewicki netted the Hilltoppers their first TO of their comeback drive.

Marquette's conversion specialist, Molenda, intercepted an Ottoson pass on the COP 43 yard line to set up the next tally. Seven plays later, a Janikowski pass to Tim Tobias brought the Hilltoppers within 7 points of the Tigers: 27-20.

Midway in the fourth quarter another interception of Ottoson's aerial attempt set the stage for the final TD, the one that hurt the Tigers most.

**TIE GAME**

It took the Green and Gold but five plays to march 50 yards; the final yardage coming from another Janikowski pass. Molenda converted and Marquette had tied the game, 27-27.

**Bowl Bid For Pacific Tigers**

Pacific gets another chance! That the chance has been extended to the Bengals by a near-unanimous vote, the team has accepted an offer to play a return engagement at the scene of last year's mistreatment by Texas Tech. A second bid for the victor's laurels. This time their opponent has been designated as Mississippi Southern college. Don't look down your nose at them.

While Mississippi Southern may not be of the same caliber as Texas Tech, they are not to be taken lightly. They have lost only one game this year, and that to a high powered U. of Alabama outfit by a 20-6 score. In the rest of their games they have routed such teams as Southeast Louisiana Institute, and Louisiana Tech. This should not necessarily be a basis for regarding them as football low-life. Remember Pacific's '49 team? Well, we had the likes of Cal Poly, San Diego State, and Portland U. on our schedule then, and none have ever been mistaken for a big time outfit. However, we felt that we had a team just as good as anyone's, and held down a 10th spot in National ranking to prove it. Mississippi Southern supporters regard the team just as lightly

**Player of the Week  
Gordy Johnson**

Gordy Johnson, right-offensive guard in the Tiger football machine, was chosen "Player of the Week" at the Monday night meeting of the Quarterback club.

The 6' 1" 205-pound enior really rocked and socked in there last aturday against the Marquette defense. He now has more playing time than any other member of the COP team this year.

Coming to Tigerville from Fresno High School, Gordy made the All-Star team two years in a row. Since enrolling at COP he has proved to players, fans and coaches that he really means business when he puts on those pads. His spark and aggressiveness in leading interference has paved the way for McCormick's touchdown. Though he is the type of player who is rarely noticed out there by Joe Fan, he is the boy who winds up on the All-Opponent teams of the Pacific Schedule.

The Weekly's Congratulations go to Gordy Johnson for a fine season.

**Pacific Coast Football At A Glance**

By GENE SOSNICK

Last weekend brought the close to a good year in Pacific Coast Conference football. The USC Trojan's pride and joy of the PCC dropped a tough one to Notre Dame 9-0 in South Bend, Indiana.

The final standings in the Pacific Coast Conference found USC tops, with runner-up UCLA a close second. The University of Washington captured the 3rd spot led by national passing champion Don Heinrich. Injury ridden California took over fourth place by virtue of the defeat they handed to their rivals from Palo Alto. Stanford, the dark horse of the league, was fifth and Washington State, who was rated an early season favorite, didn't live up to their expectations.

Oregon State and Oregon were the cellar dwellers.

**Summary of Teams:**

**USC**—Paced by All-Americans Jim Sears, and Elmer Willnoite, the Trojans gained the PCC crown and a bid to the Rose Bowl. Southern California's strength lies in its strong defensive team. No team has scored more than one touchdown against the Trojans. They also have one of the best punters in the Nation in Desmond Koch.

**UCLA**—Had a strong offensive team as well as defensive. Their defense was sparked by All-American Donn Moomaw and heading their offensive platoon was versatile Paul Cameron. The Bruins lost their Rose Bowl opportunity to their cross-town rivals by 2 points. Look for UCLA as favorites next year to capture the league, as Cameron and many others return.

**WASHINGTON**—Rose up to beat Caland Stanford by decisive scores to place better than expected in the loop. Their brilliant passing ace, Don Heinrich, again excelled in a very successful season for the Huskies.

**CALIFORNIA**—Was hit hard in the early season as they lost Bob Karpe and all-American candidate and then lost ten more regulars via the injury route. Cal's hard-plunging fullback Johnny Olzewski was named on most of this year's All-American teams.

**STANFORD**—Down on the Farm Chuck Taylor's Indians had a mediocre season paced by Bob Garrett and Decathlon champ Bob Mathias. The Indians looked good in early season games then pooped out.

**ROSE BOWL—WISCONSIN vs. USC** — Wisconsin finished their first real successful year since the pre-war days. The Badgers were already beaten by UCLA, but the Big Ten representative always seems to wear a horseshoe in his back pocket on January 1st in Pasadena.

We'll string along with the Trojans this year, but we can still remember last year and the year before, and the year before, etc.

Look for the Pacific Weekly's All-American picks in the next issue!

**TIGERS INVADE THE ISLANDS  
BENGALS WIND UP REGULAR SEASON**

By JIM PICKERING

Off to the land of hula-hula, Waikiki, and fish and poi! The pigskin artists from the Pacific campus are paying a visit to Aloha Land for their final scheduled game of the 1952 football season. Flying into the islands with a squad composed of 3 coaches and 29 players, the Bengals are to go against the University of Hawaii Rainbows this Saturday afternoon, Hawaiian time.

That will make it about 4:00 here when the game will be put on the airlines.

**PASSING ATTACK**

Hawaii will depend upon a strong passing attack. With a good passer, and good receivers, they can be relied upon to try to take advantage of Pacific's reputedly weak pass defense. They are small, both in the backfield and on the line. They have lost to U. of Arizona (57-7) and Pacific U., tied Willamette U. (7-7) and beaten only Lewis and Clark College. With this in mind, it doesn't sound reasonable that the Tigers should have too much trouble with the Rainbow aggregation.

The University of Hawaii has been attempting to deal with a rather difficult problem of its own. They cannot seem to keep the good football players from the Island Prep schools in the Islands long enough to play ball at the University. Schools on the continent seem to have a rather pronounced habit of luring the more accomplished ballplayers stateside. Particularly such schools as Southern California, Santa Clara, U. of Denver, Redlands U., and a few others in general have turned up with outstanding Hawaiians on their rosters. Remember John Namu, and Dennis O'Connor, Spike Cordiero, Abe Dung, Charlie Anne, and how could we forget the Squirmin' Herman Wedemyer?

**DISADVANTAGE**

The Island university would like to keep her football artists at home in order to build a strong and truly representative team from the islands. They would also like to build a strong and representative schedule. However, here again, the University suffers from a handicap. Due to their geographic location, and the long traveling distances which are involved, the school has to play

what amounts to a split schedule.

They spend the first half of the season touring the States and playing a short schedule of 4 or 5 games. They then return to the islands, and play teams that they have invited over there. This is usually very late in the season, around late December. Good teams are not too easy to sell on this idea. Add to this the problem that, like many schools, Hawaii does not have the money necessary for large playing guarantees. And 2,000 miles means a big travel expense.

In the census decade, 1940-50, civilian employment in California increased from 2,574,000 to 4,351,000.

## Ennuel Berbano Guest Speaker On "International Conversation"

By SHIRLEY DYKE

This week's feature foreign student is Ennuel "Nuel" Berbano who was the guest of KCVN on their International Conversation show last week.

Nuel is studying at Pacific by the means of a scholarship granted to him a little over a year ago. He is now in his high junior year, and is majoring in Political-Science. Prior to attending COP, Nuel attended the only American University in the Philippine Islands.

It is quite interesting to note that, although the Philippines are quite Americanized, they play no football. The major sports include tennis, basketball, baseball, and horse-racing. The American system of education is at the present time being adopted in the Islands, and especially in the larger cities.

The largest city in the Philippines is their modern capital, Manila. Although the standard of living in the Philippines is somewhat lower than that of the United States, the people are contented with their way of life.

The jungle scenes which we have seen in war pictures depicted in the Philippines are the truth. Besides having jungles, the Islands have lots of mountains, streams and rivers. All land that can possibly be farmed is utilized and the chief products raised are rice, tobacco, and corn.

The Philippine Islands is a young republic. They received their freedom from the United States in 1946, and have adopted a democratic government somewhat similar to ours.

Earl is a Junior at College of Pacific and is majoring in education. He is a member of Alpha Kappa Phi, where he is treasurer. The son of Mr. and Mrs. Paul S. Flegel of Albany, California, Earl is regional Co-Chairman of the Student YMCA. He is a member of Blue Key, and Phi Kappa Phi, National Honor Society, as well as the tennis team.

The couple is to be married January of 1954.

### Hearts Disclose Plan For Diane Strand

Mr. Janicula is the son of Mrs. G. T. Janicula of New York City. He is a veteran attending COP. His major is also speech correction.

The wedding date is tentatively set for June.

When he resumed his career which was interrupted by the war, Ciccolini won several musical awards including the grand prize in the Marguerite Long - Jacques Thibaud International Piano Contest in which he competed with ninety-six other pianists.

**Have you been attending the President's Convocations?**  
Dean of Men Ed Betz, urges us to attend in the following letter:

November 25, 1952

"The President's Convocations were set up in as democratic fashion as is feasible. Last year's student body government and a general faculty committee studied the problem at great length and finally adopted the recommendation that students be convened approximately once a month for a program with serious content presided over jointly by the president of the college and the president of the Pacific Student Association.

"Of course it has been difficult to secure 100% attendance this Fall because it is a new event. We have used various techniques of publicity, an announcement was made in the Opening Convocation, the Pacific Weekly carried the story, and cards were also sent to those who missed the Opening Convocation, and the P.S.A. Handbook lists the dates of all President's Convocations.

"Though it is possible that you may not know of this requirement, it is more likely that you have chosen simply not to attend. If you could see the good results which come from those convocations when all students and faculty get together, I am sure you would be willing to give one hour a month to this project. Pacific is a small college and the more we get together, the stronger we become.

"It is not our desire to take any punitive measures, we rather seek your cooperation. Your next opportunity to demonstrate this will be on December 4th when a distinguished speaker will be on campus. We hope to see you there."

Yours very truly,

EDWARD S. BETZ  
Dean of Men

## Students Continuing Probe of Drinking

The end results of the Student Affairs sub-committee on drinking was the main topic of discussion in student affairs meeting on last Monday night. No details have been announced so far, however.

The sub-committee is composed of fourteen members who meet every two weeks. They are making a student evaluation of student drinking as it exists on the campus. The committee was formed early in the semester and is trying to find a way of controlling drinking in campus areas. Committeemen said they are under the impression that the problem lies not in the COP football games but with the student body itself.

Anyone interested in this committee is invited to voice an opinion. The committee hopes to complete its work sometime in March when the results will be printed.

They will be given to the committee for future use in making a policy here at COP.

As a result of work so far, it has been decided that all rules will be published in the first issue of the Weekly next year.

## Frahs Nominate Three COP Goeds Contestants For "Maid of Cotton"

Paula Hayward, Pat McAllister, and Arlyn Retzlaff have been chosen as Pacific's delegates to the state Maid of Cotton contest that will be held in Fresno on December 6.

These three girls were chosen as the finalists from a group of girls who were nominated by the men's living groups. Judges were members from the Port of Stockton and representatives of the downtown merchants.

This is a contest sponsored annually by the Cotton Producers of America. Several colleges in each of the twenty cotton producing states are allowed to send delegates to the state contest; the finalist from this judging goes on to compete in the nationals. The national winner will be given a tour of Europe to model an all-cotton wardrobe and the California winner will go on a tour of the western states.

## STATISTICS

Paula is a nineteen year old blonde sophomore hailing from Burlingame, California. She is a liberal arts major and is a member of Epsilon Lambda Sigma. A junior student majoring in home economics, Pat McAllister is a twenty year old blonde whose home is in Pasadena; Pat is affiliated with Zeta Phi sorority and Delta Mu Eta. The third candidate, Arlyn Retzlaff, is another twenty year old junior. She is a brunette business major who is also affiliated with Epsilon Lambda Sigma.

## QUALIFICATIONS

In order to be a contestant, a girl must be at least nineteen years old and five feet five inches tall and must have been born in a cotton producing state. Judging was based on beauty, personality and modeling ability.

The COP contest was organized by Hal Ball and sponsored by the Port of Stockton; chaperones for the girls at the state contest will be Dean Monroe and the Director of the Port of Stockton.

## Graduation Record Exam Given Tomorrow
