PACIFIC WEEKLY

Vol. 48 C.O.P. — Stockton, California March 6, 1953 — No. 16

Conservatory Fire Causes Only Slight Damage As Spotlight Ignites Curtain

Fire in the Conservatory!

Was the cry last Monday night when the sounds of police and fire sirens echoed through the campus at 7:45 P.M.

Started by the brushing of a "fly" or side curtain against a standard baby spotlight, the fire "caused approximately \$5000.00 damage to the backstage portion of the theatre," stated technical director Tony Reid.

The main damage was to the curtains on the stage. The main yellow curtain, only five years old, "Seemed to go up all at once," said Don Yarbrough, drama major who first noticed the fire.

"Stage Right" was the most damaged section on the stage, with all the "fly" and stage props on that side being lost. The two pianos on the stage were sprayed with water when the firemen working overhead first came on the scene, but were not otherwise damaged.

Several organizations who had stored their Band Frolic props early, lost their entire sets.

"Extensive" damage reported Bill Sibley, who emphasized that the entire electrical system, lights and wiring, all guy ropes and cables must be tested before the rehang of new curtains and props.

"Insurance will cover the loss to the school," stated DeMarcus (Continued on Page Two)

Laughton Praises Pacific Alumnus

Charles Laughton, the eminent motion picture and stage actor, believes Jack Jones, a College of the Pacific graduate in 1952, may be a future dramatic star.

Laughton, who appeared here this week in his own reading show, said he never saw a young man "so determined to be an actor." Jones at present is traveling with and working for Laughton.

A great reader himself — his appearance here two years ago was a big hit as was Tuesday night's reading performance — Laughton made this comment on Jones' reading technique:

"Jack has more capabilities for reading Thomas Wolfe than anyone I ever met. He seems to have the voice for reading Wolfe." Those who have heard Laughton will recall Wolfe's "Trains and the Moon" reading is a favorite.

MYERS NEW FOOTBALL COACH DISPLAYS STERLING FIELD RECORD

Jack Myers, former COP backfield coach and professional football standout, be-

Los Angeles Ram to a three year contract.

Myers has made a sterling record throughout his gridiron career. In 1944 he was a star on the UCLA eleven, prior to leaving for active service with the navy. Following his enlistment in World War II, the big fullback returned to Westwood in time to help put the Bruins through an undefeated season in 1946 and a very successful one in 1947.

URNS PRO

With one more year of eligibility in collegiate ball left, the Ventura bred pigskinner decided to pick up the green stuff in 1948 and joined the Philadelphia Eagles in time to play on their two world championship clubs in '48 and '49.

Following a tough year in 1950, with every team in the league pointing toward the Eagles, Jack succumbed to the desires of COP coach Ernie Jorge and joined the Tigers as backfield coach.

FINALS TONIGHT; FIRE NO OBSTACLE

By GEORGE FOWLER

THE event on campus, the Band Frolic, will present the twenty-fifth in a series of annual productions Thursday and Friday nights. The skits, entirely original varieties, by different groups on campus, stem from a series of band concerts, started in 1928 by "Pep" Gordon, then conductor of the COP band.

Art Corra is carrying on the tradition of the band concerts, combining the talents of the Stockton College and College of the Pacific bands.

Taken during the height of the fire at the Conservatory, the firemen are shown trying to "get at her from the top."

The Band Frolic, the campus show of shows, will be a three-hour long presentation, and is classified as collegiate vaudeville — on a professional level.

Eleven aspirants will present their efforts Thursday night, in an effort to gain one of the seven finalist honors available. Friday night, the festivities will start with the band concert, then followed by the seven competing acts.

The aspiring participants come from all phases of campus life; living groups, fraternities, sororities, and clubs.

The acts as presented by the different groups are:

Rhizomia—"A Rank Production"
Alpha Thete—"Fire and Ice"
West Hall—"Far Away Places"
Epsilon—"Reckon-Silliation"
TKK—"Band Frolic 1920"
North Hall—"Psi, Psi, Psi"
Omega Phi—"Shore Leave in Haiti"
Zeta Phi—"African Dreams"
Mu Zete—"The White Horse"
Archania—"The Secret Life of Little Black Sambo"
South Hall—"Waiting For Lula-belle Lee"

Under the rules of the contest, any group winning three times, may keep the gold cup as a permanent trophy. Consequently, a new cup will be given to the men's division, for Omega Phi has been a three-time winner. So far, it is the only group to hold this honor.

The only regulation imposed on the contest, is the "amateur" standing of the act, checked on by the Dean's office.

Over two hundred participants are expected in the Frolic this year. Members of the faculty are not permitted to write or plan the acts for the participating groups. Each act, must, of necessity, be limited to 12 minutes. The acts may be on any theme, with no holds barred — within reason, of course.

Speculation is high this year, as to which groups will win the coveted trophy. In any event, it's sure to be good.

No seats are reserved. The starting time is set for 7:30 p.m.

SENATE NOTES

At last Monday night's Senate meeting a 3% cut was made in the Pacific Student Association budget for the spring semester due to an existing state of low funds. The Pacific Student Association is now running on less funds than it has in previous years, with prices maintaining their ever high level.

The Senate set a date for another C.O.P.-San Jose competition; the Spring Blood Drive, between one and six o'clock on Wednesday, March 25. The senate (Continued on Page 6)

BLOOD DRIVE SET FOR MARCH 25

A challenge from San Jose State is providing added impetus this year for the spring blood drive which will be coming up on March 25.

San Jose has challenged us to a contest to see which school

will have the most blood donors between now and January 1954. The winner of this contest will be presented with a \$1100 plaque by San Jose.

The faculty has promised full co-operation this semester, as have various prominent members of the student body, and the football team will be there too, led by Tom McCormick. Since this is a means for showing support and concern for the men in Korea and a real chance to save lives, much more than just a contest with San Jose, it is anticipated that all students will turn out full force to support the drive this semester.

GOALS

One major goal for the drive is the setting up of a stimulus to encourage donations on the campuses of other educational institutions.

In the fall blood drive this year at COP, only 121 pints were contributed. The breakdown of the donors by living groups is as follows: North Hall, 31; off-campus, 29; South Hall, 16; quonsets, 10; Archania, 8; West Hall, 7; TKK, 7; Omega Phi, 6; Zeta Phi, 6; Epsilon, 5; Manor Hall, 5; faculty, 3; Alpha Thete, 3; Mu Zete, 2; Rhizomia, 2.

RULES

These are the rules for the competition with San Jose:

1. All students and members of (Continued on Page Three)

Dean's List Reveals Those Who Study; As For The Others; Ah Well - - - - -

Dean Bertholf released the names of the students who qualified for last semester's Dean's List this week.

In order to qualify for the Dean's List a student must carry at least twelve units and have a 2.5 grade average.

Fifty-nine of last semester's enrollment of seven hundred ninety-two students qualified for the Dean's List. Percentagewise this is 7.4% of the full time student body.

Broken down to the classes we find the sophomore class qualified 10.4% of its members while the Senior class ran second with 8.8% of its number making the grade. The junior class ranked third by placing 8% of its ranks on the Dean's List. The Freshman class placed only 3.2% of its components in the listings. All of the Frosh who qualified were GIRLS.

Pat Drake (Jr.), Donna Betz (Soph.), Lorraine Soucie (Jr.), Clarence Hall (Sr.), Joan Harrison (Sr.), Stan Volbrecht (Sr.), and Ed Womack (Sr.), all made a perfect three point.

Faye Barnes and Marilyn Moore each ground out a 2.97 while Sheldon Nicolaysen turned in a 2.93 and Les Hannaford produced a 2.91.

These figures show a small increase of .3% of an increase in total enrollment of full time stu-

ENGINEER EXAMS 27th LAST CHANCE TO FILE

Seniors at College of the Pacific are reminded that March 27 is the final filing date for three civil service engineering examinations. Engineering students may file applications with the State Personnel Board for Junior Oil and Gas Engineer, Junior Engineering Aid and Senior Engineering Aid.

Seniors majoring in geology may apply for Junior Oil and Gas Engineer, which has a beginning salary of \$341 a month. California residence is not required.

Junior Engineering Aids need only a year of college, while Senior Aids need three years with a civil engineering major, or four years with any other engineering major. Junior pays \$255 — \$310; Senior, \$310 — \$376.

Complete information and application forms may be obtained from the college placement officer, or State Personnel Board offices in Sacramento, San Francisco and Los Angeles.

dents making the Dean's List this semester as compared with the fall semester of the last school year.

MORE FIRE!

(Continued from page 1)

Brown, Theatre Director, when questioned as to the extent of the damage.

President Burns, on the scene immediately, expressed confidence that "Pacific Theatre would carry on in the best tradition," and was greatly relieved when told that no one was injured seriously.

One person, George Blake of the Stockton Fire Department, was overcome by smoke while fighting the blaze. Upon being carried outside he revived almost immediately.

The fire was reported by Darlene Smith, who was practicing a musical number on stage along with Don Yarbrough and Roz Sloss immediately before the blaze occurred.

Being an educational institution fire, 12 pieces of fire equipment answered the all-out alarm turned in by Smith.

LAUGHTON

(Continued from Page 1)

The noted actor's praise for Jones also reflected the young actor's background and training in Pacific Theater, in which he had four years of study.

The man who master-minded the recent traveling company for "Don Juan in Hell" described the former COP dramatic star's appreciation of literature and his development as "solid," indicating what the young man learned from Director DeMarcus Brown and his assistant, Tony Reed is a firm basis for his future on the stage.

Speech Correction Clinic Offers Help For Defective Speaking To All Ages

By NADINE REASONER

The Speech Correction Clinic is in full sway once again, and doing an overwhelming job as usual.

Dr. Howard Runion and Miss Loida Farrow head the Speech Clinic and numerous students work under them.

Some of the cases which are being helped now include those concerning cleft palate, cerebral palsy, delayed speech, hard of hearing, stuttering, articulation and aphasia. Ages range from four years to adults.

The Speech department at COP is only one part of a system of Clinical Services which offers almost every conceivable field of aid for those needing attention.

Take for an example, a little girl, Mary, let's call her. First she would be interviewed to get all her general background, and then would be referred, perhaps, to the speech department, then to the psychology department, for intelligence tests and interviews, next the remedial reading branch, etc. Following her interviews, therapy would be decided upon which might include music therapy, play, reading, speech, or many of these fields combined.

You can plainly see how vast the advantages are that are offered to these children. The improvement is the most astonishing factor of all. While it may not

be dramatic in all cases, it is still amazing what can be done.

A wonderful example is a little 5 year old boy, who has been receiving help in the clinic for quite a while. He was stricken with encephalitis, which resulted in cerebral palsy. Through work in the cerebral palsy school and the speech correction clinic, he is slowly learning to walk, play and speak intelligibly.

Other cases are as inspiring and miraculous as this one. No matter how much improvement is made, there is always the feeling of satisfaction when you know that boys and girls need not go through their lives handicapped, but may live happy, useful, normal years ahead.

"Young lady, I'll bet your mother would be angry if she saw you in that skimpy bathing suit." "I'll say she would! It's hers!"

Student Service Fund Drive Is Tentatively Scheduled

The World Student Service Fund drive on campus has been tentatively scheduled for "sometime around the first of May," according to Don Cunningham, one half of the team of Cunningham-Waggoner, co-chairmen of the WSSF drive.

This world-wide fund was organized soon after World War I and drives have been held at COP for as many years as anyone seems to remember.

BACKGROUND

For those who are uncertain about the reason for this drive, some background material may be helpful. The World Student Service Fund, which you will see advertised around campus as WSSF, is a means whereby students all over the world can help other students in countries of conflict and need, to help themselves.

The WSSF is not charity. The fund is used as a stimulus to encourage students to pursue their education. Then as these students are able, they in turn can help others with their education.

An example of the work of the WSSF may be found in the Free University of Berlin which was aided in its organization by the WSSF and which is now in the position to help other colleges and universities.

FUND USE

The money raised is used to purchase such things as mimeograph machines — materials which can be used by the students.

The emphasis for the coming drive will be placed on helping students in colleges and universities in Southern Asia.

This drive is not held primarily to raise money, but is intended to educate students about the work of the WSSF so they will understand what the fund is used for and will want to help support the project with their donations.

Last year a carnival was held during the drive to collect funds, but this year the co-chairmen hope to use a more significant means of raising money. More information about the drive will be available as soon as plans get farther along.

MORE MYERS

(Continued from Page 1)

RETURNS TO PRO

Through the spring of 1951 until he rejoined the pro ranks when the Los Angeles Rams offered him a lucrative two-year contract in early 1952, Jack Myers enjoyed a popularity and respect seldom held by an assistant coach. Because of this enviable record it was only natural that "Moose" became a top candidate for the Tiger coaching job after Ernie Jorge's surprise declination of a new contract.

The choice of Myers was made after several weeks of deliberation by the selection committee appointed by the Board of Athletic Control. With many outstanding candidates applying for the position, the choice was difficult; but it was unanimously agreed that Jack Myers is an excellent football mentor and a fine man in the bargain.

We of the Pacific Weekly staff wish the best of luck for Jack "Moose" Myers, his wife and two children, and the COP football teams in the tough years to come. We're behind you 100%.

The Constant Wife Stars Katie Cornell In Local Production

By GEORGE FOWLER

Katherine Cornell, world renowned actress, will appear March 14, in two performances of Somerset Maugham's brilliant comedy, "The Constant Wife." Miss Cornell, long an actress of sterling proportions will be seen in a matinee and evening performance at the College of the Pacific auditorium.

In addition to her superlative talents, Miss Cornell will be competently assisted by Robert Fleming and John Emery.

Robert Fleming, has appeared, among numerous other stage appearances, in T. S. Eliot's famous play, "The Cocktail Party," in the New York production along with many leading roles in the British cinema.

John Emery, has for many years been appearing in stage performances all over the country, and has been an actor in Broadway productions for some time.

Staged by Guthrie McClintic, the play is set for an afternoon performance at 2:30 and in the evening at 8:15. Tickets may be obtained at the conservatory box office. Prices for the matinee are: \$3.62, \$3.02, and \$2.42. That evening they will be \$4.22, \$3.62, \$3.02 and \$2.42.

This production marks a notable event in the series of stage performance given in the Stockton area.

BLOOD DRIVE SET FOR MARCH 25

(Continued from Page 1)

the faculty are eligible.

2. The winner will be judged on a percentage basis of pints collected in accordance with the college enrollment.

3. Only the actual pints collected will be counted.

4. Three drives may be held in 1953. The largest one will be entered in the competition. In 1954 only one drive will be counted in the competition.

5. The period of the drive will last no longer than two weeks. Donations made within the past three months may be counted.

6. A trophy will be awarded to the winner in January of each year.

MEDICAL

A medical history of the donor will also be taken by the doctor, nurse, or trained technician on duty. No individual who has not been to a blood donor center should assume that he can't give blood. Let the doctor at the center decide.

Students who had signed permission blanks for the last drive do not need to get another. For those who did not have one last semester, permission blanks to be mailed home will be available in the living groups. There will be someone on duty all day in the PSA office to take the sign-up for donations.

These are the students who already have permission blanks on file with the drives commissioner:

CASABATEERS WIN THIRD Take SF State Gators Into Camp, 73-65

By JIM BOVERO

The College of Pacific "Tigers" ended their 1952-1953 season with a 73-65 win over the San Francisco State "Gators" Saturday night in the Pacific Pavilion. This victory evens the 2-game series as State had won the first game a week earlier by a 75-50 score on its home court.

It was quite a morale booster for the Bengal basketballers, after a bad season, to win their last game over the highly favored San Francisco team. High point men for State were Busby and Miller with 15 points apiece.

TWO NEW RECORDS

It was in this game that Gene Sosnick scored 25 points to bring his total for the season 406 and a new record. COP thus wound up the season with a won 3, lost 20, another new record.

Reasons for the Tigers' bad showing on the hardwoods this year are numerous. They did not have scholarships to give out to attract name players and they did not have any height. The team was playing good basketball and as Coach Van Sweet said, "They were playing over their heads." Their main trouble was that they were handicapped by lack of height. Because of this they were limited in their offense because they could not control the backboards and therefore control the game. The highlight of the season though was when Sosnick scored over 400 points, a feat that has never before been accomplished by a Pacific player in one season.

EAGER BEAVERS

The Staters were hard-pressing the Tigers all through the game but they were just a little too eager. In guarding the Bengals so close they committed many fouls and State lost four men on fouls in the fourth quarter, spoiling all hopes for victory.

Pacific Sports

Frosh Complete Successful Season

By RON LEINEKE

The COP frosh basketball team completed a successful season last Saturday night by downing the Mather Field Flyer Five. Bud Watkins coached the squad to a very satisfactory nine win and five loss seasonal record.

The Tiger Cubs were paced in scoring by "Ces" Ciatti, who led both in field goals and free shots with 108 points and 41 points respectively, giving him the grand total of 149 points during the season.

This fine crop of freshman athletes should provide the nucleus for Van Sweet's 1953-54 Pacific Varsity, judging from their fine performance this last year. The team was ably supported by clever George, team manager.

Individual scoring was as follows:

Player	G	FG	FT	T	Avg.
McGowan, Bob	13	11	5	27	2.1
Linn, Roger	11	26	12	64	5.8
Saltzman, Lyman	14	30	25	85	6.1
Sylvan, Howard	14	52	33	126	9.0
Thomson, John	11	3	3	9	.8
Ciatti, Cesare	14	54	41	149	10.7
Stark, Ron	12	15	10	40	3.3
Walls, John	5	3	2	8	1.6
Gomez, Vince	13	11	5	27	2.1
Machen, Dalles	9	6	4	16	1.6
Team Totals	14	211	129	547	39.1

Pacific Again Fields Golf Team

This spring Pacific will field a team to play intercollegiate Golf. As of now, a permanent schedule has not been arranged, but tentative matches include Santa Clara, St. Mary's, Fresno State, and Cal Aggies. So far, men out for the team include Art Wilson, Jay Wickard, Walt Baun, Al Culp, Jim Bovero, Bob Ching, Jim Conover and Russ Shepherd.

The team was started due to the enthusiasm of these men, who wanted to see golf played on an intercollegiate scale here at Pacific. The team will be coached by Wayne "Red" Hardin. The boys will get either the Country Club or Swenson Park for practice. All matches played will be on a home and home basis.

... the TIGER'S DEN

By NORM HARRIS

SPRING IS SPRUNG

Ah, yes, spring came to us a little early this year. Attired in only a T-shirt and bathing suit we began to get the feel of the campus (dirt between our toes and a "look in our eyes) and glance at the spring sports situation (ah, yes, those female tennisers here at Tigerville).

Walking over to Knoles Field first, we took a look at the infant addition to sports at Pacific and watched the rugger cavor with the over-sized oval. The constant running and change of direction in the game reminded us of a group of stampeding stallions playing "button, button, who's got the button."

Rugby is proving to be quite popular with the combatants. One prominent lineman on the COP football team who is out for rugby has been heard to say, "Gosh, even I get to run with the ball."

From the rugby field we strolled by the track where we saw Coach Jackson tutoring quarter-miler Ed Griffith and sprinter Bob Hudson on their starts. Jackson was comparing Hudson's starts with the footwork of a duck. Hope Bob makes like a bird instead.

Hudson is one of the top sprinters on the coast this year. I hope Jackson can uncover some hidden talent somewhere, we could come up with a strong team.

Tiring of watching all the running activity around us, we lazily strolled up to the rim of Baxter Stadium, down to the alley between the gym and the stadium, in through the back door of the gym, up to the rim of the pool, dunked our toes and perched on our favorite railing at the west end of the pool to watch the mermen work us into a state of exhaustion.

We were "hot" to get in the water but the suggestion by Chris Kjeldsen that we swim 30 or 40 laps to get in shape quickly cooled us off. Perched back up on our favorite rail we relaxed and watched free stylers Bill Chapman, Boyd Mickley, Werner Gehrke and Bob Hardman churn up the water in the pool. These boys will provide the nucleus, but lack of depth in the all events will again hurt the Tiger splashers as well as other spring sport teams.

There are several outstanding stars in each sport so the school will be well represented, but the lack of scholarships will again hurt the Bengal's over-all record just as it did in basketball. Ah well, maybe next year, we said as we strolled back to our humble abode.

OH HAPPY DAY

The outcome of the recent California Basketball Assn. game between the Santa Clara Broncos and the U.S.F. Dons in which the Broncos edged out the Dons 61-58 was a great relief to us. The Broncos will be picked by the NCAA selection committee to compete in the regional tournament. The Broncos have an excellent season record (19-6) but if the Dons, who have an 11-12 record, had won they would have been champs of the C.B.A. league. It had been agreed earlier by members of the league that the top team in the conference standings would take the NCAA bid, but the Broncos would have undoubtedly forced a vote to get themselves sent to the tournament. Their action would probably have split the conference all to . . . hades. We believe that the C.B.A. will develop into one of the strongest leagues on the coast after a few years of "maturing" and we hope they get that chance.

DO I DARE?

We predict that the Tigers will better this year's record and become one of the court powers in next year's conference race and the added prestige of a conference will add much to basketball for this area.

HAVE YOU HEARD

About the Tiger slatman who was competing with Ski team in the recent Reno Ski Carnival. Hear he had a little date trouble. Seems as if some friends of his "attired" a Reno High School football star (sophomore edition) to look like a junior size sample of Marilyn Monroe. What a surprise! I would have been shocked, too, how about you?

5:15 220 yd. Low Hurdles (Final)	5:15 100 yd. Dash Final
5:30 220 yd. Dash (Final)	5:30 Mile Run
	5:40 880 yd. Relay

COP Lettermen and those on scholastic probation are not eligible to compete.

Each organization may enter four men and compete three in each event. Anyone entered in the meet is eligible for the relay (Four men 220 yd.)

In the two-day meet, a man may compete in not more than three events, exclusive of the relay. No one may compete in more than one race of 440 yards or longer in one day.

Events will be run promptly as per schedule. "Warm ups" should be taken early. BE THERE ON TIME.

Interclass meet will be the same days the next week. This will be a tryout for the varsity team. Belt buckles will be awarded to all winners

Gene Sosnick, holding game ball, being congratulated by Coach Van Sweet after becoming first Pacific Cager to break 400 mark.

SOSNICK HITS ELUSIVE '400' MARK Places On All-Northern California Team

... a sports sketch

Gene Sosnick, COP's answer to Johnny O'Brien, became the first player in Bengal history to hit the magical 400 point mark in a single season. "Sos" scored 25 points in the closing game of the season against S. F. State, for a total of 405 points. Gene maintained a scorching 17.6 per game average during the season.

His average is one of the highest on the coast.

Sosnick was also awarded a trophy for placing on the All-Northern California team. He was awarded the trophy last Monday in San Francisco at a luncheon for Northern California Coaches and sportswriters. He is also a candidate for All-Coast honors.

Gene came to Stockton from San Francisco where he played ball at Washington High School under coach Sid Phelan. Gene was not big enough to play on the varsity club so he played his senior year on the lightweight squad.

Upon enrollment at Stockton College he was hesitant about going out for the basketball team because of his height. People have always said that a small man cannot play college basketball. However coach Van Sweet

Tigers Edged Out In Final C.B.A. Tilt

By CES CIATI

College of the Pacific Tigers ended their California Basketball Association season last Friday night as they were edged out in the final moment by the St. Mary's Gaels 52 to 50. The game was played at beautiful, new Richmond Auditorium.

ALMOST

The Tigers almost pulled a major upset of the season, as they surprised the Galloping Gaels with a tight zone defense and a tremendous show of hustle on the backboards. So close was the game, that the outcome was in doubt up until the final 45 seconds, when Bill Bagley put thru 2 charity tosses to give the men from Moraga the winning margin.

SOSNICK BREAKS RECORD

At the half the locals trailed by only 2 points due to the excellent shooting of Harley Berndt and the record-breaking performance of Gene Sosnick. "Lil" Sos ended the game with 16 points which enabled him to break the all-time Pacific scoring record set by Bill Wirt in 1949.

P.A.A. Meet To Be In Stockton June 13 Olympic Stars Present ... a big event

By BUZZ KAHN

The "Little Olympic Games," in the form of the annual P.A.A. track meet, will be held in COP's Baxter Stadium on June 13.

Featuring Olympic champions, namely Bob Mathias, two-time decathlon champ, Cy Young, Games javelin winner, Sim Inness, discus victor, and Parry O'Brien, Olympic shot put champion, this Stockton track bonanza will also be host to the cream of college and club track stars throughout northern California.

Expected entries are the S. F. Olympic Club, San Jose State, Stanford, Santa Clara, California, the top junior colleges, athletes representing other organizations, and College of the Pacific.

JOHN LANDY HOPEFUL ENTRANT

Coordinator, Ed Zuchelli also informs us that John Landy, the great Australian miler who ran a 4:02.4 mile, is being contacted in hopes that he may make another assault on the world record here on COP's cinder track.

In keeping with the tradition of top track meets, there will be a special high school mile, high hurdles, century dash, and relay race in addition to the regular track and field events.

MEET DEDICATED TO COP COACH

The meet will be dedicated to a man who has achieved fame not only as a competitor, but as a great coach as well, College of Pacific's own track mentor, Earl R. Jackson.

Notables on P. A. A. Committee are Mayor Mike Evanhoe; Dutch Derr, Chamber of Commerce secretary; President of the Quarterback Club, Merl Warren; P. A. A. President, Tom Moore; City Councilman, Dean De Carli; Editor of "Track and Field News," Cordner Nelson; Founder of the Modesto Relays, Tom Mellos; Bill Scanlon, concessionaire; Stockton Tarzan coach, Frank Boyle; Director of Athletics at Edison High, Grant Taggart; Stockton insurance man, Clarence Bowman; and Charlie Hunter, a member of the State Athletic Commission.

The Director of the Meet will be Boyd Thompson, former COP athlete and trainer, currently employed as Secretary of the San Joaquin Medical Association. Earl Jackson, Jerry Kirsten, and Ed J. Zuchelli will act as Coordinators of the Meet.

RUGGERS BEGIN Win Practice Tilt

By TED TISS

Sparked by the scoring run of Don Cornell, transfer from El Camino JC., the College of Pacific's rugby team handled the Athens Club of Oakland a 3-0 defeat in a 20-minute practice session last Saturday. Before the game, the COP players intermingled in a game between the Cal B team and the Athens Club in an effort to learn more about the game.

In the game with the Athens Club, Pacific kept the ball well in the opposition's territory most of the game. The Tigers' scrum, which is the equivalent of a line in football, completely out pushed or "out scrummed" the Athens Club. This was done by such stalwarts as Lowell Herbert, Fred Miller, and Dick Batten. The outstanding runners for the Bengal crew were Don Cornell, Tom McCormick, Willie Richardson, and Rod DeCristofaro.

Much praise was handed the Bengal rugger, who, incidentally play just for fun, by the Athens Club and other observers.

COME OUT WHEREVER YOU ARE

The team is coached by Joe Vigna and Ellard A. Bacon. You don't have to be an "All-American" to play this game so any one interested come out to the practice sessions on Monday, Wednesday, and Friday or contact Ed Zuchelli in the COP Athletic Office.

BUZZ'S SPORTS QUIZ

1. Who was recently named on the All-Northern California second string basketball team?

2. What COP athlete is now competing in three varsity sports?

a) Jim Moradian; b) John Barkett; c) Fred Miller; d) Rod DeCristofaro.

3. What college basketball team recently ended its longest streak?

4. Why are these names prominent in today's news?

a) Norm Harris; b) Buzz Kahn; c) Spring Sport athletes; d) Van Sweet

ANSWERS

1. Gene Sosnick, who also is the first member of COP's "400" Club.

2. Fred Miller, tennis, track, and rugby.

3. Seton Hall, defeated by Dayton, after winning 26 straight.

4. a) Champ of West Hall, b) runner-up to Harris, c) they need supporters (rooters), d) Our new baseball coach.

DORA WILSON

Dora Wilson Is Snow Queen For Reno Ski Carnival

Dora Wilson was the 1953 Reno Ski Carnival "Snow Queen" from the top contestants presented by the ski teams of ten western colleges that were in the meet. The queen, chosen by the members of Nevada's team, was presented at the Snow Ball Saturday, February 21, as a climax to a gala week-end of sorority open houses, banquets, sightseeing and skiing. She also was present to watch the races and jumps and took a side trip to Virginia City.

Dora, a member of TTK, was representing the COP ski team and received a silver engraved bracelet as a memento of her reign.

Engagement Told By Puzzles and Poems

Puzzles and poems announced the engagement of Carol Poynor to Dennis Ioppinni at dinner, February 19, at Tau Kappa Kappa.

Miss Poynor, the daughter of Mr. and Mrs. Les Poynor of Escalon, California, is a junior at COP majoring in education. She is an active member of Tau Kappa Kappa.

Mr. Ioppinni is in the U. S. Navy at Alameda waiting to be shipped out. He graduated from Ripon High School in Ripon, California, where his parents, Mr. and Mrs. Bruce Ioppinni, now live.

Wedding plans for the couple are indefinite.

Gayle Allinger Tells Engagement Feb. 26

A poem, a deck of cards, and a five pound box of candy were the props used by Gayle Allinger as she announced her engagement to Tom Wogaman to her Mu Zeta Rho sorority sisters last week.

Gayle, who was a June 1952 graduate of COP, majored in group work. He is the daughter of the Ervin Allingers of Redding. In her undergraduate days she was a member of the Naranjado staff, the rally committee, Chi Rho, and Mu Zeta Rho sorority. She is currently employed with the Menlo Park recreation department.

Tom, the son of Rev. and Mrs. D. F. Wogaman of Safford, Arizona, is also a recent Pacific alum. At COP he was affiliated with Pi Kappa Delta, the national debating fraternity, was a member of the debate team and was president of Chi Rho. He is now attending Pacific School of Religion in Berkeley.

The couple plans a June 7 wedding in Redding. They will live in Boston, Mass., where Tom will continue his studies at the Boston University School of Theology.

MORE SENATE

(Continued from page 1)
asked the Pacific Weekly to reiterate the urgent need for the student bodies to give their blood.

The Senate is considering a purchase of new chairs for the senate conference room. In spite of the lack of funds, this move is being given serious consideration because many of the senate members are forced to stand because of the lack of chairs in the senate conference room.

The Senate filled two vacant student administrative posts at the meeting. Jack Mansfield was appointed to head up the Publicity Committee for Pacific Student Association. When it was discovered that Paul Maritsas had not left school as the Senate had previously believed, he was reappointed to his position as cheerleader.

The old-time girl was contented with one spinning wheel. The modern girl wants 4 and a spare.

Shamrock Sale Coming

The Sophomore Women's Honorary is planning a "Shamrock Sale" on St. Patrick's Day, March 17.

This group wants to join "Spurs" the national Sophomore Women's Honorary and money raised by this sale will be used to defray expenses of joining.

Although this sale will occur during "silence work," patrons of the "Shamrock Sale" will not be held to silence during the transaction.

Firesides Discussed As Spring Event

As a follow-up activity resulting from the successful living group firesides during Religious Emphasis Week, a committee has been formed to work out a similar plan for this semester.

Bev Borror, AWS president, is in charge of organizing this activity. Outside speakers will again be brought in, and the discussion theme will probably follow that of a Tuesday chapel hour.

Living group presidents will be contacted soon in regards to time, speaker, etc.

EDITOR'S NOTE:—This will be the first of a series of stories concerning activities of Hawaiian students, their customs and life. The writer has recently transferred to COP from the University of Hawaii.

By BEVERLY ING

So you're planning a trip to Hawaii? Come with me and I will tell you about the various customs of a lei. (A floral wreath.)

The Island aloha is expressed by placing a lei about the neck of a Malahini. Aloha may be interpreted as greetings; love; welcome; or farewell. The Malahini is a newcomer or stranger to the Islands.

BOAT DAY

Boat day is a very colorful event for everyone. As the Malahini steps off the boat a lei is placed about his neck and he is welcomed to the Islands. Hawaiian music is played and the hula (a dance) is performed by girls wearing grass skirts. A lei completes their attire.

Leis are also presented to anyone leaving the Islands on a boat. As the boat departs the person who received leis usually throws a few into the water and if the leis float to the shore it means that the person who threw them will return to the Islands.

Leis are also presented to people arriving or departing by planes and they carry that same feeling of aloha.

There is, of course, a definite reason for the giving of leis. The Hawaiian custom or Hawaiian style requires a kiss with the lei. Most people take advantage of it.

FORMAL DANCE

May day is Lei Day in Hawaii and it is considered an official holiday. In Honolulu a great pageant and lei exhibit is held each year. A queen is chosen to preside over the festival of singing and dancing. The queen is given eight attendants named for each of the Islands. Each princess wears a holoku (a fitted garment with a long train which may be held with a strap around the wrist) the color of her Island and leis of the Island's official flower. The Islands are Hawaii, Maui, Oahu, Kauai, Molokai, Lanai, Niihau, and Kahoolawe. The queen is dressed in white and wears white crown flower leis or cream colored pikake leis.

LEI EXHIBIT

A huge lei exhibit is held with many people competing for prizes. Numerous types of leis are made for the occasion and everyone tries to invent a new lei.

Each school from kindergarten to college has a pageant with a queen and fresh flower leis.

Football games are a big event in the Islands, and the girls certainly don't overlook the opportunities for giving leis at that time. After a game, whether the team has lost or won, the girls are always waiting to give their favorite or special football player a lei; Hawaiian style.

When you visit the Islands you will receive a lei of aloha, and when you depart you will have many leis to spread some of the Island aloha to wherever you may travel.

Candy Passed at TKK Gerbing To Be Wed

Barbara Gerbing announced her engagement to Dick Cunnison February 21, by passing candy to her sorority sisters at Tau Kappa Kappa.

Miss Gerber attended COP two years and is now a junior at San Jose State, where she is majoring in education. While at COP Barbara was an active member in Tau Kappa Kappa and Spurs. Her mother, Mrs. Albert P. Gerbing, lives in Manteca.

Mr. Cunnison, the son of Mr. and Mrs. Glen Cunnison of Laverne, California, is a senior at San Jose State, majoring in business administration. He is affiliated with the Sigma Pi fraternity.

Barbara received her ring on Valentine's Day. Wedding plans are being made for the late summer.

A Cappella Choir

Professor Bodley and the A Cappella Choir will appear in the opening service of a three-week pre-Easter series.

Mr. Bodley will comment on "O Sing Unto The Lord" and the A Cappella will sing a number by Bach, "The Spirit Also Helpeth Us."

Mr. Bacon will play the organ.

Rushing Orientation Set For Monday

The Pan-Hellenic Council will meet with prospective sorority rushees for orientation next Monday afternoon at 4:15 in Anderson social hall.

All interested and eligible women may attend the informal meeting. Rushing regulations and sorority affiliating will be fully discussed. Rushing sign-up will be done in the Dean of Women's office from Monday, March 9 until Wednesday, March 11.

Silence period will begin Monday at 4:15 p.m. The first rush functions will be the opening tea on Friday evening, March 13, from 7 until 9; and the coke date on Saturday afternoon, March 14 from 1:30 until 4.

The three great menaces to driving in America today: Hic, hike and hug.

COP Art Department Head To Act As Contest Critic

Mr. Richard Reynolds, head of the C.O.P. Art Department, has been invited to act as a critic on oil paintings, watercolors, and craft products in Oakland at the Hotel Leamington on April 11.

Guadalajara Summer School

A bilingual summer school sponsored by University of Guadalajara in co-operation with Stanford University faculty members will be held in Guadalajara, Mexico, June 28-Aug. 8, 1953. Offerings include art, folklore, history, language, and literature courses. \$225 covers six-weeks tuition, board and room. Write Prof. Juan B. Rael, Box K, Stanford University, Calif. Adv.

Goddess of the Bodice

DEBATE SQUAD COPS HONORS

Five members of the COP debate squad journeyed to the USF campus Saturday, February 28, to participate in the first Northern California Forensic Association speech tournament. Three events were held. The Pacific team tabbed two and had a tie for third in the other.

Entered in Lincoln-Douglas style debate were Leon McGarrah, who placed first, and Patricia Drake and Merl Spencer, who tied for third. The top COP team of Lewis and Nicolayson entered two more debates, but were out of the money losing to a strong Stanford duo. The subject debated was FEPC legislation.

In extemporaneous speaking, Jim Lewis, senior debater, came through with a win from a tough field of contestants. International affairs was the subject of this contest.

Next event on the COP schedule is the Pi Kappa Delta invitational at Pepperdine College in Los Angeles March 12-14.

Although KCVN Special Events crew did not brave it through the smoke of the Conservatory fire for an on-the-spot broadcast, they will be on hand to tape Band Frolic tonight. Those working on the show include Jim Lehman, Jerry Bogle, and Al MacMillan... broadcast time, Monday afternoon, 4:00-5:30.

Portland, Oregon, is honored this week with Radio Pacific students and faculty at the Western Radio & Television Conference. Wednesday through Sunday, Mr. and Mrs. John Crabbe, Archie Greer, Jan Terbeek, Chuch Hinkle and Jeanne Hardie will participate and attend said conference.

Those field checks conducted a week ago netted these results: Sorority and Fraternity Circles, North Hall, Quonsets, have GOOD reception. If you can't get the campus station... 660 on the dial... the fault is your radio. South Hall, West Hall... new equipment was installed this week so no silence should occur where KCVN is concerned.

Don't forget that Band Frolic broadcast, Monday 4:5-30. And this is,

Radio Pacific

And then there's the cannibal's daughter who likes the boys best when they are stewed.

Summer Courses Sponsored By COP Art Department

The Art Department is sponsoring a summer session of watercolor and oil painting classes June 24 to July 27 at Columbia, featuring Richard Yip as instructor.

Painting locations include many of the interesting historical scenes of the area. This course is intended for students, teachers, and others who have had some previous art training or experience. It will include daily on-the-spot complete painting demonstrations, techniques of watercolor painting, exploration of various approaches and methods of using water color, with brief lectures.

You can earn up to six units credit by including two units with the Fallon Theatre group under the title of Studio Problems, both for graduate and undergraduate credit.
