John Muir Esq.
My Dear Sir.

Your valuable letter of June 2nd was received by me at the sea-side. I heartily thank you for your information. I think however that your list of articles is not quite complete, as I remember one upon the "Water-Curel" of the Yosemite - This article or topic may have been incorporated in another article bearing a different title, how this may be I do not know. In your remarks upon the "Water-Curel" I made your acquaintance, & when one year ago the past April, I was thinking "Water-Curel" the entire time.

I have written Leaman & Son for the Overland & given my bookseller an order for Harpers & Scribners.

REV. C. J. K. JONES.

Louisville, Ky. 18

I thank you very much for your good wishes, but shall hope for your company, when^{we} start for the Sierra. I am acquainted with your town of Martinez, having stopped there once on my way to Benicia. I was one year in San Francisco, having preached for seven months as colleague with Rev. A. A. Stone in St. Ang^{els}. Dear Mr. Muir.

Very Respectfully Yours
C. J. K. Jones.
