John Muir Esq.
My Dear Sir.

Your valuable letter of June 25th was received by me at the sea-side. I heartily thank you for your information. I think however that your list of articles is not quite complete, as I remember one upon the "Water-Cure" of the Yosemite - This article or topic may have been incorporated in another article bearing a different title, how this may be I do not know. In your remarks upon the "Water-Cure" I made your acquaintance, & when one year ago the past April, I was thinking "Water-Cure" the entire time.

I have written Leaman & Son for the Overland & given my bookseller an order for Harpers & Scribners.

REV. C. J. K. JONES.

Louisville, Ky. 18

I thank you very much for your good wishes, but shall hope for your company, when^{we} start for the Sierra. I was acquainted with your son of Martinez, having stopped here once on my way to Benicia, I was one year in San Francisco, having preached for seven months as colleague with Rev. A. Stone in St. Angelo. Dear My Dear Mr Muir.

Very Respectfully Yours
C. J. K. Jones.
