My dear old friends

I am  
wondering if you are still  
in this part of the world.

I am on my way to  
Bolinas and shall not return  
before the first of next week  
Monday probably, and should  
you be down here should  
be most happy to see you.  
The latter part of the

week shall be at my  
Gaskills I think as I have  
not seen them yet.

I came from San Jose  
last week and am quite  
surprised to find such very  
cold weather in this part of  
California.

Mrs E. C. Knox is enjoying  
the beauty of Los Angeles  
climate. but I am looking  
for her up here, to return with  
me to Brunswick the latter  
part of this month

With kind regards  
and the best of good wishes  
from your friend  
Emily D. Pelton
