Martinez, March 29, 1881.

Dear Mrs Bidwell,

Bloomtime has come  
and a bloombaby has come  
and never since the Glacial  
Period or Baby Period began on  
earth were happier people  
how beautiful the world is  
and how beautiful is the time  
of the coming of our darling.  
We are five now. Four  
steadfast old lovers around  
our little love. She is four days  
old or four years I care remember  
which. You must come & see.  
Ever truly your friend,  
John Muir.
