My dear Mr. Muir -

Don't believe a word of what Upham has been writing!!! For you might think that he alone is pleased to hear the good news - as it is not so - The Payot family are all interested in the little Miss as well as the Upham family & you will please accept our congratulations with the request that Mrs. Muir will kiss the baby for each of us - this is quite a task I know

for according to the  
last Census we number  
 $\frac{1}{2}$  doz - but it will be  
a pleasant one we know.  
With the permission of  
Mr & Mrs. Stutz as well  
yours & your good wife's,  
we ask the privilege  
of joining with you in  
your happiness and add  
to the affection that is  
centered around that  
dear "little love" at the  
Alhambra -

Then accept our  
very best compliments, to  
all, and an extra kin  
for baby -

Yr. friend
