My Dear Aunt

Had I supposed  
you would not have been in  
San Francisco before this  
you would have received  
the most hearty congratulations  
of the Uphams long ago. We are  
pleased to learn that you are  
all happy and of course we are  
anxious to see the little "love"  
and if you do not bring Her  
down to see us we shall make  
a special visit to Martinez  
to see - what is her name?  
Come soon

Yours truly  
Isaac Upham.

Martinez Apr 28, 1881.

My Dear Dr Engelman.

Your notice of your oak  
wants was a month too late  
for the flowers, the season  
here being very early. I at once  
went to the hills however  
& procured you the young  
acorns which I now forward  
with this.

All goes well in the home. the  
mother in good health. & the  
young Miss Min growing  
amazingly fast, tough as a  
mountain oak, & the grand-  
parents happy as possible.  
With cordial thanks for  
your congratulations & for  
the abundance of hard good
