Dear Miss

Yours of 31st Oct. is just in. We arrived Nov. 6. -
are still unsettled; so I can
only now say, Send us
your Arctic Plants - or
a set of them, and I will
do all that we can
with them; no doubt I
can name them promptly
by.

We had a good voyage
home & a fine time
aboard. I shall be glad
to hear or read the interesting
things you will have to
tell about. Ever yours truly

Asa Gray
