PORTAGE, WIS.,

May 7

1882

Dear Brother John,

As you see
from my heading I am writing
in the store, where I spend most
of my time of late.

We have all become quite im-
patient to hear from you, as it
is a long time since any of
us have heard from any of
you. I begin to think that
we, who wish to see you and
yours, will have to come to Cal.
as there seems to be no prospect
of seeing you in Wis.

Now if we cannot see you, can
you not give us the pleasure of
seeing a representation of your
family? Just take your wife
and little daughter to town

and have their pictures taken
for us. You do not know how
much pleasure it would give
us all. Please do not delay.

We are all about as usual,
going on in the same tenor
of our way.

The weather has been very cold
and the spring very dull & long.
But today, at last, it is warmer
and we are happy in the fact.

We hear that the "Comnie"
has returned to the Fox South
and are rejoiced that it, this
time leaves you behind.

How do you intend spending
the coming season? At
home with your wife and
baby I hope.

Hoping that you are all well
and happy I close. Expecting
to hear from you all soon
and to see your pictured
faces. Your aff. Sister Annie
