Dear John

I hope this will find you and your family well - I am much pleased to think that Mary & Sarah has reached you in your distant home - after having been separated for so many years - yes - it does seem very long since you left us - but the time may come when you can revisit us again.

I suppose your work still goes on - while here every thing is covered with snow - Winter seems to be fairly begun now, although we have had a pleasant fall.

David's health is quite good
at present and so is that of
the family.

I hope you will find
time to write to me ere long
and tell me how little Wanda
and her mother is prospering.

With much love to you
all - I am affectionately
Mother
