San Jose, March 22,
1883.

John Muir,
Martinez Cal
Dear Sir,

I have the honor
of informing you that the
Executive Committee of the
Pacific Branch of the C. L. S. C.
tender you an invitation to
address the Summer Assembly
which opens on the evening
of July 4th and continues nine
days, at Pacific Grove, Monterey.

If you knew how many
friends and admirers you would
meet there, I am sure you would
not say nay.

We hope to have a very large meeting, and a very good time, but it - will not - be perfect - unless our, ~~best~~-prophet will come and bring with him the inspirations of mountain, and glacier, and forest.

We will send you R.R. passes, and give you the best-hospitality that Pacific Grove can offer, if you will let us introduce John Muir, to his friends from all parts of the Pacific Coast.

Of course we hope for a lecture, but the friends of science and Literature want to see the man. Come and bring

John Muir and the little one.

[23]

My brother sends kind regards and hopes you will not disappoint us. With kindest-remembrances to Mrs Muir, I am

Very truly yours,

Chas. E. B. Norton,

Sec. of the Pacific Branch
of L. S. S. Co.
