DEPARTMENT OF THE INTERIOR,
United States Geological Survey,

Washington, D. C., Nov. 20th, 1883

Mr. John Muir.

Martinez, Col.

My dear Sir:

I am about to publish
a paper on the existing glaciers
of the West and venture to
ask if you can send me
copies of the papers that you
have published on the same
subject. If you cannot send
me copies of what you have
published can you furnish
me with abstract or references.

01117

I shall include in my paper
a notice of every thing that
has appeared in the subject
and as you are the father
of many of the things gloried
in to speak. I wish to include
all that you have written.

Trusting that you will favor
me at your earliest convenience

I remain, very respectfully

J. O. Russell
