My Dear Bro, John
Your very kind letter
was received. Sister Anne
is in some respects better.
I think, her appetite is good,
and as we have had beautiful
sunshiny days (and warm
too for this time of year) she
has spent much of the time
out of doors. She is cheerful
most of the time. & stronger
than when she came here.
Though she thinks not much
if any better than she was before
starting from home.

We expected Dan & his
family here Thanksgiving, but

Remember me to Mr. Doctor &
Mrs. Abundant & hope they are very well
I was disappointed Anne very
much so, as she was very
anxious to know if he thought
her lungs really better.
I hope poor girl, she will
soon make rapid progress to-
wards perfect health &
eventually find herself stronger
than ever before.

I hope you are all enjoying
good health. we are all
usually well, I am better
than when I wrote before.

I am getting old, my baby
is nine years old today.

William Kiel has
been here & bought a good farm
about 25 miles from here. I will
move his family in this spring.
he thinks D. M. G. will not be able
to sell unless he lets down his
price a little. With much love to
Louie, little Wander & yourself

I am as ever your affectionately Sister
Mary
